## President's Report

I am proud to submit my first report as President of the Point Leo Surf Life Saving Club.

I was lucky to inherit the President's role at a time when the club is in excellent standing across all aspects of life saving. This is in no small part due to the leadership of our immediate past President, Ian Knight. I would like to thank him for his many years of service to the club and his personal support over the last year. It was particularly pleasing to see him achieve his goals at the Masters National Championships in Scarborough with a Surf Teams Silver Medal.

Season 2013/2014 saw the club continue its history of excellence in the four pillars of life saving:

- Patrols,
- Community Engagement,
- Competition, and
- Development.

I am pleased to report on the success of a range of new initiatives in all four of these areas this season. In the patrols area Captain Jack Garner and Vice Club Captains Morgan Jones (until January 2014) and Callum Pearce (from January 2014) ran weekend patrols for the first time to build on our result from season 2012/2013 as the "Most Improved" in the state. These weekends allowed the patrol teams to get to know each other better, enhance their lifesaving skills and build a sense of belonging within each patrol. I thank each of the Patrol Captains and Vice Club Captains who took on additional responsibility to make these weekends both fun and educational.

The club expanded its community engagement through a very popular season opener event, walking around the streets of our local area. This was a great way for people to get together before the season kicked off, and for our neighbours to meet us away from the flags. The multi-cultural and disabled surfing events hosted by the club this year expanded the community that we engage with, through the people who participated and also through the media coverage that these events attracted. These events also provided an opportunity for personal development for our members as they learned about other cultures and the broad spectrum of ability and knowledge that is too often hidden in the term "disability". It is encouraging that there is strong support from within the club and with our new friends to continue to grow these programs in the coming years.

This season has seen continued momentum in the competition sections with the appointment of Jon Ford to the role of Head Coach. This role is responsible for increasing sporting participation and excellence across the junior, senior and masters teams as well as developing coaching expertise from the amazing group of athletes we have within the club. Jon has taken to this role with gusto; setting goals, planning and establishing training facilities and opportunities for athletes of all levels. The competition team was well led by an active group of coaches over summer who undertook a new mentoring program for athletes. I would like to thank Jon, Chris Munro, Lachlan Pearce, Matthew Bunting-Frame, Clayton McDonald, Haydn Tierney and Hayden Rydberg for their ongoing commitment to the club.

While we mainly focus on the summer competition season, over winter 2013 Point Leo successfully competed in its first pool competition season with medals at the State Titles and representatives selected for the State Team. The pool team is busy training for the 2014 State Titles to be held in August for both Junior and Senior athletes. This winter also sees an emerging IRB competition team. This type of competition provides an opportunity for our patrolling members to increase their driving and crew skills in a wider range of surf conditions. I encourage anyone who is interested in IRB training to join this growing team. These two new teams will be bolstered by a Life Saving Team for the coming season as part of

Pool Competitors (from left)  
Charli Cassell-Ashton, Bodhi Woods, Natalie  
Dimitrakas {rear} Emily Carr, Georgia Cassell-  
Ashton

the longer term goal that the coaches have set for the club to win the overall points score at State Titles by 2017.

You will find more details on all of these initiatives later in the report, but I would like to also draw your attention to some other highlights of the season:

- Huge Bronze camp, with over 50 candidates qualifying.
- Great attendance and smooth running of the Boxing Day Swim.
- Inductee for the fourth year of the Gary Tierney Foundation (Jack Garner).
- The Club hosted both a Junior and Senior carnival over one big weekend, with very positive feedback from Life Saving Victoria on the service and support we provided to the carnivals.
- The competition team made a trip to the Manly/Freshwater Australia Day weekend of carnivals.
- Strong representation at all carnivals including the Junior, Senior and Masters State Titles; and Senior and Masters Aussies.
- Three National Masters medals – Gold for David “Jack” Russell, Silver to the 150+ Surf Team of Frank Christian, Jack Russell and Ian Knight and Bronze to Frank Christian in the 55 – 59 Surf Race.
- Ongoing close relationship with the Point Leo Foreshore Committee and broader community to provide a safe environment for all visitors to the Point Leo area.

With 1200 members, the club is in a stable financial position and will carry no debt into the coming season. We should all also be proud of the productive and collaborative relationship we maintain with Life Saving Victoria.

While Season 2013/2014 has undoubtedly been a great success across all aspects of life saving, as we prepare for the 60<sup>th</sup> anniversary of the club in April 2015 we must be cautious not to rest on our laurels. Specifically, we face the ongoing challenge of meeting our patrolling requirements not just in regards to numbers on the beach (particularly in the second half of summer once we all head back to school and work), but also in the number of qualified members across the range of life saving awards. We will be offering training in all awards in the lead up to the 2014/2015 season and I challenge each active member to gain a new award.

The Gary Tierney Foundation continues to work towards reaching its capital base to ensure that it can continue to support the development of our younger members for years to come. We would like to reach this target in the coming year so that we can focus future fundraising activities on a new five year plan to refurbish and upgrade our clubhouse to meet our growing needs. You will be hearing more about these infrastructure plans as part of a wider vision for the future of the club.

As President one of the more difficult tasks I have faced has been selecting worthy recipients of the Senior and Junior President's Awards and the Dick Catterick Award (Best Club Member). I am honoured to nominate the following people for their outstanding contribution to the club:

- Senior President's Award: Andrew Gibson
- Junior President's Award: Hannah Carboon
- Dick Catterick Award: John Horwood

The club is exceptionally served by the hard work of the committee, who come from a wide spectrum of the membership base and therefore ensure that you are all represented in decision making. In particular I would like to acknowledge the contribution of Club Secretary Andrew Gibson, Club Treasurer/Registrar Kim Williams and Club Captain Jack Garner. These three work incredibly hard for the club and their unwavering commitment ensures that we meet our compliance requirements and all the activities of the club keep ticking over, as well as literally keeping the lights on by paying the bills and fixing things.

On behalf of the club I would like to thank our Sponsors; these individuals and businesses provide support to our core activities and their contribution means that we can continue to provide a safe beach environment for each other and the community, as well as continue to provide opportunities for our members to grow and compete. Please take note of our Sponsors and thank and support them when you can.

There are too many people doing small and large things around the club to thank them all here, but I assure you that each and every time you help out we are all grateful and as a club and a community we all benefit. It is this sense of family and friendship that is what makes Point Leo great!

Whether it is the smile on the face of the nipper who makes it around the swim cans for the first time on their own, the Bobba laughing while catching up with long lost friends, the board paddler pumping the air while crossing the finish line, the parent proudly wearing their Lion spray jacket, the new bronzie sighing with relief after passing CPR or the nameless member of the public leaving the beach tired and happy after a safe day on our beautiful beach, each of you make these things possible.

Congratulations on a great season, thank you for all your efforts and I look forward to seeing you all on the beach this coming summer.

Tamara Brawn  
Club President

**STATEMENT BY COMMITTEE**

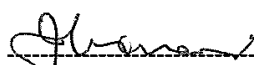

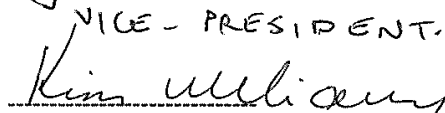

**AS AT 30TH APRIL, 2014**

The Committee has determined that the Club is not a reporting entity as defined in Statement of Accounting Concepts 1: Definition of the Reporting Entity, and therefore there is no requirement to apply accounting concepts or standards in the preparation of these financial statements. The Committee have determined that this special purpose financial report should be prepared in accordance with those accounting standards and the basis of accounting outlined in Note 1 to the accounts.

In the opinion of the Committee:-

1.    a)    the profit and loss statement and statement of cash flows have been drawn up so as to give a true and fair view of the results of the Club for the year ended 30th April, 2014.
- b)    the balance sheet is drawn up so as to give a true and fair view of the state of affairs of the Club as at the 30th April, 2014.
- c)    at the date of this statement, there are reasonable grounds to believe that the Club will be able to pay its debts as and when they fall due.
2.    The Club has during the financial year:-
  - a)    kept such accounting records as to correctly record and explain its transactions and financial position;
  - b)    kept its accounting records so that true and fair accounts of the Club can be prepared from time to time; and
  - c)    kept its accounting records so that the accounts of the Club can be conveniently and properly audited in accordance with the Associations Incorporation Act.
3.    The accounts have been properly prepared by a competent person.

This statement is made in accordance with the resolution of the Committee of Management and is signed for and on behalf of the Committee by:-

  
NICE - PRESIDENT.  
  
TREASURER

Dated at Point Leo on the 6<sup>th</sup> day of July, 2014

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
POINT LEO SURF LIFE SAVING CLUB INC.**

## Scope

We have audited the attached special purpose financial report comprising the Balance Sheet, Profit and Loss Statement and Accompanying Notes of Point Leo Surf Life Saving Club Inc. for the year ended 30<sup>th</sup> April 2014. The members of Point Leo Surf Life Saving Club Inc. are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on its preparation and presentation. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with Australian accounting concepts and standards so as to present a view which is consistent with our understanding of the financial position of Point Leo Surf Life Saving Club Inc. and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

## Qualifications

It is not practicable for us to audit all monies received prior to the initial entry of those transactions in the accounting records. Accordingly, the audit of those receipts was restricted to the amounts recorded in the accounting records.

## Qualified Audit Opinion

In our opinion, subject to the effects on the financial report of the matters referred to in the qualifications paragraph, the financial report presents a true and fair view of Point Leo Surf Life Saving Club Inc. as at the 30<sup>th</sup> April, 2014 and the result of its operations and its cash flows for the year then ended and is in accordance with the accounting policies described in the Notes to the financial statements,

**POINT LEO SURF LIFE SAVING CLUB INC.**  
**ABN 83 471 063 765**

**NOTES TO AND FORMING PART OF THE ACCOUNTS**

**FOR THE YEAR ENDED 30TH APRIL, 2014**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following significant accounting policies have been adopted in the preparation of these accounts.

**a) General**

These financial statements are prepared for distribution to the members and for the purpose of fulfilling the requirements of the Associations Incorporation Act. The Committee has determined that the Club is not a reporting entity and therefore there is no requirement to apply the Accounting Standards in the preparation and presentation of these statements, except for those Standards specified in Schedule 1 of the Associations Incorporation (Prescribed Particulars) Regulations.

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention and a going concern assumption. They do not take into account changing money values, or except where stated, current valuations of non-current assets.

The accounting reports have been prepared on the basis of recognizing in dollar value only assets and liabilities generally described as cash based.

**b) Principal Activity**

The Club's sole activity is to provide life saving services and facilities for the community and its members. The Club did not carry out any trading activities during the financial year other than those incidental to the above activity.

**c) Income Tax**

No amount was required to be provided for income tax.

**d) Property, Buildings and Amenities**

Buildings and items of plant and equipment are recorded in the balance sheet at cost. The value of such items is brought to account as depreciation over the expected life of each asset.

LSV Regional Carnival Point Leo February 2014

## Club Captain's Report

The 2013/2014 season has once again proved to be an enormous success across the full spectrum of club activities. The club hums with life over the summer period, and this season was no exception. We had the largest number of attendees at our bronze camp, record numbers of nippers on the beach, an array of highly tuned athletes training and competing throughout the season and record high attendance at patrols. A huge assortment of members contribute, in both small and large capacities, over the summer period and into winter to ensure that the club runs smoothly over this exceptionally busy period. I will touch on only a few of these people, but I extend my personal gratitude and thanks to all of those who committed their valuable time to help build, maintain and improve Point Leo Surf Life Saving Club over these last twelve months.

The patrols section of the club has gone from strength to strength over the past few seasons. Morgan Jones has redesigned and redeveloped the patrols and we are beginning to reap the rewards of the hours of hard work that he has contributed to the club. This year we saw the inclusion of the highly successful weekend stay over, involving a double header Saturday and Sunday patrol, with a team dinner on the Saturday night. The response from the patrollers has been highly positive, and the number of patrolling members over the peak periods has increased greatly.

Congratulations are in order for Morgan Jones, who has temporarily left our fold, and moved to Sydney to continue his studies. Morgan has donated a huge amount of time and effort as Vice Club Captain over the last two years; the role which in essence involves the co-ordination of all of the volunteer patrols for the whole of the summer season, and ensures that our most basic function, of keeping the beach safe, is met. Morgan has been a great asset to the Club and the committee; his conscientious work ethic, mastery of the patrol team formulation and good humour will be sorely missed. Thankfully we had a very suitable candidate in Callum Pearse for his successor. Callum has been a patrol captain for a number of years, helped to train and run recent Bronze Camps and is a mature and hardworking club member. He has done a fantastic job of running what is the club's most essential function for the second half of the season.

Thank you also to all of the members who patrolled consistently throughout the season and especially those who attended the number of extended hours patrols that we put on; without you the patrols would not function. It's also fantastic to see so many young SRCs and Bronzies (as well as some more "senior" patrol members) wearing their yellow and red and doing the club proud down on the beach.

The competition team has again been a bee-hive of activity with a range of training camps, trips and stay-over evenings which have resulted in a highly successful and well drilled team of athletes. The club has continuously been a hub of activity over the December and January periods and it's fantastic to see our wonderful facilities being utilised so thoroughly.

We must also thank Rose Anderson for her tireless work as Chief Instructor again this year. She ran a number of highly efficient skills maintenance sessions, an exceptionally successful Bronze Camp and an SRC camp. The heavy increase in paper work that continues to inundate Surf Life Saving clubs was done tirelessly by Rose, and our ability to function as a club hinges on her hard work all year round.

A special mention also needs to go to Clayton McDonald (right) the recipient of the Club Captain award this year. Clayton has worked tirelessly for the club over the last 30+ years, as an active patrol member, competitor, mentor, coach and father figure to a range of our young and aspiring members. We are exceptionally lucky to have members like Clayton within our fold.

Jack Garner  
Club Captain

## Vice Club Captain's Report

The 2013/2014 season has been a fantastic success for all sections of the club as the hard work and dedication of many has come with much reward. Taking over the position as Vice Club Captain was a relatively easy task thanks to the support of the committee and in particular Jack Garner, Club Captain, and Morgan Jones, former Vice Club Captain whose efforts have put the club's operational side in great stead for the 2014 season and seasons to come.

The season was not without its challenges in the patrol sector, however with the persistence and professionalism of our patrol teams we showed outstanding results as a club, providing a top rate service to the community. A big thankyou to all those that gave their valuable time to make the seasons' patrols so successful; over 6000 hours were dedicated to patrolling and water safety this season. I would like to make note of our Point Leo patrol captains for their outstanding contribution to the club: Jack Garner, Lachlan Pearce, Andrew Gibson and Morgan Jones, with a special mention to Sarah Lillycrapp and Zachary Richter who did an excellent job in their first year as Patrol Captains.

There were many new and exciting additions to the patrol sector this season including the introduction of a Legends (Masters) patrol team and the weekend patrol initiative. The Legends patrol, co-captained by Andrew Gibson, Mal Marcus and Michelle Royal-Hebblewhite was a fantastic success; it was great to see many of the familiar faces back down on the beach. Hopefully this patrol continues to grow over the coming years. The highlight of the season for many of the younger patrollers was the weekend patrol where everyone was encouraged to stay the night at the club. The feedback received was nothing but positive and we will be looking to make more opportunities like this for patrollers to stay around and socialise after a long day on the beach!

Legends on patrol

Taking a look at the season statistics it is obvious that the patrol service we offer is of great significance to the safety and wellbeing of the beach community. The statistics are testament to the skill, depth of knowledge and vigilance of our active members. It was a busy season with a relatively large amount of first aid cases and rescues that came with the increased beach attendance!

Volunteer Patrol Statistics	Number
Estimated Beach Attendance	18950
Total Patrol and Water Safety Hours Completed	6347
Preventative Actions	495
First Aid cases	39
Rescues	3

Once again thank you to all those who volunteered their time to make the season so incredibly successful. Planning for the 2014/2015 season has already begun and I am excited to bring more initiatives to the 2014/2015 patrol season. The past season has been an absolute blast, and I look forward to continuing to develop patrols for this unique and extraordinary club.

See you on the beach.

Callum Pearce  
Vice Club Captain

## Chief Instructor's Report

In the 2013/2014 season, Point Leo had a large number of new Bronze and Surf Rescue Certificate award holders. Our Bronze Camp over December was a huge success and I believe it was our largest one in history, having an astounding 53 participants. Congratulations to all the new award holders and I hope to see you around the club throughout the coming seasons. A special mention and thank you must go to Jack Garner, Lachlan Pearce, Gracie Wilkins, Callum Pearce, Chloe Box, Dayna Laurence, Sophie Welsh, Simone Garner, Trystan Precht, Zach Richter, Hugo Norris and all the other trainers and helpers on the course. Without your assistance the Bronze Camp would not be able to go ahead.

Thank you to Andrew Gibson for yet again volunteering his time to organise an Adult/Nipper Parent Bronze Course and Di Summers for organising the SRC program over a few weekends. A huge thank you must go to all the trainers, assessors and helpers for their hard work and dedication to ensure that these programs were a success.

Please remember it is essential to keep your qualifications up to date and to gain higher qualifications to maintain our basic patrolling requirements to help us continue to uphold the goal of providing the best practise of surf rescue and first aid at Point Leo.

2013 SRC graduates

Thank you again to all the Trainers and Assessors within the club for your hard work, dedication and support throughout the season to ensure that these programs were a success.

Rose Anderson  
Chief Instructor

## First Aid Report

Point Leo SLSC lifesavers reported a total of 39 first aid cases over the 2013/2014 lifesaving season. Our lifesavers attended to 19 minor cuts/abrasions, 1 minor marine sting, 1 spinal and 18 other first aid cases. I commend all those who responded and were involved in a first aid case during patrols; our lifesavers' first aid knowledge and skills were highly appreciated and respected by those who visited Point Leo. The public can be reassured that Point Leo SLSC will continue to provide basic first aid during patrol times.

All current Senior First Aid award holders are encouraged to maintain their qualification over the off-season. Similarly, all active members are encouraged to make the most of all training opportunities provided by LSV (regularly check LSV circulars), the Mornington Peninsula District and the Club (regularly check Club email and The Mine) over winter. Course information can be found at the following link (<http://www.lifesavingvictoria.com.au/www/html/1709-training-courses.asp>). By continuing to develop first aid skills and knowledge, members will be able to further contribute to our duty of care to the public, while developing essential life skills and personal development.

A special recognition of those members who provided their professional expertise during special events is required. Thank you to all those members who provided their time over the season; having your proficiency on the beach helps to ensure the highest standards of safety for all participants of events held at Point Leo Beach and provided by Point Leo SLSC.

Lachlan Pearce  
First Aid Officer

## IRB Report

Our year started with the Swim Classic which was well supported by in excess of 15 drivers and crew throughout the day. Richard Ellis' invaluable experience in risk assessment and co-ordination in regard to IRBs meant we were able to run a seamless event.

The next venture was our IRB School which qualified 9 crew and 3 new drivers namely:

Crew:	Romy Lipszyc	Sarah Lillycrapp	Duncan Fraser – Smith
	Caleb Gray	Kaitlin Russell	Matthew Blair
	Tony Puleio	Simon Merrigan	James Lillycrapp
Drivers:	Andrew O'Hara	Will Sullivan	Callum Pearce

Thank you to Andrew Gibson and Mick Treadwell who instructed.

Under the guidance of Rob Andronaco (coach) and Matt Bunting-Frame (manager), and with the help of the club's head coach Jon Ford, we continued training (left) specifically for IRB racing which is going to be a strong participation area in future seasons. This resulted in additional crew training for Harry Wynn-Pope and Mitch Brown. With IRB racing being out of season, training continues during the autumn and winter months. Jon Ford is currently organising an exam for additional candidates who are involved in training and coaching for IRB Racing.

Thanks must go to Chuck Warner who stepped into the position of IRB Co-ordinator, both organising and manning our IRBs, for the Nipper sessions throughout January, February and early March. Chuck also co-ordinated drivers and crew for our Nipper Carnival program.

Our older drivers, as always, stepped up and were involved in Junior and Senior State Titles, namely Tom Mollenkopf, Andrew Gibson, David Russell, Nick Woods, Chuck Warner and Andrew O'Hara. They were ably assisted by Nathan Cester and Marco Kelsall.

Over recent years our equipment, IRB engines and transport have been well maintained and progressively upgraded. A special thank you to Ross Blair-Holt and ALH Group for their generous and ongoing support. The committee also approved a major upgrade to the IRB cage which under the guidance of Andrew Gibson and Chuck Warner is a major step forward. We also have approved funding for new racking for the IRBs.

I would like to thank those who assisted throughout the year, in particular the President and committee with a special thank you to Andrew Gibson for his tireless and consistent support and three former IRB Captains being Matthew Bunting – Frame, Chris Gray and Richard Ellis.

Blane Paton  
IRB Captain

## Surf Sports Reports

### Team Manager's Report

The competition season for the seniors this year included six carnivals followed by the State Championships at Ocean Grove in March 2014. Point Leo attended all of the carnivals and fielded a team of 48 competitors (28 male and 20 female) at the State Championships. A team of nine competitors travelled to Scarborough WA to compete in the Australian Championships in early April

2014. Mid-season Hayden Rydberg and Haydn Tierney accompanied a group of athletes to Sydney where they competed at the Manly and Freshwater Surf Lifesaving events.

Athletes this year have had many coaching sessions on offer in all disciplines. Jon Ford, Lachlan Pearse, Chris Munro, Matt Bunting-Frame and Clayton McDonald have done a wonderful job in motivating and preparing our athletes for competition. We are very lucky at Point Leo to have such a dedicated team of coaches and their hard work is paying off.

Several Point Leo athletes were selected for Victorian State Representative teams.

Under 14 Madison Howe: RLSSA Victorian Pool Lifesaving Development Team  
Under 15 Samantha Howe: RLSSA Victorian Pool Lifesaving and Australian U16 'Junior Barras' Teams

Under 15 Claudia Whitfort  
Under 17 Kate Cassell-Ashton  
Under 17 Lachlan Robinson

Madison and Samantha Howe

All of the individuals identified as State level athletes have tremendous ability. They are great ambassadors of the club and fantastic role models for our younger members. Everyone at the club is very proud of their achievements.

It is compulsory for all teams to supply officials at carnivals. Point Leo is fortunate enough to have a dedicated group of officials that represent our club. The senior competitors understand and appreciate the important role of officials and would like to thank Tracey Cester, Tamara Brawn, Di Summers, Tara and Paul Doherty, Iris Cassell, Andrew Gibson and Henry Kelsall.

This year's IRB duty commitment was rostered on for the Point Leo senior carnival held in February. We had a large number of drivers and crew that volunteered their services on that day. I would like to thank Andrew Gibson and Tom Mollenkopf for fulfilling our State Titles IRB duty at Ocean Grove.

The Point Leo Team was competitive at the States Titles. Our ski section continues to strengthen: Bella Ford won silver while the U19 and U17 Women's ski relay teams picked up bronze medals. Point Leo had enough male competitors for two Open Taplin teams (6 males, 2 swimmers, 2 board and 2 ski) and the two double skis were in great demand with women's, men's and mixed team paddlers. The club bagged a total of 8 gold, 12 silver and 9 bronze. Unfortunately for the second year in a row Point Leo was not represented by a surf boat or R & R team.

Aussie Masters competitors, parents and supporters  
Scarborough WA April 2014

I had the pleasure of accompanying our Aussies team of nine to Scarborough. Competing interstate can be a logistical nightmare and Western Australia was particularly challenging. Ocean Grove SLSC sent a large container by rail and kindly offered to take our skis and boards. A successful application for an Australian Institute of Sport (AIS) local sporting Champions grant ensured that all athletes received a subsidy towards the cost of the trip to

Scarborough. The Open Aussie program spans five days; the competition is tough and it is very difficult to get through the first round. Lachlan Robinson had a comfortable first round ski paddle and just missed a semi-final spot, Marco Kelsall also got through the first round in board but missed out on quarter finals. Bella Ford paddled expertly and progressed to the U19 ski final. Bella placed 12<sup>th</sup> in Australia; this is an incredible achievement and she fulfilled her Aussies goal to make a final.

My role as Team Manager involves fundraising and this season one intersection tin shake raised \$5,000. The money is distributed to the board and ski section, the competition team and the club for general use. The efforts of the volunteers who attended is acknowledged and greatly appreciated.

Point Leo will be sending teams to the LSV Pool Lifesaving competitions over winter and we are very excited to announce our inaugural participation in the IRB competition carnivals this season.

In closing I would like to thank everyone at Point Leo for their help during the season. Parental support is intrinsic in the smooth running of the competition team and I would like to thank parents that drove the bus or towed the trailer, set up tents and even shouted me a coffee; I could not do my job without your support. In particular a big thank you to Jon Ford, Lachlan Pearce, Andrew Gibson, Tamara Brawn, Andrew Welsh, Kate Stern and Kim Williams. We have a team of individuals who are working hard to keep the senior team members engaged, fit and active in Surf Life Saving. It's a great club and it's a great team of people. I am looking forward to summer on the beach 2015.

Stacey Lethlean  
Team Manager

## Board and Ski Section Report

The Board and Ski section continues to grow at all levels. It is a pleasure to be part of this and see athletes improve their skills, fitness and competitive results. Some of the key features of the Board and Ski program in 2013/2014 have included:

- A very successful Board Camp at Point Leo where the new U14s gained a lot of confidence.
- An amazing Board and Ski Camp at the Gold Coast. Thanks to Chris and Simone Munro who organised this and Andrew Welsh, as well as many others, who made the camp work. The more senior members of the squad really stepped up to make this a "life changing event" for some and a fantastic week for all.

Gold Coast Board Camp October 2013

- The engagement of Phil Clayton at the Gold Coast camp and also a February weekend at Leo. His capacity to inspire and provide expert coaching is unparalleled.

Phil Clayton board session at Flinders February 2014

- Continued development of our training program. Increased board session options and again the senior squad members taking leadership roles (special mention to Lucy Welsh, Bella Ford and Lachlan Robinson).
- Attending the Victorian State Kayak Titles at Nagambie and coming away with a number of medals despite our athletes only having recently started paddling kayaks.

- The successful implementation of a mentoring program for athletes. The personal attention paid to athletes from experienced competitors was incredibly valuable.
- A number of our ski paddlers successfully mastering the “double plugger” start with both legs. Our elite ski paddlers are now some of the fastest off the beach in Australia!

Evie Wilkins and Marco Kelsall – Victorian State Championships Ocean Grove March 2014

- The debut of “Kooks on Craft” to cater for members less confident and with regular attendances of 15-20 members.
- We have a number of elite board paddlers but this year a number of athletes committed seriously to ski with some great results.

Generally the carnivals this season were held in reasonable weather with nice surf (at times fairly challenging). There were many examples over the season of fantastic outcomes. Unfortunately at States we didn't have amazing luck and we also had some serious injuries to some of our elite athletes. Nevertheless there were some fantastic results including:

- Gutsy performances by a seriously strong U14 contingent competing up in U15. Our stocks for next season in U15 look very good!
- Lucy Welsh and Kate Cassell-Ashton winning the U17 board rescue despite a significant back injury to Lucy.
- Claudia Whitfort 2<sup>nd</sup> in U15 board.
- Some major improvement in ski paddlers such as Evie Wilkins and Cat Cester.
- Bella Ford 2<sup>nd</sup> U19 ski.

Aussies in Scarborough was always going to be a journey. Still we had a reasonable turnout and had a great week. Conditions were flat with the odd shore break and of course “The Doctor” most afternoons made things interesting. With each season we have developed confidence as a group at Aussies. Marco Kelsall and Lachlan Robinson made it through to Round 2 which was a good effort. Bella Ford's goal for 2014 was to make the Aussies final in U19 ski. Through disciplined training and focus she achieved this goal. She made the final and came 12<sup>th</sup> in Australia. This is the first time Point Leo has had a craft finalist at Aussies for many years!

Looking forward to next season, planning is well underway. A few key areas of focus worth highlighting include:

- The launch of a Point Leo kayak/ski squad at Martha Cove with 2-3 sessions through winter. All welcome from 12 year olds up!
- A continued emphasis on helping Nippers to make the transition to Cadets. The Point Leo Board Camp will run again in September holidays.
- Working harder to improve the coaching skills of Activity Leaders in Junior Surf Lifesaving Program.
- The engagement of new coaches for the Board program and a comprehensive training program across the whole year.
- Continual refinement of our approach to improving paddling technique for board and ski with video analysis and quality coaching all through winter.
- Waves, waves and more waves!
- Racing, racing and more racing!
- Continuing what we did well in 2013/2014.

Special thanks to all the coaches including Matt Bunting-Frame, Chris Munro, Clayton McDonald, Travis Cargill, Lachlan Pearce, Di Summers, Haydn Tierney, Hayden Rydberg and Tara Doherty. Also to Andrew Welsh for his fantastic job managing board maintenance.

Keep an eye on club emails for details of training and board camps. Kayak/ski training commenced in May. If you are not already on the text/ Facebook/ email database for the training group please send your details to jonf3@me.com.

### **Board and Ski Competitor of the Year – Bella Ford**

Bella trained hard this season on the ski and was very focused on the goals she set for herself. As an underage paddler in her division Bella gained a lot of race practice and has set her goals for season 2015. She won silver at the Victorian State Championships in individual ski and at Aussies placed 12th in the final of the U19 ski race. Bella was one of the few Victorians to reach a final at the highly competitive Aussie titles. Bella is a great role model for the younger athletes and has accepted roles in coaching and mentoring. She is a dedicated and focused athlete that gives her best in all races and will be a top performer in 2015.

Looking forward to a great year in Board and Ski in 2014/2015!

Jon Ford  
Board and Ski Captain

## **Swim Section Report**

Continued performance and success by the Swim Section has cemented Point Leo as one of Victoria's premier surf swimming clubs.

Point Leo has successfully fielded swim competitors during the Summer Surf Series, interstate events, State Championships, National Championships and LSV and SLISA Pool Competitions. We have also had numerous members represent Victoria in State teams.

At the State Championships members of the Swim Section won a total of 10 medals between them - a great effort!

Our Masters swimmers were very successful at the Masters State Titles. A total of 13 medals were won (7 gold, 3 silver and 3 bronze).

Well done to the team of athletes that trekked to the Australian Championships at Scarborough. Again the Masters team demonstrated how to compete at high-level competition returning home with 3 medals (1 gold, 1 silver and 1 bronze).

For the first time in the Club's history we had a team of swimmers participate in the LSV Pool competitions and the Victorian Pool Championships in August 2013. The swimmers were very successful bringing home a total of 29 medals between them (8 gold, 12 silver and 9 bronze). Thanks go to Lachlan Pearce for co-ordinating Point Leo's first efforts in this new format of racing.

Following the LSV Pool State Titles last year, Samantha and Maddison Howe were both selected in the Victorian team for the RLSSA National Pool Lifesaving Championships (Jan 16-18, Canberra). Both girls achieved outstanding results in this competition. Based on performances at this competition Maddy was awarded overall U14 Australian Champion. Sam placed 2<sup>nd</sup> overall in the U16 age group and was selected as a member of the Australian U16 'Junior Barras' Team. She subsequently attended the full Australian Team selection trials at Palm Beach in Qld, although missed selection this time (as an U15 trialing for the U19 team). She also attended a Junior Barras training camp in Sydney in June with the rest of the U16 team.

The January swim training program was well attended. Thanks to drivers, coaches and swimming pool liaisons that made this possible.

Another highlight of the summer was the Manly / Freshwater interstate trip. Well done to the participants and thank you to the support crew that gave up some of their holidays (and honeymoon) to run this epic adventure.

I would also like to make note of the tireless efforts by our club officials and administrators that enable our orange competition caps to continue racing around the swim cans.

Haydn Tierney

### **Swim Competitor of the Year – Samantha Howe**

Sam Howe was awarded Point Leo Swim Competitor of the Year for her achievements in and dedication to surf swimming. Sam had significant success at the State and National level in her first season as a pool lifesaving competitor. Her success has been inspirational for the younger team members. Sam's inclusion in the Victorian State Pool Team is testament to her strength as a swimmer. At the Victorian State Championships Sam won gold in the U15 Tube Race and silver in the U15 women's Iron and Surf Races.

## **Beach Section Report**

### **Beach Competitor of the Year - Claudia Whitfort**

Claudia had a very successful 2014 surf life saving competition season. Her commitment, degree of competence and level of achievement in the sport is at a very high standard. This was recognised by LSV with her inclusion in the Victorian State Team that competed in Sydney. At the Victorian State Championships Claudia won gold in the Beach Sprint and 2km Beach Race and silver in the Beach Flags and Individual Board race. Claudia is an exciting and very talented athlete with great potential.

## **R & R Section Report**

Last season, Point Leo had the R & R section brought back to life in the Nippers program. There was much thought and discussion about re-introducing R & R late in 2013. As a team event there is a commitment level involving others that is different to individual events. To build Point Leo back into a strong R & R club I decided to begin with two person teams in the Junior program in the hope of developing a love of the event and also giving back to the event that has given so much to me. I hoped to develop an enthusiasm for R & R, an essential lifesaving skill, to build on friendships and recognise the importance of team support; an integral part of our patrol activities as surf lifesavers. If two person teams were successful then perhaps five person teams could be developed in the future.

R & R Team of the Year  
Patient Hailey Reid and Rescuer Abby

An initial presentation at the first day of Nippers resulted with a number of Nippers coming to a more detailed discussion about what was involved; there were potentially more teams than expected which left us with the problem of how we were going to deal with such revived interest. With further discussion and the identification of two person team skills, some of those who were interested and expecting to be involved in five person teams resulted in two committed 2 Person R & R teams. Alexandra Macaulay and India Francis in Under 12 and Hailey Reid and Abby Allsopp in Under 13.

Both teams came together and received consistent and amazing results all season. We were lucky enough to receive one 1st place and one 2nd place at the first carnival the teams attended. This outstanding effort was

followed up with both teams getting 1st place at the second carnival, these results were constant all season and gave us a fighting chance to do very well at State Titles.

All four girls are to be congratulated for their hard work during the season. This involved weekly training sessions at Point Leo, at Frankston during the week after school and sessions with invited specialist coaches wherever it was convenient! Thank you to the parents who were willing to meet these training commitments. Our efforts paid off with each team receiving Gold Medals at the Warrnambool State Titles. The Under 12 team broke the 2 person R & R lowest score with a score of 2. The Under 13s also won R & R Team of the Year due to their consistent efforts all season. Overall this past season has achieved some great results and we look forward to continuing our success next season.

Hannah Carboon  
R & R Coach

**Editors note:** Congratulations must also go to Hannah Carboon who was named R & R Coach of the Year in recognition of her outstanding success as coach of these two teams and her efforts to revive R & R at Point Leo.

## Surf Boat Section Report

Unfortunately this season we did not have any boat crews competing for Point Leo. We again had difficulty finding a sweep. We are looking for potential sweeps, rowers (even if you have never rowed before) and people with surf experience interested in learning to become a sweep.

I look forward to hopefully an exciting season in 2014/2015 rowing for Point Leo and building the Point Leo Boat Section.

Natalie Johnstone  
Surf Boat Captain

## Masters

The Masters State Titles was blessed with good weather and a small but respectable swell. Twenty Point Leo members registered to compete; 14 men and 6 women. A ring around earlier in the season to all adults who held a Bronze Medallion, as well as the 'kooks on boards' and 'chicken swim' sessions, enticed some new comers and the team was considerably bigger than 2013.

Unfortunately, as one would expect with this delicate age group, there were some injury issues. In particular Jon Ford could not contest his State Title as ironman due to a back injury. Our secret weapon in the women's team, Tara Doherty, could also not compete due to a similar problem.

Masters competitors Lorne 2014  
Jane Starr, Michelle Ford, Vicki Hood and Dana Sawyer

Jon, although devastated at his inability to compete, was able to coach the team and offer some last minute advice with respect to wave conditions and race tactics. The competition was a lot of fun and quite laid back. The sportsmanship was excellent and there were a lot of laughs as the oldies strut their stuff. The program mimics senior carnivals with the 2km beach run the first event followed by sprints, beach flags then water events.

The Point Leo Men's team won 8 Gold, 3 Silver and 6 Bronze. The Point Leo women's team struck up an impressive medal tally with 1 gold, 3 silver and 3 bronze. Details of these are listed on pages 48 and 49.

150+ Surf Race Silver Medallists  
Scarborough 2014  
Ian Knight, David Russell and Frank Christian

Four of our Masters travelled to Scarborough to compete in the Masters Australian Championships; Ian Knight, Andrew Gibson, David “Jack” Russell and Frank Christian. All four competed well. Andrew Gibson made a final competing in his first ever National Titles. David “Jack” Russell won a Gold medal in the 50 – 54 yrs Tube Race and a Silver medal as part of the 150+ yrs Surf Team along with team mates Frank Christian and Ian Knight and Frank Christian achieved a Bronze medal in the 55 – 59 yrs Surf Race.

The Masters team is up and running and everyone who participated last year will be back again in Lorne 2015. We need more swimmers, runners and paddlers and cordially invite new masters into the fold! In order to compete in Masters you must have a SLSA Bronze Medallion award plus complete the prerequisite 16 patrol hours.

If you are interested in competing in Masters for Point Leo please ring Andrew Gibson 0407332264.

Andrew Gibson  
Masters Co-ordinator

## Competition Coaching Program

This year the committee and coaching panel decided that a Head Coach position should be created. After much discussion about internal and external options I am honoured to have been selected for the role. On the back of consultation with ironman legend Phil Clayton and the Kurrawa SLSC coaching model the coaching panel has developed a comprehensive plan for the coming season including:

- Refinement of our club competition goals.
- Concerted effort to “reboot” R & R, IRB, Surf Boats, Lifesaving and Pool competition.
- More regular testing (e.g. time trials/fitness), documentation and feedback to athletes.
- Expanding of the coaching section with a focus on new young coaches and all competition sections.
- Targeting specific team events at 2015 and 2016 Aussies where there is a realistic chance of a medal.
- A recruitment drive particularly targeting swimmers and runners.
- Expansion of the Athlete Mentoring Program.
- Complete reworking and session by session planning of our training program.
- Greater conversion of Bronzies into ongoing club activity participation.
- A range of Board and Ski initiatives (see section report).
- An expanded social program throughout winter for all athletes U14 and up.
- Introduction of the “Leo Legends Cup”; a monthly award and perpetual trophy for the best trainer of the month.

Some fantastic developments relating to these plans include:

- Lucy Welsh and Bella Ford being nominated and accepting the role of Board and Ski Vice Captains.
- IRB training commencing with the highly accomplished Rob Andronaco as the coach backed up by Matt Bunting-Frame. Many younger members are already on a waiting list to do their crew award and get involved.
- Hannah Carboon committing to further developing R & R after a stellar performance from her and her athletes (right) at the 2014 Junior State Titles.
- A number of new swimmers committing to the club once getting their Bronze.
- Iris Cassell, Zach Richter and Tony Carr taking on the running of the Pool competition with many athletes expressing a strong interest to participate in 2014.

Hailey Reid and Abby Allsopp

- An enthusiastic reception, particularly by members whose focus is patrolling, on the Lifesaver Events. Stay tuned for more information on this from your Patrol Captains.

One of the club highlights is always the “Leo Gold”. Based on the famous Coolangatta Gold (and being only a fraction shorter) Point Leo athletes on 15 January toiled to the Camo Pole and back (ski), ran to 2<sup>nd</sup> reef and then to the powered camping site, swam around cans to the pier at Crunchies and then boarded home. The race was handicapped and had perfect conditions for the second year running. Congratulations to Zach Richter for winning this annual event.

In terms of season 2013/2014 the extent of our results can be seen in the section leader reports. Point Leo came 6<sup>th</sup> in State Titles this year (1 point behind Torquay). We are optimistic that we can significantly improve on this in 2014/2015. A substantial result in the Lifesaver Events in February will be essential to improving our overall State ranking.

Outstanding results for last season include Claudia Whitfort, Lachlan Robinson and Kate Cassell-Ashton being selected in the State team, Jack Russell’s individual gold medal at Aussies as well as teaming with Frank Christian and Ian Knight for silver in the 150+ years Surf Teams and Bella Ford’s final appearance at Aussies in U19 individual ski. Finally we had 11 athletes selected in the State High Performance Squad. Chris Porter (Victorian Head Coach) and a range of other elite coaches will be mentoring and benchmarking these athletes in the lead up to season 2014/2015; a great opportunity!

If you have any comments or questions about the competition training program please contact me on [jonf3@me.com](mailto:jonf3@me.com).

Looking forward to a great year of competition in 2014/2015!

Jon Ford  
Head Coach

## Junior Surf Lifesaving Program

The 2013/2014 season has proved to be another successful season for the Point Leo Junior Surf Lifesaving Program (JSLP). Participants both competitive and non-competitive have been engaged in a quality Life Saving Program. The balance between fun and sending the right message about safety around the water has been maintained. The Surf Rescue Certificate Camp in December was at its highest participant level ever. This has been very successful in ensuring that our cadets and older Nipper members continue to support the club in many other capacities. It is also fantastic to observe the friendships that have developed from the Nipper program. The importance of such relationships cannot be underestimated.

### Point Leo JSLP Numbers

As the program relies totally on volunteers - and with a record 469 children participating this year – I have been thrilled with the awesome support from our Nipper families. We simply cannot run the program without water safety, IRB crews, activity leaders, age group managers, competition managers, administrative support and the group of helpers who clean, cook sausages and provide help in so many ways. A feature of this year’s program has been the enthusiasm, the commitment and the selfless work done by so many. In order to continue to provide a safe and high quality coaching program we need to focus on the ongoing requirements of recruiting and training new IRB drivers, bronze qualified parents and motivated activity leaders.

In particular this year, I would like to thank the Activity Leaders. Our Nippers benefitted from high quality and consistent coaching in beach sprints, surf swimming, board and beach flags. I must acknowledge the role of our club seniors, many of whom took on Assistant Activity Leader roles and shared not only their skills, but also played an important mentoring role.

The support provided by water safety this year was exceptional. Many of our Nipper parents were awarded their Bronze Medallion during 2013, and along with our existing “Bronzies” did a fantastic job of keeping our children safe in the ocean, and also provided encouragement and reassurance to so

many. Our newly qualified SRCs were also amazing, and their care and patience with the children was awesome.

Of course the program couldn't run without the Age Managers and Assistant Age Managers. Some age groups had up to 35 children – all of whom had to be encouraged and nurtured over the three week program. You have all done a magnificent job.

Nippers – January 2014

I would like to express my gratitude to Kim Williams for her mentoring throughout the program. Thanks to Di Summers for coordinating and leading the SRC camp. Thanks also to the very enthusiastic water safety people this year. Andrew Welsh, winner of our new award, Nipper Parent of the Year, deserves a huge thank you for his ongoing commitment to our club. Well done David Austin and Cath McCraith for ensuring that the competition side of Nippers ran smoothly. A special thanks to Iris Cassell and D'Arne Longwill for their multiple hours of data entry for all awards and competitions. Dana Sawyer delivered a high quality and engaging array of activity leaders to run our sessions, for which we thank her.

### **Water Safety Coordinator**

Andrew O'Hara has done an awesome job over the past year. He has had to make the hard decision on occasions to restrict areas on the water and to be mindful of member's safety during a highly scrutinised time.

### **Pre-Season Assessment**

This year the Preliminary Skills Evaluations were managed pre-season which enabled a large contingent of Nippers to be processed through Surfguard. This ensured that the Competition Skills Evaluations could be achieved and processed in time for the first competition which was in early January.

### **IRB**

More IRB training has taken place over the past months. Many thanks to the team involved with co-ordinating and providing this essential service.

### **Surf Education**

A big thank you to Romy Lipszyc for entertaining the Nippers with her 'gory' make-up work for first aid scenarios. I know that Wilga Kottek also stepped in to share her expertise. Thanks to everyone involved in this integral part of the program. Cath McCraith also helped out extensively with Surf Ed for which we are extremely grateful.

### **Social**

Always a feature of our program are our two social events, Cubs Family Night and Lions Family Night, kindly organised by Penny Ward-Ambler. Our Lions event was sponsored by the Balnarring and District Community Bank this year, which not only donated the food for the event, but provided a team of their staff to cook dinner for us (right). We are very grateful for their support.

### **Club Carnival**

The Nipper Program wound up on Sunday 19th January with the Point Leo Carnival Day. As always, it was great fun with mixed and mixed-up teams and some special pennants awarded. It was pleasing to hear many very excited children as they received a pennant, many for the first time. A big thank you must go to the Age Managers who did a fabulous job of organising the scoring!!! The Age Managers must be further congratulated for their commitment not only to organising their own group, but also ensuring that the wellbeing of each child is maintained. I had the privilege of receiving many positive comments from parents about the Age Managers and Activity Leaders, in particular how individuals demonstrated care for their child's safety.

### **Junior Club Championships**

We introduced these championships back into the calendar this year in order to recognise the fantastic talent across all age groups at Point Leo. Medals (gold, silver and bronze) were presented and recognition awards given for each group. Points were allocated for each event competed in on the day and attendance records were also taken into account from the entire season.

### **Junior Club Captains**

This year's Junior Club Captains, Callum Welsh, Paige Ross, Sebastian Francis and Bridget Barnes did a fabulous job. They were great role models for the younger Nippers. Thank you for the considerable effort of leading the morning jog as well as water safety. You were all great.

### **The Nippers**

Congratulations to all the Nippers. This season saw predominantly friendly water and weather conditions. This enabled Activity Leaders and Age Managers to maximise the activity time. Many children managed to conquer personal inhibitions about the sea as well as develop crucial skills. The energy and 'buzz' on the beach was fantastic! Well done to all of you.

I know that there are many people who 'put-in' to the Club and spend many hours organising and ensuring that everything runs smoothly. To the coaches, uniform shop gurus, BBQ supporters, cleaners, patrol personnel and people that I may have missed, THANK YOU, and I hope you continue to be part of a very special team next season.

### **Junior Competition Team**

Whilst the focus of Point Leo Nippers is participation, all Nippers enrolled in the Junior Surf Lifesaving Program (JSLP) are also given the opportunity to compete for Point Leo at Junior Carnivals. Juniors interested in competition are encouraged to become part of the Point Leo Competition Team, irrespective of their abilities. This season in excess of 130 Point Leo Nippers registered and competed, making our junior competition team a force to be reckoned with.

There are many potential reasons for such a large competition group, including:

- The inclusive and supportive nature of the JSLP program.
- Exceptional encouragement and support from a large group of dedicated Age Managers.
- Excellent professional coaching provided by experienced club members.
- Tireless support from a committed and engaged Nipper parent group.

Every Junior wishing to compete in water events at carnivals must meet the Junior Competition Skills Evaluation requirement (previously S-badge). Accordingly, the first few Nipper sessions are always chaotic as there is limited time for their proficiency to be assessed and details processed before our first carnival. The pre-season assessment session enabled a large number of Juniors to pass their Junior Competition Skills Evaluation ready for the Cosy Corner carnival in early January. This was a great success as it eased the workload once the JSLP commenced. Thanks to Andrew Welsh, Dana Sawyer, Andrew O'Hara and Di Summers for organizing this and thanks to the large contingent of water safety personnel who ensured the safety of our Juniors. The collation and data entry workload associated with Junior Competition Skills Evaluations is enormous and the work done by D'Arne Longwill in diligently completing this must be acknowledged.

In total, Point Leo Nippers had the opportunity to compete in 5 carnivals including the Regional Qualifying Carnival and the State Championships at Warrnambool. In addition, under 13s and 14s were able to compete at the Point Leo Senior Carnival in February.

Our first competition carnival for the year was “Cosy Corner” in Torquay. Always a popular carnival, Point Leo had 129 competitors. The day was beautiful with perfect conditions. All the large west coast clubs competed at Cosy Corner including Torquay, Jan Juc, Anglesea and Lorne and I am very proud that Point Leo came in second overall.

Point Leo hosted the Regional Qualifying Carnival on 1<sup>st</sup> February. As the host club, a large number of club volunteers were required to help organise and run the carnival. This carnival ran seamlessly and it was a credit to the many club members who assisted on the day. Over 130 Point Leo Nippers competed in excellent conditions. Terrific results were achieved with all Nippers relishing the opportunity to compete in team events and qualify teams for the State Titles. Most age groups qualified two or more teams for each event.

On Sunday 2 February, our U13 and U14 Nippers had the opportunity to compete in the Senior carnival held at Point Leo. It was

a spectacular event, with hundreds of surf boats, surf skis, boards and swimmers taking to the water at any one time. It gave our Nippers a chance not only to experience the brilliant atmosphere, but compete against Nippers from the other big clubs in a quite different environment.

The next carnival on the program was held at Jan Juc on Saturday 8 February. Our competition team attended in good numbers and performed well with outstanding individual and team results across all age groups.

The Torquay carnival on 22<sup>nd</sup> February introduced an experimental staggered start time formula, with Cubs starting early and Lions later. For families with nippers in both groups, it proved to be a very long day. The tough conditions, both in and out of the water, highlighted the dedication and passion for surf life saving held by both the Nippers and their fabulous parents.

A team of approximately 110 enthusiastic Point Leo competitors descended on Warrnambool for the State titles in mid-March. After navigating the seaweed, which had blown in overnight, the individual events were conducted on the Saturday after a delayed start. A number of outstanding individual results were recorded with Point Leo competitors medaling in all age groups. On Sunday our competition teams competed bravely and skillfully with many teams medaling. At carnivals end, our point score was sufficient to secure fourth place overall at the State Titles. Congratulations to all our Competition Team members on achieving such a fantastic result.

Lily Townsend  
Jan Juc Nipper carnival  
February 2014

Congratulations must also be passed on to Hannah Carboon, who was named R & R Coach of the Year. Hannah coached two teams, Under 12 and Under 13, to win gold medals at States. The Under 13 R & R Team, comprised of Abby Allsopp and Hailey Reid also won R & R Team of the Year.

Of course we couldn't compete at carnivals if we didn't provide officials and an amazing fifty-five Nipper parents turned up to the official's course held at Point Leo. I would encourage those of you who haven't yet done so, to complete the required paperwork and qualify as an official.

The large number of Nippers competing for Point Leo presents many challenges that need to be addressed. A major issue is our requirement to provide sufficient water safety personnel and

equipment to cover our carnival obligations. The contribution that parents and club members make to fulfill these obligations is invaluable and their efforts deserve special recognition. However, we need more Nipper parents who have their Bronze to train as IRB crew or drivers as we have a critical shortage of suitably qualified parents.

A feature of the 2013/2014 Junior Carnival Program was the high ratio of carnivals held at open beaches (especially West Coast beaches). It is expected that this trend will continue as water quality issues at bay beaches make the scheduling of carnivals at these venues a risky proposition. The challenge for us is to equip our competitors with the right level of skill and knowledge to compete confidently in open beach conditions. The continued evolution and expansion of the coaching program and the development of specialised coaches will dramatically improve the confidence and competence of all Nippers in surf conditions.

The involvement and support of Nipper parents is crucial to the success of Point Leo Nippers. The commitment of the IRB crews throughout training and competition needs to be acknowledged, particularly the efforts of Blane Paton and Chuck Warner. Particular mention should be made of the outstanding work done by David Austin in managing the competition team in a thoroughly professional manner. His organisational skills and attention to detail ensured the smooth running of the competition program. The support provided by Andrew Welsh, Iris Cassell and Dianne Summers should also be acknowledged. Finally a big thank-you to all the parents and club members who assisted with the myriad jobs associated with completing another successful season.

Tara Doherty  
JSLP Co-ordinator

## Cadets

The development of the Cadet Program has been continuing throughout the season, although a little slower than we would have liked. We have had a mixed response to retention of this age group as the competition from other interests in this age group is significant. As a Cadet section we are trying to find ways that make it more inclusive for all members and within all areas of the club.

The Mentoring program has been successful within the competition area as this provided regular contact for our cadets with other members through training and competition. This saw an increase in the number of cadets training and competing throughout the season.

We held a successful Op-shop function where the cadets were ferried in the club bus to various op-shops to purchase their outfits for the evening. All who attended enjoyed the night.

We look forward to growing the cadet program in the coming seasons and encourage anyone who is interested in participating to contact the committee.

Jane Wilkins  
Cadet Co-ordinator

## Gear Steward

The club maintains a vast inventory of essential lifesaving equipment that enables us to fulfil our water safety and patrol obligations. This includes regularly used equipment such as rescue boards and tubes but also less obvious equipment such as defibrillators and radios. This equipment must be maintained in a constant state of readiness and accordingly must pass a yearly gear inspection where their function and suitability for purpose is assessed. In addition, this equipment is further assessed as part of random patrol inspections throughout the season. The amount of work required to pass

Cadet Op-Shop shopping trip

gear inspection each season is enormous. Preparation for gear inspection requires many hours of repairing, replacing or upgrading equipment as dictated by LSV guidelines. The considerable amount of work undertaken by Blane Paton, Matt Bunting-Frame and Andrew Gibson in preparing our equipment for inspection needs to be acknowledged.

A large proportion of the club's activity revolves around competition and training. Accordingly, a wide range of lifesaving craft is maintained for Nipper and Senior competition. Each season our board stocks are assessed with older boards culled and new boards ordered. Considerable time is also spent during the season repairing damaged boards. Continual expansion and evolution of our Senior Competition Team has also placed greater demand on cadet board stocks and consequently board storage. Improved board storage and continual replenishment of board stocks will continue to be the primary focus over the next few years.

During the season we took delivery of our new Junior trailer. The trailer (right) was built to our specifications by Advanced Trailers in Hastings and was made possible through the generous financial support of club members and sponsors. This trailer is specifically designed to carry all our equipment securely to Junior carnivals and is a considerable improvement on the old Junior trailer.

Thanks to all the club members who have helped with various roles this season including board repair, gear transport and promoting responsible usage of club equipment.

Andrew Welsh  
Gear Steward

## Clubhouse Report

Some good work has been done around the Club again this season.

- Last year's big story was the asbestos (cement sheet fragments) found in the sand in front of the clubhouse. The asbestos was removed by a contractor paid for by the Point Leo Foreshore Committee and the area was covered by crushed rock and clay. It was ultimately determined that the cement sheet had come in decades ago with loads of gravel put down to make a track to the beach. We have planted grass over the site and hope to establish a nice extension to the lawn in front of the Clubhouse.
- We employed a professional painter to use the 200 litres of Weathershield paint donated by Dulux. This was the yellow (Wheat) colour and did about half the downstairs outside render and brick. Dulux have promised 250 litres more to finish the job.
- A new double fridge was bought for the kitchenette. Thanks to Haydn Tierney for procuring a good deal on this.
- The equipment room was given a major revamp before the season, with extended board racks, installation of a flammable storage cabinet (acquired courtesy of Richard Ellis) and relocation of reels and oars.
- The IRB room had a major overhaul with a new vice, cupboards, bench and shelving and three new trolleys. The trolleys have greatly reduced manual handling of motors, thereby reducing injuries.
- IRB and equipment room improvements made the whole storage area much roomier and more efficient through the busy times.
- The Building Sub-Committee was re-established to look at the long-term needs of the club facilities. This work will continue into next season.
- The Club has applied for a \$60,000 VESEP grant to refurbish the toilets and change-rooms. Many thanks to Simon Merrigan for his quick and elegant production of plans for this upgrade.

Below is a list of some of the other jobs we completed:

Replace hinges patrol room outer door	Repair loose door hinge
Replace both sliding door tracks	Move oar racks
Ext lead kitchenette fridge	Replace corflute on hurdles
Repair leak in flat sink	Replace torn shade sail
Repaint grey floors	Hang wheelchair
Paint stair treads	Electrical repair HWS
Plaster repairs inside tower	Plumbing repair HWS
Remove defaced signs bunkrooms	Repair pedestrian door to complex
Lid for BBQ	Improve upstairs furniture
Plant grass at front	Replace door HWS
Relocate reel shelf	Repair doors M & F Bunkroom
Re-clad tower sloping wall	Replace boards IRB tank
Loose boards base of tower	Manufacture IRB motor hook
Caulk weatherboards on tower	Door closer equipment room

Andrew Gibson  
Clubhouse Administrator

## Point Leo Swim Classic

The 2013 Flinders Hotel Point Leo Swim Classic was a fantastic success! Boasting another year of increased numbers since the inclusion of our swim in the Great Victorian Swim Series, all members should be very proud of our achievements in providing one of the most prestigious open water events in the State. The 2013 Boxing Day event also proved to be another profitable fundraiser for the club. The event was also a great club day with a lot of atmosphere for its members. It is an event that involves all club members and the success of the day depends on the input of all of us at Point Leo; we should be very proud of the sustained efforts we have put forth over the years to make the Point Leo Swim Classic what it is today.

The day featured the 1200m Flinders Hotel Point Leo Swim Classic as the prime event supported by the 400m Nipper and Novice Swims and the 4km Honeysuckle Beach Run. Again, we were very lucky to have our event included in the Cousins Tours and Travel Great Victorian Swim Series; our event being the first of seven events around Victoria. As part of the GVSS and supported by Swimming Victoria, the Balnarring and District Community Bank 5km Challenge was another successful initiative that attracted almost 70 swimmers.

This year we had excellent weather and the whole day proceeded accordingly. The 5km Challenge opened proceedings; the event went smoothly with Sam Sheppard taking the honours. All swimmers who started finished the race within the 2 hour cut off time.

Swimming Victoria officials who were in attendance at Point Leo on the day were very complimentary about the way the 5km swim was conducted and were very keen to have the event on the SV calendar in the future.

The rest of the day went exceptionally well and overall there were a number of highlights:

- record number of entries in each event (around 450!).
- the Golden Breed t-shirts were beautifully designed and proved to be very popular.
- all events started on time and the whole day was wrapped up by around 3pm.

A number of club members have to be thanked for the success of the day, in particular the members of the organising committee and the event section leaders; Andrew Gibson, John Horwood, Haydn Tierney, Andrew Welsh, Stacey and Mark Lethlean. A special thank you must be given to Kate Stern for stepping up at short notice to run a very smooth registration tent! There are literally too many names to mention all those who helped out and their support on the day was very much appreciated by all involved with Point Leo SLSC.

The involvement of our active members in carrying out water safety and patrolling duties on the day is critical to the day's success and many thanks to all involved in those arduous tasks. Without them the event would not happen and unfortunately their efforts are often overlooked. Not this time!

Also many thanks to our sponsors and supporters on the day – Flinders Hotel, Balnarring and District Community Bank, Eastcoast Swimming Pools, 2XU, Paton Estate Agents, Engine, Golden Breed, Point Leo Foreshore Committee, Cousins Tours and Travel and Swimming Victoria.

Lachlan Pearce  
Swim Co-ordinator

## **Gary Tierney Foundation**

Now in its fourth year, the Gary Tierney Foundation had another very successful year. With the generous support of the Club and its members the Foundation's financial base is stronger, it has supported outstanding young Club members and it has been the focal point for some great Club get-togethers.

### **Events and Fundraising Activities**

Fun and fundraising came together in two major events during the year.

First, an extremely enjoyable Cocktail Function Fundraiser was held on the evening of Friday 25 October 2013. This year our venue was the offices of K & L Gates Lawyers on the 25<sup>th</sup> Floor of the Rialto Building. Our sunset scene took in a spectacular vista of the city and bay and as far east as the Dandenong Ranges. We had an outstanding evening which celebrated the memory of Gary Tierney and also the achievements and potential of our Foundation Fellows and young Club members. Three of our four Foundation Fellows were present for the night. Lachlan Pearce (2011), Tom McFarlane (2012) and Rose Anderson (2013) spoke about their personal and lifesaving aspirations and what the Foundation Fellowship grant had meant to them.

Louise Tierney spoke about the objectives of the Foundation following which we heard from our special guest speaker, Michael Martin, AM, immediate past President of Life Saving Victoria (and a former Point Leo member). Mike's significant contribution to the Surf Life Saving movement was recognised with his admission as a Member of the Order of Australia in the Queen's Birthday honours this year. In his presentation, Mike gave us some unique insights into surf, sports and youth.

During the course of the evening a number of generous donations were made and an auction was held for a catered yacht cruise (courtesy of Ian and Gail Pearce). Following some extremely spirited bidding the cruise was knocked down by our auctioneer, Blane Paton, for well over \$1,000. A great result.

Many people helped put the night together, but special thanks go to Evie Wilkins, Morgan Jones, Michael Treadwell, Simone Garner and Dayna Laurence (great front of house work), Eddie and Cameron Kidd at Rathdowne Cellars, and Andrew Mansour and his firm, K & L Gates Lawyers, for the outstanding venue. In total, the evening raised approximately \$12,700. A great outcome and a tribute to the generosity and hard work of our members and supporters.

The second big event was on Saturday 30 November, for our inaugural Fun Walk held at Point Leo. After meeting at the clubhouse at 5pm our 100 or so walkers set off to our first point of call, the Horwood residence near the entry to the foreshore reserve. The concept was pretty simple: short walk, chat along the way, stop for a while for drinks and nibbles and more socialising, then repeat. The sun shone, the birds sang and the walkers and talkers enjoyed some outstanding wine and food as we wended our way around Point Leo. Following our further "rest and refreshment" breaks at the Tierney and Merrigan homes, the travelers finished back at the Clubhouse for a relaxing dinner.

Our resourceful organising committee had secured donations of some outstanding local and other wines, so after dinner, Mark Tierney conducted a hugely successful auction of a selection of the reserve stock.

Sincere thanks to our host families; Rhonda and John Horwood, Louise Tierney and family and Jessica and Simon Merrigan for allowing us into their homes and gardens and for all their prep work (and cleaning up after). And well done to the organising committee: Charlotte Coleman and her team including Alf Treadwell (the original ideas man), Max Jeffrey, Kim Aliotti, Lachlan Pearse and John Horwood. There is lots of enthusiasm to see this become a regular feature.

#### **2014 Gary Tierney Foundation Fellow: Jack Garner**

Club Captain and hirsute man-about-town, Jack Patrick Garner is the 2014 Foundation Fellow.

Jack has been volunteering his time to the Point Leo SLSC over many years. He has been a valued member of the Club and his goodwill has been influential. He genuinely cares for the Club and its members and its future, especially the future of the Club's youth. He is always jovial, positive and caring, and demonstrates integrity and good character in everything he does and every aspect of Club life.

2014 Gary Tierney Foundation Fellow  
Jack Garner (centre) with Louise, Haydn  
and Mark Tierney and Tamara Brawn

Jack has always held the welfare, enjoyment and development of Point Leo SLSC as his primary concern. He maintains his interest in pursuing a fruitful lifesaving career (as a committee member, club and cultural leader, and mentor for the Club's junior members). Jack has offered a vast amount of time over his years at the Club and we believe he has more to offer. Jack continues to look for innovations in Club operations, increasing member retention and youth development, and the overall enjoyment of every club member.

As a young member just concluding his university studies and embarking on a career, the Advisory Board considered that he would benefit from financial assistance to support his professional development and leadership skills within surf lifesaving. The Fellowship involves an annual payment of \$1,000 over three years which is intended to assist with lifesaving development costs.

Jack's Fellowship was announced at the Foundation Presentation Night on Saturday 4 January 2014 at the clubhouse.

#### **Financial Position**

With the generous support of Club members (past and present), the Club committee and the Tierney family, the Foundation is now secure and well on the way to achieving its target of \$200,000. This is the capital amount considered necessary for the Foundation to ensure that it can be self-sustaining for decades to come. As at the end of the Financial Year (30 April), the Foundation's balance stood at just over \$179,000. At the date of this report (24 July 2014) the figure had grown to some \$188,000.

The total of donations, fundraising events and a transfer from the Club came to approximately \$33,000 during the year. Interest on investments totaled just on \$14,750 and Fellowship Grants were \$2,000.

The Advisory Board has taken a conservative financial approach in these formative first four years of the Foundation as the capital of the Fund is built. The Board is now considering what other initiatives it can support consistent with its Charter.

#### **Annual Financial Statements and Governance**

The Gary Tierney Foundation Fund is a sub-fund of the general Gift Fund of the Point Leo Surf Lifesaving Club Incorporated. The Club has been endorsed by the Australian Taxation Office as a deductible gift recipient in respect of its general Gift Fund. The Foundation was established to support and raise funds for the Club consistent with its purposes and in particular to provide financial support to allow younger members of Point Leo SLSC to fulfil their potential in surf lifesaving.

As a sub-fund, the Foundation's finances are audited as part of the Club's Statutory Audit. A separate account is maintained to ensure that all amounts donated to the Foundation are quarantined and only used in accordance with the approved purposes as specified in the Foundation's Governance

Charter. The Foundation's Charter and Grant Policy were approved by the Club Committee in December 2010.

The Foundation's patron is Louise Tierney. Advisory Board Members during the year were:

- |                     |                                |
|---------------------|--------------------------------|
| • Richard Batchelor | • Tom Mollenkopf (Chairperson) |
| • John Horwood      | • Lachlan Pearce               |
| • Ian Knight        | • Haydn Tierney                |
| • Andrew Mansour    | • Simone Williams              |

The Board formally met on ten occasions during the financial year to 30 April 2014.

### Grants Policy

The Foundation has established a Grants Policy and it has published Guidelines for Nominations. These are available to all Club members.

The Board seeks nominations publicly, via the Club Committee, or it may nominate of its own motion following any consultation or enquiry it considers appropriate. For the 2014/2015 season, the Board expects to call for nominations in October and will announce the Awardee in January 2015.

Tom Mollenkopf  
Chairperson, Gary Tierney Foundation

## Point Leo SLSC Bobbas

The Bobbas, initially formed in 1968, are basically a group of former active members of the club who regularly get together, along with families, on a social basis, however remain committed to assisting the Point Leo SLSC in any way possible.

Over the past 12 months the Bobbas have again held three regular lunches at the Kooyong Lawn Tennis Club, these are always well attended and most enjoyable. The annual Bobbas and Partners "back to our roots" luncheon was held at the Point Leo clubhouse on the first Sunday after patrols finished.

Also, in line with the stated objective of assisting the club in any way possible, a number of Bobbas have been actively helping out at the club. For instance:

- At the Board and Ski camp held on the Gold Coast in October last year, Bobbas assisted in transporting equipment to and from Point Leo. During the course of the camp those attending the camp were spoken to by a few Bobbas who are now residing on the Gold Coast and Cairns. These Bobbas, led by John Jones, included two Olympians, one SLSA National Gold Medallist and one State Gold Medallist. A very impressive line-up and the discussions that took place were likewise most impressive.
- In order to assist Nipper parents during the busy month of January a number of Bobbas backed up two BBQ stalwarts in Dick Ellis and Max Jeffrey. This support crew was co-ordinated by Brian Horwood and the positive aspect of it all was that it exposed these older guys to the Nipper movement, an activity that was not in existence back when they were active members.
- Also during January, the Thursday night roast dinners, initially the brain child of Alf Treadwell, were held. These fundraising functions were organised and run by a number of Bobbas and partners. The roast nights have been going for around six years now and have raised around \$30,000 for club activities.
- Also several Bobbas are on the club committee, the Advisory Board of the Gary Tierney Foundation, still compete and still carry out patrols.

Nipper BBQ  
Life Patron Dick Ellis, Ian Ward-Ambler,  
John Silver and Peter Braithwaite

We are, however, conscious of the fact that a number of us are getting a little older, a little less active, and our plan is to institute a “youth policy” aimed at attracting “younger” older Point Leo members on board at the Bobbas. So don’t be backward in coming forward, if you would like to be involved contact John Horwood. It really is a great way to keep in touch with the activities of our great club, Point Leo SLSC.

John Horwood.  
Bobbas Convener

## **Honorary Life Members Reports**

### **Honorary Life Members**

During the course of the past twelve months it was discovered that four Leo members who had been awarded Honorary Life Membership back in 1996 had, through an oversight, not been presented with the official club Honorary Life Membership medallion. It was agreed that steps should be taken to rectify this situation.

The Life Members were Rob Woodhouse, now a resident of Scotland, Steve Morgenthaler, now residing in Sydney and Garry Rydberg and Andrew Barnes, both Melbourne based.

It was learnt that Rob would be visiting family in Portsea over the Xmas-New Year period and that likewise Steve would be in Melbourne to see family and friends over Xmas – and of course both Garry and Andrew would hopefully be at Point Leo on Boxing Day for the Swim Classic.

So a presentation was organised immediately to follow the completion of the Swim Classic. Rob and Steve committed to being there and of course as inevitably occurs, the two locals had other commitments.

The presentation proceeded with Rob and Steve. Ian Knight made the presentation noting that both Rob and Steve had been very much involved in competition, administration and management with Point Leo SLSC and of course Rob represented Australia in the 1984 Los Angeles Olympics winning Bronze in the 440 Individual Medley. Steve was part of the 6 Man R & R team that won Silver at the SLSA Nationals at Scarborough in 1991.

We are yet to catch up with Butch and Bernie. Hopefully we can do this at the 2014 Annual General Meeting.

### **Election of New Honorary Life Members**

Two well-known and very worthy members were admitted to Honorary Life Membership at the Club’s 2013 Annual General Meeting: Kim Williams and Andrew Gibson.

Kim Williams joined Point Leo SLSC committee in season 1998/1999 following an earlier involvement with her daughters in the Nippers. In that first year Kim joined the club committee in the role of Team Manager. In 1999/2000 she took on the role of club Registrar and in 2004/2005 Kim was appointed Treasurer.

Kim has continued in both roles and has overseen the club’s involvement in Surfguard, has helped set up and taken responsibility for the club’s website, has directly been involved in preparing and publishing the club’s annual report since 2006, weekly club emails, and also The Mine. Kim has also found time to assist with the running of Dude’s Bar, the uniform shop and the Boxing Day Swim Classic. Kim also attained her Bronze Medallion in 1998 and qualified as a Level 1 Surf Official in 2008.

Over the past 15 years Kim has been a major contributor on the club committee and a number of sub-committees such as Awards, Constitution Review and Nippers and has on the club’s behalf maintained a regular and steady relationship with LSV and SLSA.

Andrew Gibson gained his Bronze Medallion in December 1994 and commenced patrolling the beach at Point Leo in that season. He has patrolled every season since and in most years has clocked up between 60 and 80 hours on the beach. In 1999 Andrew took on the responsibility for beach patrols at Point Leo, introduced the "Point Leo Surf Rescue Team" concept and improved patrolling standards to the extent that the club finished 3<sup>rd</sup> in the LSV Patrol Competition in season 2003/2004.

In season 1998/1999 Andrew joined the club committee and has served as a general committee member, Vice Club Captain and in 2006/2007 he took on the role of Club Secretary, a position that he still maintains. Over the years Andrew has had a "hands on role" in a number of areas: Boxing Day Swim Classic co-ordination, maintenance and management of club assets, and qualified as a LSV carnival official attending many carnivals to ensure that the club's commitments are met.

In the past three years Andrew has intensified his involvement in surf life saving education, assisting with annual bronze camps, adult bronze squads, and with IRB training.

Club members attending the Annual General Meeting voted to approve both Kim and Andrew's nominations and all club members congratulate them on their election as club Honorary Life Members.

#### **Election of Life Patron – Richard Ellis**

At the 2013 Annual General Meeting, Richard (Dick) Ellis was appointed to the position of Life Patron. This appointment recognised Dick's exceptional services as an Honorary Life Member of the Point Leo SLSC.

Dick has had an outstanding involvement with the club. He, along with the late Alan Forster and the late John Marshall, was a co-founder of the club in 1955 and in those very early days he played a very big role ensuring that all new members to the club became qualified to gain their Bronze Medallion, thus enabling the club to formally patrol the beach at Point Leo.

Dick was the first Club Captain and was involved in everything that happened at the club – competition, patrols, instruction, chauffeur to carnivals, administration and fund raising. He also played a huge role in the construction of the clubhouse at Point Leo. It was very much a "hands-on" job carried out primarily by club members and a few very helpful locals and Dick, because of his building background, took on the position of site supervisor and he carried it out very well.

He was also club delegate at State Centre (now LSV) and filled a number of other positions with the Board of Examiners and within State Centre. For a number of years Dick had to step back from his direct involvement with the club due to family and business matters; however he always maintained an interest in all things at Point Leo.

In more recent years Dick has become involved at the club with the Nippers, organising and running the BBQs that provide refreshments at each Nipper session. He is very much a familiar face around Point Leo SLSC and it is a complete surprise to most current members when they learn of his lengthy and prominent role in the formation of our club.

Richard's nomination for Life Patron was wholeheartedly endorsed by the club committee and by members at the 2013 Annual General Meeting.

John Horwood  
Honorary Life Membership Convenor

## Sponsors and Supporters

We continued to strengthen the sponsorship potential and build on relationships with existing sponsors of the Point Leo SLSC this season. It is pleasing that the Point Leo SLSC has built relationships with new and existing organisations and local businesses to form a strong sponsorship base. Our sponsors, supporters and donors have generously provided financial or other goods and services to support the local volunteer service and sporting endeavours of the Point Leo SLSC. In return, our premier Surf Club hopes to provide exposure to all our sponsors and further develop its relationships with our sponsors and the wider community.

Point Leo Surf Life Saving Club offers a range of sponsorship options and our Sponsorship Sub-committee are excited to work with potential sponsors to find a package that is most beneficial towards achieving their business objectives by providing optimum exposure and return for their sponsorship spend. Individual packages can be developed to suit the individual needs of businesses.

The Committee would again like to acknowledge the generous financial support of our major sponsor the Flinders Hotel. The hotel is the major sponsor of the Club - and continues to support the club with its major fundraising event the 'Flinders Hotel Point Leo Swim Classic'. This is the third year that Flinders Hotel has been our major sponsor and we look forward to their support again next season.

The Point Leo Surf Life Saving Club appreciates the support of the following sponsors, supporters and donors. We truly value your support and hope to give in return as much exposure to your business as we can. The Committee encourages Point Leo members to support the following companies:

### Sponsors

Flinders Hotel (Major Sponsor)  
Balnarring and District Community Bank – Bendigo Bank  
Eastcoast Swimming Pools  
Paton Estate Agents Ltd.

### Supporters and Donors

Robinson Family (Robinson's  
Unloading)  
Scoffern Family  
Senior/Skinner Family  
Ward-Ambler Family

## President's Awards

Three President's Awards are presented annually, one Junior, one Senior and the Dick Catterick Award (in honour of our clubhouse caretaker from the 70s and 80s). They are the highest annual awards that the Club can bestow on one of its members. The trophies are awarded on the basis of the acceptance of the duties of a member and the provision of leadership in the Club and Life Saving Victoria activities, competitive performance, fostering of team spirit and personal conduct and demeanour.

### President's Award (Senior) – Andrew Gibson

***This award recognises a member who has made an outstanding contribution to the Point Leo SLSC and has demonstrated leadership in one or more Club and Lifesaving Victoria activities, competitive performance, fostering of team spirit and personal conduct.***

It is with great pleasure I award the President's Award for season 2013/2014 to Andrew Gibson.

Andrew has undertaken a phenomenal amount of work across all four pillars of life saving. No task is too big or too small for Andrew, and more often than not he doesn't wait to be asked, he just rolls up the sleeves and gets into it.

While it is impossible to list them all, here is a synopsis of Andrew's recent roles and responsibilities:

- Patrol Co-Captain.
- Completed 75.5 hours of patrols this season.
- Club Secretary.
- Liaison with the Disabled Surfing program held at Point Leo.
- Ran the Adult Bronze training and played a significant role in the IRB training.
- Competed at Masters State and National Titles, including making a final at his first ever National Titles.
- Club Mr Fix-It and Mr Clean-it.
- Liaison with the Ranger and the Foreshore Committee.
- IRB support for the inaugural ski paddle to Phillip Island and back, as well as support for the competition team including driving the bus and the trailer to training and carnivals.
- Lifesaving support and training for a range of schools and community groups.
- Provided Point Leo, LSV and water safety updates on local radio.

Andrew commits countless hours to the club in all his roles and he is often the first to arrive and the last to leave. Please join me in congratulating Andrew Gibson on his contribution and achievements over this last season, as well as the many years before this that was recognised last year with Life Membership of the club.

### **President's Award (Junior) – Hannah Carboon**

***This award recognises a Junior member (U15 – U19) who has made an outstanding contribution to the Point Leo SLSC and has demonstrated leadership in one or more Club and Lifesaving Victoria activities, competitive performance, fostering of team spirit and personal conduct and demeanour.***

The club prides itself on developing members and we are particularly focused on supporting young members who show a commitment to Life Saving and potential for leadership.

As a member of a successful R & R team in previous seasons Hannah undertook the task of recruiting and coaching junior teams. She showed particular maturity by giving a speech about R & R and her plans for junior teams to the large group of Nippers and parents on the first day of the Junior Surf Lifesaving Program.

- Patrol Duties (33 hours this season).
- Awarded R & R Coach of the Year at the Junior State Titles.
- Her Junior teams each won a gold medal at State Titles in the U12 and U13 events.
- Supported Age Managers and Activity Leaders during the Junior Surf Lifesaving Program.
- General assistant and helper for the Junior Surf Lifesaving Program.

Hannah is self-motivated and obviously feels a commitment to the club and the sport, which is commendable for someone her age. The leadership she has shown this season should be an example to us all, young or old. She is a pleasure to interact with and parents have told me how they trust her to coach their children in not just skills but also in the example that she sets for the younger members with her attitude.

I am very happy to recognise Hannah with this award and look forward to her continuing to develop as a person and a coach/athlete.

### **Dick Catterick Award – (Best Club Member) – John Horwood**

***This award recognises a member who has made an outstanding all round contribution during the season. Presented in memory of the late Dick Catterick who was the Clubhouse caretaker/supervisor in the 1970s and 1980s.***

While thinking through the potential candidates for the Dick Catterick Award I researched previous winners, and was surprised to find that John Horwood had never received this accolade. As all of you will know, John lives and breathes the Leo lion and probably has orange blood!

Over the years John has held a range of roles and responsibilities, including Secretary and President, for which he has been recognised as a Life Member. John is particularly committed to giving young members development opportunities and I am proud to list myself amongst the group of people who are better adults for having received mentoring from John.

A small selection of the contribution John has made this season include:

- Assist in running the Club bar.
- Club Historian.
- Vice-President.
- Gary Tierney Foundation board member.
- Set up, running and pack up (including cleaning) for the Junior Surf Lifesaving Program, bronze camp, carnivals, Boxing Day Swim Classic, Roast Nights and community events.
- Support crew on competition days including States and Aussies (holding towels, boards, jumpers, cheer squad).
- 60<sup>th</sup> anniversary planning sub-committee.

- Club representative on the Foreshore Committee.
- Countless other day to day functions the Club requires.

I would like to congratulate and thank John for his outstanding efforts this season as well as all the work he has done over the years. While it may have been a long time coming, I am honoured to award John Horwood with the Dick Catterick Award for Best Club Member.

Tamara Brawn  
President

## Surf Sports Awards

The Athlete of the Year Awards recognise the athletes who demonstrated sporting excellence in competition as well as contributed to the areas of sport within lifesaving. The award criteria include: significant performances from Life Saving sanctioned events only, representative teams, major competitions, and outstanding achievement during the current season.

### Male Athlete of the Year – Zachary Richter

Zach is an exciting and very capable athlete who is very competitive in swim, Ironman and ski events. This year he specialised in the Open Belt event and won gold in the State Championships. He also made the final of the Open Ironman event. Zach is developing a special interest in Pool Lifesaving; he won a gold medal and several silver medals at the 2013 Pool Lifesaving Championships. We look forward to Zach spear heading and competing in Pool Lifesaving events again this year and also the 2015 Surf Lifesaver events. The Open Surf Lifesaver event will suit Zach's strengths of surf swimming, first aid and lifesaving skills. Zach holds a gold medallion, is a patrol captain for Point Leo and is also a Lifeguard over January.

**Senior Female Athlete of the Year was not awarded due to the lack of Open competitors.**

### Junior Male Athlete of the Year – Lachlan Robinson

Lachlan is a high level athlete who has been dedicated to training throughout the season. He was rewarded for his hard work by being included in the Victorian State Team that competed in NSW. Lachlan was injured during the Victorian State Championships and Aussies and could not realise his full racing potential. He is however developing a special interest in ski and at Aussies narrowly missed qualifying for a highly competitive semi-final. His experience at Aussies in Scarborough this year has inspired him to set goals for Aussies 2015 and we look forward to watching Lachlan develop as an athlete in season 2015.

### Junior Female Athlete of the Year – Kate Cassell-Ashton

Kate is a dedicated and conscientious athlete who has had a fantastic and successful season in 2014. Her hard work paid off with her inclusion as a swimmer in the Victorian State Team that competed in Sydney. Kate won numerous swim pennants throughout the season and the year was capped off with a medal tally of 2 gold, 3 silver and 2 bronze at the Victorian State Championships. The highlight of the season was Kate winning gold in the U17 women's Iron event; a fantastic achievement and a great reward for Kate's hard work throughout season 2014. We look forward to Kate's continued commitment in season 2015.

### **Masters Athlete of the Year – David “Jack” Russell**

Club stalwart David “Jack” Russell joined Point Leo in 1979. David was unable to train last off-season due to a severe health issue which caused him to miss the Point Leo carnival. His first hit out was the State Masters at Lorne, where he won gold in the Tube Race and several other medals on the day. David then missed the Open States due to a virus, so his next competition was the National Masters in Scarborough where he made the final of the 50+ Tube race. David led the field early with his enormous speed off the mark and equalled the field to the cans where he took GOLD by the absolute slimmest margin. This is David's second Australian Gold medal, having taken out the same race as a 30 year old back in 1994 at Blacksmiths Beach in Newcastle. David then backed up the next day in the Point Leo 150+ Surf Team with Frank Christian and Ian Knight to take out a National Silver medal.

### **Team of the Year – 150+ years Surf Team – Frank Christian, Ian Knight and David Russell**

Worthy recipients of the Point Leo SLSC Team of the Year award was the Masters 150+yrs Surf Team, comprising Frank Christian (57), Ian Knight (53) and David Russell (50). At the National Master's Titles in Scarborough WA, these Point Leo legends won a silver medal in the 150+ Surf Teams, a gold medal in the 50 - 54yrs Tube Race (David), a bronze medal in the 55 - 59yrs Surf Race (Frank) and Ian placed 4<sup>th</sup> in the 50 - 54yrs Surf Race. At the State Masters in Lorne they won the 50 - 54yrs Tube Race Gold (David), 50- 54yrs Surf Race Gold (Ian), 55 - 59yrs Surf Race Gold (Frank) and 100+yrs Taplin Gold.

### **Vigilance and Service Awards**

The two awards for outstanding contribution to patrol at Point Leo SLSC are Junior Patroller of the Year and Senior Patroller of the Year. The two awards this year went to very deserving members

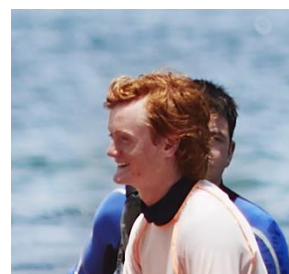

#### **Senior Patroller of the Year – Andrew Gibson**

This award for 2014 was made to Andrew Gibson. Andrew has been patrolling continuously at Point Leo for almost 20 years and has featured in the 'top ten' patrol hours for each of those years. He was a Patrol Captain for many years and returned to that role this year, leading the new Legends Patrol of 'mature Bronzies'. Andrew puts a huge amount of time in to all Club activities but his first commitment is to patrols and patrol equipment. One of Andrew's favourite ways to pass time is to stand knee-deep in the shore break engaging with the public and monitoring the water.

#### **Junior Patroller of the Year – Andrew Nott**

Andrew Nott was awarded Junior Patroller of the Year. He completed 70 hours of patrol and 24.5 hours of water safety. Andrew's commitment to the early mornings of Nipper water safety was amazing. On patrol, Andrew was always on time and helped set up the IRB and patrol gear. He stood out for the time he spent standing by the water with his tube or making a roving patrol to Second Reef or The Point. He was a volunteer at every Club activity and signed on many patrols over and above his roster.

## Awards

### Club Member

Point Leo SLSC Senior President's Award	Andrew Gibson
Point Leo SLSC Junior President's Award	Hannah Carboon
Dick Catterick Memorial Award Best Club Member	John Horwood
Club Captain's Award	Clayton McDonald

### Surf Sports Awards

Male Athlete of the Year	Zachary Richter
Junior Female Athlete of the Year	Kate Cassell-Ashton
Junior Male Athlete of the Year	Lachlan Robinson
Masters Athlete of the Year	David Russell
Swim Competitor of the Year	Samantha Howe
Board and Ski Competitor of the Year	Isabella Ford
Beach Competitor of the Year	Claudia Whitfort
Team of the Year	150+ yrs Surf Team – Ian Knight, David Russell & Frank Christian

### Vigilance and Service Awards

Senior Patroller of the Year	Andrew Gibson
Junior Patroller of the Year	Andrew Nott
Silver Patrol Hours Award 75 – 100 hours	Andrew Gibson
Bronze Patrol Hours Award 50 – 75 hours	Rose Anderson
	Kate Cassell-Ashton
	Tom Dimase
	Jack Garner
	Sarah Lillycrapp
	Malcolm Marcus
	Clayton McDonald
	Andrew Nott
	Lachlan Pearse
	Jan Piotrowski
	Trystan Precht
	Sophie Welsh

### Junior Awards

Jill McKellar Junior of the Year	Callum Welsh
Nipper Athlete of the Year – Female	Caitlin Robinson
Nipper Athlete of the Year – Male	Ky Morgenthaler
Nipper Competition Award	Mairead Harrop
Nipper Co-ordinator Award	James Paton
Nipper Encouragement Award	Alasdair McKenzie
Nipper Encouragement Award	Ella Laussen
Nipper Parent of the Year	Andrew Welsh

### LSV Junior Awards

U13 Champion Female Water Competitor	Piper Harrison
R & R Team of the Year	U13 R & R – Hailey Reid and Abby Allsopp
R & R Coach of the Year	Hannah Carboon
