## The Season

After another challenging year of distance and isolation, it was delightful to see so many smiling faces and to be able to interact with our fabulous membership once again. Although hampered by having limited opportunities to mingle socially once again, there was still a great vibe of activity around the Club and throughout the season. What a great summer we had! The energy, enthusiasm and commitment amongst members to surf lifesaving volunteering and to Point Leo SLSC is extraordinary and has resulted in a level of excellence across all of the Club's operations and programs (and there are many). We have a welcoming, inclusive and joyful place for our members to belong. We also have many leaders; young, old, new to lifesaving and those with years of experience, who inspire and mentor others. I thank you all for the contribution you have made to ensuring our club remains the unique place it is.

Unfortunately, we continued to be impacted by COVID-19, especially at the commencement of the season. With our experience with COVID-19 from last season under our belt, we were well prepared to overcome the many challenges that restrictions bring. Our dedicated Pandemic Team continued to work with LSV to deal with COVID-19 related issues and develop strategies to ensure that we were able to provide programs and operations in a Covid Safe manner.

Our Club's guiding principle was to keep members and the public as safe as possible in the most practical way. Covid Safe plans were prepared and implemented for all sections of the Club. A huge thanks is owed to Tamara Brawn who led the Pandemic Team and devoted an enormous amount of time and energy developing the COVID-19 Management Policy consistent with LSV guidelines for our Club. I also want to thank to all those on the Pandemic Team and

particularly Jason Romari and Tarena Murray, our COVID Coordinators. Tamara and Tarena spent much time contacting the close contacts of known covid cases within the Club. Not surprisingly, this was especially onerous over the period of the JSLP with so many families and children active on the beach.

The season kicked off with lifesaving training and the COVID-19 challenge remained. Brittany Morgenthaler, as Chief Instructor, did another amazing job leading an incredible team of volunteers to deliver SRC, Bronze, other courses and Skills Maintenance sessions in restrictive conditions. Britt is truly dedicated to her role in training and we thank her for her commitment and flexibility in being able to pivot these core programs as needed.

Patrols, once again, ran incredibly smoothly over the season with congratulations and thanks due to our dynamic duo of Club Captain, Romy Lipszyc, and Vice Club Captain, Bridget Barnes. Many thanks also to all the Patrol Captains and their teams in keeping our beach safe and presenting such a welcoming and settled environment. I have been getting to know more of the active patrol members and am so very impressed with your commitment and dedication to keeping the beach safe and welcoming to visitors. Patrol members of all ages performed with maturity and professionalism across the summer, and it was particularly pleasing to see good attendance at patrols. Keeping each other and the public safe at Point Leo Beach is our main priority, and we fulfilled our duties with skill and commitment.

The Pride Patrol on 12 February 2022 was a day to celebrate diversity and inclusion within the Club and broader lifesaving community. Romy Lipszyc is to be congratulated for organising our Pride Patrol in support of our LGBTQIA+ members and community and fostering a welcoming and inclusive culture within our club.

The Pride Patrol was followed by a great turn out for our annual Pink Patrol on 19 February 2022, celebrating the contribution of girls and women to lifesaving. This time we thank Bridget Barnes for the organisation of the pre-patrol celebrations, including a most impressive IRB demonstration rescue.

## Swim Classic

It was fantastic that we were able to hold our annual Boxing Day Swim once again, and whilst conditions were challenging, it was a fabulous day and a well-attended swim. Thank you to Simon Merrigan and team, for organising all the work teams that contribute to such a large event and to all those who assisted on the day. The new Surfboat was “christened” and we again appreciate the many friends and our major sponsor, Balnarring and District Community Bank Branch of Bendigo Bank who generously donated the surf boat to our club.

## Juniors

After another difficult year, it was heart-warming to see our Nippers finally get on the beach in our Junior Surf Life Saving Program (JSLP). Dianna McKellar led the enormous task of planning the program once again and enabled the return of large nipper numbers, a total of 469.

Dianna, together with Tarena Murray, Sarah-Jo Mason and the huge support team of parents, delivered another successful program in mostly good weather with fine conditions. We certainly appreciate the hard work and many hours put in by the JSLP team, as well as those who assisted in the very onerous set up and pack up, particularly Andrew Welsh and Nick Clarke. Mornington Prime Cuts came to the rescue again in supplying beef sausages to provide sustenance to water safety and for hungry Nippers. This is a significant fundraiser for the Club - so thank you. We are also thankful to C. Fulton Garden and Building Supplies Hastings who supplied the bucket hats that were handed out to deserving Nippers over the course of the program.

The Junior Sunday Sessions leading into the LSV State Carnival followed the intensive JSLP. This program focused on participation, inclusion and skill development. We thank Daniel Kogler for continuing to lead these Sunday Sessions this season and Jon Ford, Tarena Murray and Kylie Clark for their support of this program.

The Junior Surf Sports Program is an extension of the JSLP and Sunday Sessions. It offers Nippers an additional level of training and continues to strengthen and grow with inclusivity. Amber Skehan as Junior Coach led this program and we thank her for her dedication, passion and expertise in giving participating Juniors an opportunity to further their skills, build team spirit, respect and camaraderie.

The Junior Programs only exist because of the amazing contribution of parents and club member volunteers. You guys are incredible in your commitment to your roles in delivering such a high-quality Junior Program.

## Youth

The Youth Program, aptly named the “Lion’s Den” is now in its second year. The Lion’s Den is an innovative program to encourage engagement and subsequent retention within the Cadet members (14-15 year olds)

The Lion’s Den was hugely successful and culminated in a well-attended Swim Camp in January 2022. Thanks to Fiona Romari with the assistance of Harry Atkins, Lachlan Robinson and Sam Hunt for running such a fabulous program and harnessing the energy and enthusiasm of this age group. Our young people were remarkable in getting involved and assisting in water safety for our Nippers and patrols.

We also thank and greatly appreciate the generosity of BlueScope Westernport in support of this Youth program within our club.

## Surf Sports

The Point Leo Gold event was a fabulous day bringing together club members from all areas. This event encapsulates the spirit of 'giving it a go' at any level of ability at Point Leo SLSC, and we look forward to building on this event in the future. Massive thanks again to Jon Ford, Nick Clarke and the Surf Sports Team for organising this spectacular event. It was so awe-inspiring to watch the many Nippers, Seniors and Masters giving it their all. And doing it all together. I encourage all members to come and be involved next year whether as a competitor or support crew.

A fabulous Junior carnival was held at Point Leo SLSC on 6 February 2022. We turned on a great day. Many thanks to Andrew Welsh for all his organisation. Thanks to Kate Stern and team for organising Officials' lunches and to Mark Hopkinson and Dianna McKellar for organising the BBQ. It was fabulous to see such a big carnival go so smoothly, with members of the lifesaving community from across Victoria benefitting from our hospitality.

Another great weekend of social connection and competition was had at Lorne for the Masters LSV State Championship on 16 February 2022. An incredible win from the ever impressive team! Many medals and laughs were had! Well done Jon Ford for inspiring such greatness and Gaby McMeeken for being Team Manager. There were many outstanding individual and team medals. Such a fabulous effort built out of a summer training together.

Also at this weekend, we had the Boaties compete in incredibly challenging conditions with great results.

A fun celebration was had on the Saturday evening where many of the Masters, Youth, Boaties and Seniors met to celebrate the Carnival and share the success. It was wonderful to be able to freely socialise.

Unfortunately, I was unable to make it down to Lorne for the Junior State Carnival in February 2022 but by all reports, it was a huge three days of racing. The conditions were extremely

challenging, but our Point Leo SLSC Nippers showed immense courage and resilience throughout the carnival. In true Point Leo spirit, they gave their best and all should be proud representing our Club. Thanks to Jon Ford for taking on the role of Junior Team Manager and Kim Laity for assisting.

It was an absolute privilege to watch Youth and Senior competitors give it their all at the LSV State Championships on the weekend of 11 March 2022 at Warrnambool. There were some fantastic results that you will no doubt hear more about in the Team Managers Report. Some competitors were chasing medals and others were there in pursuit of their own personal goals. All were participating enthusiastically and having fun.

What struck me, over the weekend, was how much the Point Leo SLSC Team (including competitors, coaches, officials, parents and supporters) were so supportive, encouraging and caring for one another. Values of respect, teamwork and inclusion were strongly embodied by the Point Leo SLSC contingent and I was proud to be part of it.

Huge thanks to Ant Williams for his dedicated leadership as he continues to strengthen and motivate the Boatie section. And massive thanks again to Jon Ford for the immense amount of time and energy that he gives to the club and into getting the competitors on the beach, trained up and inspired. Go Leo!

## Disabled Surfing Event

On Saturday 19 March 2022, the Disabled Surfing Association Mornington Peninsula (DSAMP) held its annual event at Point Leo. This was a special one as it was a celebration of ten years! It was a glorious day in terms of weather and just the right amount of wave from Huey. It was an incredibly successful event with a huge turnout of both surfer participants and volunteers. There was even a DJ and live music! Huge thanks to those Point Leo Committee and Club members who volunteered on the day. A very special thanks to Andrew Gibson and Mick Treadwell for their

involvement with this very worthwhile 'partner' organisation.

## Future Project

Whilst plans for the next phase of the clubhouse redevelopment, covering the external storage area and enhanced outdoor spaces, continue to develop, the immediate focus is on the internal development converting the bunk rooms into a caretaker's room and a multipurpose space. Read the Future Project report on page 33 for more detail on this project. Luke Treadwell continues to ably head the project and Luke and Simon Merrigan are thanked for their skills and expertise in leading the Future Project Sub-Committee.

We continue to collaborate with the Foreshore on this project in ensuring that we maintain the integrity of our beach and surrounds and we highly value our ongoing close relationship here at Point Leo. We will embark on further fund raising over the 2022-2023 summer season whilst Mick Treadwell will keep seeking appropriate Federal, State and Local Community grants.

## Honours

Election as an Honorary Life Member is one of the highest awards any Club can bestow on a member. Life Membership recognises the distinguished and exceptional contribution to a club and in this instance to our incredibly unique Point Leo Surf Life Saving Club. This year our Club elevated Michelle Royal-Hebblewhite. Congratulations! Michelle is very worthy of this honour, with years of service and behaviour that reflects our values.

Two amazing young adults were awarded the GTF Fellowship; Romy Lipszyc and Harry Atkins. Well done and well deserved to both of you. We look forward to seeing you further develop in your roles and continue with your valuable contributions to our club.

## Sponsors

We acknowledge with gratitude all our sponsors including Vantage Fuels and Bowser Bean Café, O'Connor Beef, Mornington Prime Cuts, BlueScope Westernport, Paton Real Estate, and C. Fulton Garden & Building Supplies Hastings for support of our Club through the active season. Our relationship with the Balnarring and District Community Bank Branch of Bendigo Bank continues to strengthen. We have developed a strong partnership with the Community Bank and value our enduring relationship and look forward to further collaboration.

We are sincerely grateful for the contribution of all Point Leo SLSC sponsors and encourage club members to support these businesses in acknowledgement of their support.

## Finally

Thank you to our wonderful Committee for all your hard work and dedication behind the scenes. The Committee is comprised of a diverse bunch of people who are committed to the best interests of Point Leo SLSC. We are fortunate to have a blend of experience and skill sets and club members who are willing to commit their time and energy to our club.

The season sees some members for various reasons not being able to renominate for their position, we thank them all for their dedication to their role and for being valuable members of the committee:

- Dianna McKellar for being JSLP Coordinator for the last two years and for devoting so much time, energy, and passion in delivering the program
- Andy Nott, who has been involved since 2016 in the roles of VP, Vice-Club Captain and last season IRB Coordinator and who provided solid support and a sensible approach
- Adam Lipszyc for being an inspirational Club Captain for 4 years and VP Lifesaving Services for the last season and providing strong leadership over this time

- Luke Treadwell, who was on the committee from 2007 to 2012 in various roles and then returned to the committee in 2015 as VP and then general committee member. We also greatly appreciate the sound and important work he has done with the Future Project
- Tamara Brawn, who has been on the committee since 2008 in various roles including Boat Captain, VP, President, and Senior VP. Over these 14 years, Tamara has contributed so much to our committee and provided effective leadership and a strong, intelligent, and insightful perspective to issues

A personal thanks to the Executive Committee comprising Kim Williams, Tamara Brawn, John Gallagher and Romy Lipszyc for the additional time dedicated to club matters and for

supporting me in this role and providing much guidance and advice. Thanks especially to Kim Williams who devotes so much time and energy to club administration and continues to work with outstanding dedication to the Club.

There are many important activities to be performed and managed across the various portfolios of the Point Leo SLSC to ensure efficient and successful operations. There are positions on the Committee and there is an accompanying extensive list of club activity roles. I urge you to get involved next season; there are plenty of opportunities across all areas to find something that will interest and inspire you. Please contact me or any of the Committee members if you feel you would like to contribute or be involved in any way. Involvement strengthens your connection with the club and its members, is fulfilling and fun!

# Club Captain's Report

---

As we emerge from COVID-19 lockdowns and restrictions, many of us have been drawn to communities like that of our Point Leo SLSC. The 2021-2022 season felt the lingering impacts of the pandemic, however we still sought the best of the summer. Despite some of our favourite events such as Muso Night and youth activities like the Lion's Den Movie Night battling against COVID-19 restrictions and outbreak scares, much of our surf lifesaving lives was able to return to 'normal'. Our Boxing Day Swim Classic was back in action, as was our Presentation Night. Patrols were gradually unconstrained from restrictions, and our committee meetings returned to being in-person. It's interesting to see the marks that the pandemic has left on us; flexible online meetings, elaborate elbow bump greetings, Nippers and water safety streamlining, and we all have a far better appreciation for Tina's burgers – we have survived and conquered a trying time.

This has been my first season as Club Captain, and my figurative skull cap goes off to Bridget Barnes, Vice-Club Captain. Her steadfast dedication, approachable personality and masterful Excel skills have made the patrols and water safety of the season flow as smoothly as they possibly could. I extend my gratitude and thanks to our Patrol Captains – again their flexibility and determination to facilitate a safe beach and welcoming space is highly commendable. While Bridget and I finalised the patrol roster in the middle of a lockdown last year, we've ended the season with *easing* of COVID-19 restrictions that I don't think many of us could envision 6 months ago.

Of course, patrols could not happen without our patrolling members – the bedrock of our surf lifesaving community. It hasn't been easy maintaining qualifications throughout the pandemic, but I thank you for providing your best efforts. The high quality of our patrolling members was recognised this season when the Legends' patrol co-captained by Andrew Gibson and Michelle Royal-Hebblewhite was audited by

Life Saving Victoria. Not only did they score a perfect 1000/1000 points, but they did so on a busy Sunday in January, directly after tending to one of the season's most major first aid incidents. Congratulations, all!

*Pictured 3: Zali Cargill and Georgia Cassell-Ashton on patrol*

Skills maintenance and training continued to be affected by COVID-19, but Brittany Morgenthaler took it all in her stride and got the job done. Training marks a time for all members, especially the youth, to come together and learn valuable skills. Since our Club's training is facilitated and assessed by Point Leo members, members are afforded valuable opportunities of mentoring too.

This has been greatly facilitated by the Lion's Den program, and the keenness of mentors to participate in such roles. Furthermore, as the summer season draws to a close, our training sector is not quietening down. It's exciting to see on the horizon an IRB course in collaboration with other clubs on the Peninsula – an initiative we've been working towards for quite some time.

The inter-club collaboration extends towards some of our social causes too – Dromana SLSC and Portsea SLSC joined our Point Leo SLSC members in the Midsumma Saint Kilda Pride March this year for the first time. This year was our club's third year participating in the march,

and our second year hosting a Pride Patrol - an initiative that has spread across Victorian Surf Lifesaving since the inaugural event at our club last year. While we strive to welcome and celebrate the LGBTQIA+ community within our club and surf lifesaving more broadly, we acknowledge there are still barriers to break down and initiatives to be undertaken in the space.

*Pictured 4: The 2022 MidSumma Pride March*

It was our third year hosting a Pink Patrol. This year we not only honoured our female members, but we showcased our female zeal and talent. The IRB, with full female teams, was launched and prospective IRB candidates were given the chance to have a go in the boat. Bridget and I look forward to continuing to facilitate girls and women getting their IRB qualifications and progressing through all of the opportunities that surf lifesaving has to offer.

*Pictured 5: Pink Patrol 2022*

I'm still wrapping my head around the enormous task that is the Junior Surf Lifesaving Program. To Dianna, Tarena, Sarah-Jo, the age managers, activities leaders, participants,

parents, water safety and everyone else involved – thank you for making the Nippers program absolutely phenomenal. The friendships, surf skills and community involvement that is afforded to our little Nippers and by extension their family and friends, is something incredibly special. I cannot wait to get more involved!

Unsurprisingly, our sports sector continues to smash their goals and achieve great heights. With the relinquishment of COVID-19 lockdowns and restrictions, our competition team have forged together unlike any other season. Many give themselves to the club's community in more ways than could be seen – often finishing an early morning training session to walk straight into patrol, water safety, mentoring or activity leading. It was especially exciting to see seven of our club members successfully attain their Officials qualification this season; Caleb, Jon and the whole sports sector – well done on another fantastic season, and for continuing to be my inspiration to maybe go for a swim once in a while.

Thank you to Ant Williams, our Surf Boat Captain, for his work with the boats section - this year with three crews! It is always something special seeing the orange caps smash through the waves – an opportunity I'm sure many members are keen to partake of.

I will also take this opportunity to thank Adam Lipszyc and Andy Nott for their tireless efforts and contributions as our previous Club Captain and Vice-Club Captain. Their work in redesigning patrol groups and the patrol roster, mentoring present trainers, promoting healthy and constructive atmospheres for discussions of both ideas and criticisms, and their consistent attention to detail, will forever run ripple effects at Point Leo SLSC. Personally, their support and mentorship for Bridget and myself continues to be a springboard for us. I cannot thank them enough, and look forward to more collaborations.

Lastly, I want to encourage *you* to seize the opportunities that present themselves. From Club opportunities such as sitting on the Committee, becoming a Patrol captain, getting your next qualification or participating in Disabled Surfing Australia to more state-wide

opportunities such as having a go at competition, and participating in one of LSV's youth camps or their Ready2Lead program, there is something for everyone.

As we mark the end of our season with the beginnings of the demolition process for our next

stage in the club's re-build (shout out to Luke Treadwell and the Future Projects sub-committee), I extend my thanks to you for this season, and I hope to see you very soon at our Season Opener later this year.

**Romy Lipszyc**

Club Captain

# Operations

## Vice Club Captain's Report

Once again Point Leo's patrols have operated with great success. When the patrol roster was being organised at the start of the season, Romy and I were fresh into our roles as Club Captain and Vice-Club Captain, and Melbourne was still in a COVID-19 lockdown. Reflecting now on the season that was, it's incredible to see how far we've come and how much has changed in terms of our club's operations. Once again all our members have been incredible and their enthusiasm and dedication to patrols has led to an all-round fantastic season!

Our patrol captains have been instrumental in Point Leo's successful season. Each pair of captain and vice-captain have demonstrated exceptional leadership and enthusiasm. They each created such welcoming environments on their patrols and helped strengthen and educate our junior patrollers. Therefore, I would like to take this time to extend my thanks to each captain duo:

- Andrew Gibson and Michelle Royal-Hebblewhite;
- Nick Woods and Chuck Warner;
- Georgia Cassell-Ashton and Hannah Scott;
- Bella Warner and Liam Whitehouse, and
- Rhys Cole and Harry Atkins.

Within this fantastic group of leaders, we had two new captains and one new vice-captain. Georgia Cassell-Ashton and Bella Warner have done a superb job in the first year of their

captaincy roles. They have managed their very large groups of young patrollers excellently and we hope to see them continue in these roles for many seasons to come. Hannah Scott also stepped up into the position of vice-captain and must be applauded for her flexibility and enthusiasm in what was a very last-minute call up.

All our captains this year were excellent in managing the various COVID-19 challenges that emerged. Our season began with lockdowns and moved through mask mandates, vaccine requirements, the spike in Christmas/New Year's Eve cases until finally emerging on the other side. Romy and I are both very grateful for how all patrolling members approached these changes with flexibility and understanding.

The Legends patrol was very busy this season. Led by Andrew Gibson and Michelle Royal-Hebblewhite, the Legends responded to several major first aid incidents and were the only patrol team to be audited by LSV this year. Not only did they manage all first aid incidents incredibly well, but they also scored a perfect score (1000/1000) on their audit. The Legend's committed and professional approach to patrol has been extraordinary this season so I would like to say thank-you and congratulations to all the Legend's Patrol members.

It was nice to see the Boxing Day Classic return to an in-person event this season. As always, this event requires a huge effort from

all patrol members. Andy Nott did a fantastic job organising and managing the IRB drivers and crews throughout the event, while Michelle Royal-Hebblewhite was excellent in the captain position leading the patrol on the beach. A huge thank-you must be given to all the patrollers who volunteered on the day either as water safety, in the IRBs or under the patrol tent.

This season our patrol teams also continued the Pink Patrol and Pride Patrol initiatives. Pink Patrol aims to recognise and celebrate the achievements of woman in lifesaving. This year's Pink Patrol had a focus on encouraging female members to get their IRB qualifications. So, on Pink Patrol we ran through some IRB training exercises with those who were interested and, overall, the whole day was a great success. Pride Patrol was another great success and received a lot of support and interest from beach-goers on the day. Pride

Patrol aims to establish Point Leo as a welcoming environment for members of the LGBTQIA+ community and this year was also coupled with some patrol members attending the Pride Parade with LSV.

All of this season's successes could not have happened without our incredible patrol members. So, a final thank you must be extended to everyone who came down to the beach to patrol. Whether it was on a rostered patrol, Nippers water safety, Boxing Day or first aid help, all patrol efforts are very much appreciated by the club. All the hard work of the patrollers does not go unrecognised, and I can't wait to see you all back down the beach next season!

## First Aid Report

*Pictured 7: Kylie Clark, Pat Hough and Bella Warner as First Aid for the Boxing Day Classic 2021*

It was great to see things going back to normal and life returning to our surf club. We continue to provide regular minor and major first aid at patrols and for members of the community outside of formal patrol times.

Once again, our team of medical doctors were vitally important to our ability to host major events at the Club, including the Boxing Day

## IRB Report

This was a quiet season for IRBs but all duties were executed to perfection by the relevant teams and individuals involved.

The biggest use of the IRBs was the Boxing Day Swim Classic where we had all seven of our craft plus two additional IRBs from LSV out on the water. We have never had nine IRBs on the water for this swim before and it is a huge testament to all drivers and crews involved to be able to carry this out with such professionalism.

Secondly of course was the amazing team who toughed it out providing the IRBs for the Nippers all through summer and beyond. I cannot thank Steve Northcote, Chris Oldham and of course Chuck Warner enough, for their amazing leadership and contribution in keeping the boats staffed, fueled and operational for every Nipper day and the Junior carnival. Thank you to all the other

Swim and the Point Leo Nippers Carnival. Thank you to Dr Kate Stern who continues to do great work coordinating the team of doctors at these events.

This season Point Leo ran a first aid course, which allowed 30 members to complete or update their First Aid award. Thank you to the trainers and assessors that facilitated this opportunity.

I look forward to continuing to help our members gain valuable first aid experience at our major events. These can be applied not only on patrol when there is less support around, but also in the community or at a workplace.

If you hold a Level 2 first aid certificate and are keen for more experience, I encourage you to look out for first aid courses over the winter break.

**Morgan Jones**

First Aid Officer

crews and drivers who volunteered their days

*Pictured 8: The IRB team for the 2021 Boxing Day Classic*

off to jump in a boat for a session or several to support the Nippers.

We did not run an IRB course this season due to the amount that was going on at the club throughout the season. I have been heavily supported by Britt, our Chief Instructor, and

Romy, our Club Captain, in getting a course organised for this off season. We are looking at going to a new model to join with other clubs in the region to offer a diverse training approach and numbers. This couldn't have been possible without the support and guidance of Romy and Britt.

Lastly, I would like to thank all the IRB drivers and crews who keep on doing everything it is you do, if it's coming down to patrol as an IRB

driver or crew or to a carnival or just to Nippers it doesn't go unrecognised and we are so grateful to have all your support in the IRB section, so thank you! We are a very fortunate club to have the equipment that we do and it shows how professional you all are in treating the equipment to be able to maintain it year in year out. In total we currently have seven IRBs and eight motors in circulation.

**Andy Nott**

IRB Captain

## **Gear & Equipment**

As a club of more than 1,000 members, Point Leo SLSC is obliged to maintain a vast inventory of equipment in order to meet the club's patrol, training and competition needs. Maintenance of this equipment and purchasing of new equipment follows a familiar rhythm each year. Patrol, rescue and first aid equipment is assessed over the winter months in advance of LSV Gear Inspection in October. Damaged equipment is repaired, obsolete equipment is discarded and replacement equipment sourced. Considerable effort is required to satisfy SLSA prescribed equipment guidelines in order for us to successfully pass Gear Inspection and be well prepared for a season of patrols. Thanks to Andrew Gibson, Andy Nott, Ella Swaney and Morgan Jones for helping in the preparation for this year's Gear Inspection.

Each year new boards are purchased to increase our stock of nipper and senior boards. In addition a considerable amount of time is spent on reviving older boards to provide for an expanding training program. Repair and maintenance of these boards is time consuming and Nick Clarke undertakes the majority of board repairs. This is an enormous task and Nick's generosity is greatly appreciated.

This season we took delivery of a new Kawasaki Mule ATV. This purchase was possible through a generous donation from Bluescope Steel and access to various grant programs. The operational value of having an additional beach vehicle was highlighted throughout the season

during nipper sessions and carnival setup. In addition it enabled better patrol response capacity during first aid and rescue scenarios.

The provision and access to equipment for nipper sessions is always an onerous task. This season the beach trailer was modified to enable more efficient movement of equipment on and off the beach. Committee approval has been given to fabricate an additional similar trailer to further streamline this process for future seasons.

Increasingly we require off-site storage for some of our larger equipment during the winter months. A big thank you to Travis Cargill for allowing us use of his shed to store the nipper trailer. We are always in need of additional off-site storage space and would like to hear from any members who may be able to assist.

We are constantly repairing, modifying and replacing equipment throughout the season. A big thank you to Andrew Gibson and Nick Clarke for their ingenuity, ability and willingness to solve most problems as they arise.

Finally, thanks to all the coaches and activity leaders who continue to push the message of expected board and ski care.

**Andrew Welsh**

Gear Steward

## House Report

Dust ceiling fans	Defrost First Aid freezer	Repaint grey floors	Lube windows

## Education

### Chief Instructor's Report

We had wonderful success over the 2021-22 season despite the challenges of COVID-19. It has been a busy season with many enthusiastic members achieving awards and up skilling their awards.

This season we held Surf Rescue (SRC), Bronze Medallion, Advanced Resuscitation Techniques (ART) and First Aid courses.

The SRC course looked different again this season with three different groups completing their first step into being a life saver: patrolling and helping with water safety at Nippers. Well done to all 37 participants who completed their SRC award.

As last season we ran three Bronze Medallion courses as well as an Adult Bronze course. All courses were day only courses with some

components taught online. A fantastic effort by all 47 participants.

Early in the season we ran an ART course to ensure we covered the patrol requirements for awards and to provide opportunities for members to achieve a new award. Well done to all 19 participants who completed this award.

*Pictured 9: One of the three groups to complete the Bronze Medallion in the 2021/22 season*

In addition, the club also ran a first aid course. Well done to the 30 members who completed or updated their First Aid award.

In winter this season the club is running an IRB course with other clubs on the Peninsula.

We welcomed Liam Whitehouse, Ella Swaney, Nathaniel Clarke, and Georgia Cassel Ashton to the training team.

A massive thank you to Michelle Royal Hebble-White, Andrew Gibson, Romy Lipszyc, Zali Cargill, Bridget Barnes, Ella Swaney, Georgie Cassell-Ashton, Andy Nott, Tamara Brawn, Liam Whitehouse, Adam Lipszyc, Kim Williams, Andrew Welsh, and Ella Laussen for your contribution, hard work and support to the training at the club.

Congratulations to all members who achieved an award this season. For a full list of who achieved an award this season please refer to page 48.

I look forward to continuing to help our members gain further knowledge, experiences and skills through the education pathway as well as contribute to patrols and water safety.

**Brittany Morgenthaler**

Chief Instructor

## Team Manager's Report

It was another season that was threatened to be derailed by COVID-19. Fortunately, LSV were able to navigate the waters and complete a season with only some minor interruptions.

A few false starts saw the early season competitions postponed as we came out of lockdown. This resulted in 4 carnivals back-to-back: the State Endurance Championships, Mt Martha, Jan Juc and Ocean Grove.

Unfortunately, the winter pool lifesaving season was hampered by COVID-19 and eventually the 2021 National Pool Rescue Championships were cancelled in December. In the New Year, our local Anglesea carnival was also cancelled as

case numbers flared and there was a risk that by holding a state-wide carnival, we could spread COVID-19 back to clubs, affecting patrol numbers and other critical club functions.

Our Masters team once again swarmed the beach in orange to be the Champion Club for the 2022 Victorian Masters State Championships. One in six competitors were in a Point Leo cap, amassing 499 points, with Ocean Grove coming second on 197. Congratulations to all who committed to the training sessions leading up to it or tested out the calves for the first time on the day. It was a particularly big weekend from a Team Manager perspective, with many helpers required as our Senior team was also racing on

the Sunday. Thank you Gabby McMeeken, for your assistance as Masters Team Manager.

This season we sent an amazing team of 42 athletes to Warrnambool for a very successful Senior State Championships. Some standout results included our Open Women's Taplin team going back-to-back, Charlie Farrell winning the U14 Board Race, Abigail Morgan medalling in both the U17s Beach Flags and Beach Sprint, our U19 women taking out the Beach Relay and our Open Women claiming Gold and Silver in the Double Ski. Point Leo finished eighth in the club tally.

After months of speculation, Aussies was finally moved from Perth back to the Gold Coast due to WA border closures.

It started off with our Youth team at North Kirra getting some valuable experience by racing, and at times matching it with the best in the country. They represented the club proudly and should all hold their heads high. It's been particularly pleasant watching our Youth team remain consistent throughout the season and show maturity beyond their years. Great people first, great athletes second.

Our Masters were lucky enough to remain at Broadbeach for their Championships, with many placing in finals and pushing so close to medals. Congratulations to Frank Christian and Haydn Tierney who both came away with bronze medals in the 60-64 surf race and 40-45 2km swim, respectively.

The Open Championships were relocated to North Kirra, as wild conditions were forecast throughout the carnival. This proved true, as even the slightly protected North Kirra beach was challenging on the outer bank. Everyone handled and embraced the moment with maturity. It was a superb standout performance

by Harry Atkins in the Open Men's Belt Race with fifth place in a stacked final.

## Head Coach's Report

This year was for the whole club again challenging with COVID-19. The Surf Sports

*Pictured 10 - Myles Irwin (front) and Harry Atkins (back) competing in the Open Championships at North Kirra*

I'd like to pay thanks to every single helper who put up their hand this year and made my life easier. Being a larger club means we often have a larger quota in providing officials, IRB drivers, crew, water-safety and set up/pack up crews. There's also a handful of parents who went above and beyond to ensure our competitors could put their foot on the line. Thank you to Kim Williams for processing and handling all entry fees, something I'm not envious of. Thank you to our wonderful sponsors who are always there to support the club, particularly Vantage Fuels who help get our craft around the country. Our Aussies competitors are also very appreciative of the assistance from The Gary Tierney Foundation.

Finally, a great big thank you to Head Coach Jon Ford for the numerous late nights, early mornings and all hours in between that he puts in. He provides everyone with the opportunity to reach their potential on and off the beach.

**Caleb Gray**

Team Manager (Senior)

section (Junior and Senior) proved their resilience and strength of character. The Junior

and Senior Team Manager sections of the Annual Report speak for themselves.

A key development in 2021-22 was the U13 (in certain carnivals) joining U14/15 to form the “Youth” contingent. For the first time in many years Point Leo SLSC had strong representation at State and Aussies level with many of our Youth advancing to the podium and being very close to Aussies finals. Our established group of Senior athletes also performed well at States and Aussies demonstrating that over the coming years we can expect significant improvement in our results. Part of our success was driven by the outstanding role modelling from our Masters squad (also the parents of many Junior/Youth/Senior competitors) who comfortably won the State Masters titles for the second year running.

The Senior Surf Sports training sessions for 2021-22 were run (for Youth, Seniors and Masters) from the point of COVID-19 restrictions easing in 2021 until Aussies in April 2022 consisting of:

- Monday ski (numbers between 5-13)
- Tuesday Masters and beginners board/ski (numbers between 10-30)
- Tuesday board (numbers between 5-20)
- Wednesday kayak (numbers between 5-13)
- Thursday Masters and beginners board/ski (numbers between 10-30)
- Thursday Iron including Juniors (numbers between 10-40)
- Friday kayak (numbers between 5-13)
- Saturday Gunnamatta (numbers between 10-20)
- Sunday Masters and beginners board/ski (numbers between 15-35)

The Junior Surf Sports training sessions are described in the Junior Team Manager report. It was exciting to see members from juniors, Seniors and Masters training and racing together. This was epitomised by the Point Leo racing days on Sundays with some epic “all in” Taplin relays. Another big step forward was our members regularly training in solid conditions at Gunnamatta, setting us up for some great results in the surf at States and Aussies.

*Pictured 11 - Abi Morgan competing at States at Lorne*

*Pictured 12: Caitlin Robinson at Aussies*

Separate Seniors and Juniors season review meetings are planned to build on the experience of the 2021-22 season. From there, the Surf Sports section will move to action the Point Leo SLSC new strategic plan. Some of the initiatives being discussed in these meetings include:

- A strong focus on ski/kayak paddling for the large group of Youth coming through over winter;
- Liaising with swim clubs in town (a la Gary Tierney) to develop collaborations;
- Development of regional “branches” with competition and collaboration to keep Youth involved;
- Development of Melbourne based squads;
  - Pool with Pat, Rhys, Josh and Harry as key participants;
  - Kayak training with Mercantile, and
  - Collaboration with the regional “branch” model for members who live in Melbourne for bay training;
- Masters as role models and coaching succession planning;
- Interstate events planning including the Coolangatta Gold;

- Winter pool training on the Peninsula for Juniors, Seniors and Masters;
- Comp 'Come and Try' days for Juniors and Youth;
- Collaboration between coaching personnel and Senior/Junior Team Managers for greater efficiency and synergy exploration;
- Improving promotions and communications to members and the public on the Junior Surf Sports Program, and
- Expansion of the training sessions for less confident Juniors (particularly in the U8-11 age groups).

Thanks to all the people who helped to make this season a great success particularly water safety, IRB, officials and trailer drivers. As our Surf Sports program continues to grow we will need more helpers and there will be opportunities for officials and IRB training over the off season. Also, many thanks to all the club representatives from the committee who have supported the Surf

Sports program. Particular thanks to the coaches of the Senior Surf Sports Program (Nick Clarke, Caleb Gray, Bella Austin, Bella Ford and Harry Atkins) who put countless hours (for Junior Surf Sports see the Team Manager report). If you want to support your children in surf sports there's nothing better than getting your Bronze, joining the Masters training program and competition team and helping out with coaching and water safety; good for fitness, fun and role modelling!

Finally a massive thanks to Vantage Fuel (and Haydn Tierney) for supporting surf sports with the bus and fuel subsidy, particularly to Aussies!

Looking forward to a bigger and even better 2022-23 in the Surf Sports Programs.

**Jon Ford**  
Head Coach

## Surf Boat Report

With a COVID-19 restricted late start to the season (commencing in December 2021) I am really pleased with the progress the section has made this year. From two Senior Men's crews over the last couple of seasons, the section made a concerted effort to focus on the development of our Junior crews and to get some historical 'Point Leo people' back involved with the section.

*Pictured 13: The Point Leo Platos*

The end result far exceeded our expectations which was a wonderful achievement for such a late COVID-19 affected season. The crews who represented the section this season included:

1. Point Leo Plovers – Junior (U23) Ladies crew – Ella Laussen/Annie Coleman/Bridget Barnes/Emily Davies

- swept by Brett O'Loughlin - a group of fantastic Girls with a real heart for the Point Leo SLSC. To have Bridget Barnes and her younger sister Ingrid rowing in a boat named after their 'late' grandmother (The Jill McKellar), this truly is what the foundation of Point Leo SLSC is all about.
2. Point Leo Pandoras – Senior Ladies crew – further support for our juniors with Tarena Murray, Gemma McDonald, Lucy Kyriacou, Felicity Perry and Deanne Davis – swept by Ant Davis (Point Leo 'royalty' in this boat crew) along with some new club members who have come through the Nipper pathway to further club involvement.
3. Point Leo Platos – Senior Masters men's crew – consisting of Allan Latto, Ant Williams, Ant Davis and new boatie Jason Romari – swept by Brett O'Loughlin. This crew has been the backbone of the section over the past couple of years and a fine example of 'clubmen' who always help out with a number of other activities around the club. Thank-you
4. Point Leo Phoenix - we commenced the initial rowing for our Junior Men's crew over the past summer. To have Riley Williams (Third generation boatie), Jasper Romari and others

commence their surfboat rowing journey at Point Leo this season was great to see. With the addition of further Junior men to our group next season, we are looking promising for a great 2022-23 season

Highlights of the competition year included:

#### U23 Plovers

- Silver in U23 Women at the Victorian Surf Rowers League Open
- Bronze in U23 Women at the Victorian Lifesaving Championships

#### Masters Women Pandoras

- Silver Victorian Lifesaving Masters Championships

#### Masters Men Platos

- Gold Victorian Lifesaving Masters Championships

A great effort and congratulations to all concerned.

With the assistance of the club, sponsors and our teams there was a great pathway for ladies sport and participation in this boat section this season; something we are all very proud of and which will continue into the future.

A big thank-you to the Balnarring and District Community Bank Branch, Shoreham Surf and the Bobbas for ongoing support. It was great to see so many Point Leo Legends at the naming of the new boat, 'Bobbas' at the Point Leo Swim Classic on Boxing Day.

Exciting times are ahead for the Boat Section with already two new crews underway for next season along with a commitment from all the

*Pictured 14: (from front to back) Bridget Barnes, Hannah Scott, Ella Laussen and Emily Davies (the Plovers) at training*

crews who participated this season.

Special thanks to Julia O'Shaughnessy and Tamara Brawn for their leadership and to Kim Williams - your administrative support enabled so many people to become involved in the boat section this season.

To all Boaties, 'current and prospects', stay in touch with the Mine articles over the next couple of months and we look forward to an exciting season next year.

**Ant Williams**

Surf Boats Captain

## Masters Report

### Masters State Championship

Huge congratulations to all Leo's Master competitors – Victorian champions for the second successive year!

Point Leo finished on top of the leader board with four hundred and ninety-nine points. To put this achievement into perspective the second club on

the board had one hundred and ninety-seven points. A breathtaking result for Leo.

Our tally of seventy-five medals included individual and team events. Thirty gold, twenty-one silver and twenty-four bronze. The team of forty-six athletes were extraordinary across all the disciplines and we had new members join adding to the high calibre of competitors. Credit

to Jon Ford for coaching and bringing the team together and Andrew Gibson for actively recruiting from the bronze courses.

The sea of orange caps was very impressive at Lorne and certainly depicted the strength of the masters team and more broadly our club.

The conditions were incredibly challenging with direct onshore winds and a significant swell on the Saturday. It took a lot of courage and determination to get around the cans and many competitors failed to complete the course. Leo's forty-two medals in the water events were a combination of skill, fitness and true grit. Sunday was humid and hot in the beach arena, where Point Leo determination and athleticism resulted in thirty-three medals.

There were many highlights of incredible performances with a tally of seventy-five medals and the list is comprehensive.

Outstanding performances included:

- Frank Christian. 5 Gold medals
- Jon Ford, Haydn Tierney, Amy Jones. 3 Gold medals
- Gaby McMeeken, Virginia Porter, Suki Ellison-Whyte, Darius Alekna, David Silver, Tamara Heffernan, Justin Phillips. 2 Gold medals

Our medal count was severely impacted by injuries, seven overall: mostly calf or hamstring strains, with one fractured foot bone.

Leo Boaties fielded two Masters crews: Male 200+ (The Platos) claimed Gold. Female 180+ (The Pandoras) claimed Silver.

Jon Ford won his Seventh consecutive Ironman Gold medal and Nick Clarke also won Ironman Gold. Bravo to these two outstanding athletes and coaches!

Well done to all other competitors across all disciplines in the swim, board, ski, surf boats, board rescue, 2km run, sprint and relays. Congratulations Female Masters competitors Amy Jones, Jane Starr, Suki Ellison-Whyte, Jody Tulloch, Gaby McMeeken, Amber Skehan, Michele Ford, Nikki Alekna, Stacey Lethlean, Tarena Murray, Dana Sawyer, Cath McCraith, Virginia Porter, Georgina Hunt, Tamara

*Pictured 15: Amber Skehan competing at the Masters State Championships*

Heffernan, Vicki Hood, Wendy Davey, Lucy Kyriacou, Gemma McDonald and Felicity Perry. Congratulations Male Masters competitors Nick Clarke, Jon Ford, Haydn Tierney, Tim Farrell, Frank Christian, David Silver, Nathan Miller, Luke Skehan, Sam Johnson, Adam Kyriacou, Hugh Condon, Dave Russell, Andrew Gibson, Mick Treadwell, Simon Merrigan, Darius Alekna, Justin Phillips, Paul Doherty, Anthony Williams, Allan Latto, Anthony Davis, Brett O'Loughlin, Jason Romari, Anton Pound, Ashley Shanks, and Brendan Riseley.

We celebrated the day with a relaxed cocktail style affair at Almyra located on the foreshore. It was a great family affair with 93 Masters, Senior and Nipper members coming together to share our triumphs and challenges, finishing with a disco for the young at heart.

## **Leo Masters at Aussies**

This year we had our biggest Aussies contingent ever for Masters with Justin Phillips, Luke Skehan, Tim Farrell, Jon Ford, Nick Clarke, Haydn Tierney and Frank Christian all attending. Haydn and Frank won Bronze in 2km swim and Surf race respectively. Leo made six Finals - Nick Fourth (Board Race), Haydn Sixth (Ironman), Tim Sixth (Surf Race) and Jon Sixth (Ironman). A number of our teams made finals and everyone had a great experience racing against the best in challenging conditions.

Broadbeach's rips, sweeps and variable sand bars made for tough and unpredictable racing. The Masters have come back fired up for next year's Aussies at Perth and are already in training working on how they might progress

further in finals results on the flat water of Scarborough.

Well done Point Leo competitors and we could not have done the competition without support from both water safety and our officials. A huge thank you to our officials Tracey Cester, Di Summers, Harry Atkins, Isabella Austin, Tamara Brawn, Iris Cassell, Andrew Gibson, Bella Ford, and IRB and water safety Luke Skehan, Amanda Benson, Myles Irwin, Nat Clarke, Nic Ford, Josh Doherty, Nathan Cester, Matt Graves, Luke Treadwell and Georgia Cassell-Ashton.

We are always looking for potential members to join this great community and it is truly inspirational to see competitors in the seventy plus age category. We welcome every member aged thirty plus to come and give it a crack next year.

## Surf Sports Awards

Male Senior Athlete of the Year 2022 - Harry Atkins. Harry is relatively new to Surf Lifesaving and has embraced an elite training schedule with great enthusiasm. As a result of 14 sessions a week over the last 3 years Harry has developed an amazing fitness base but skills in the surf take many years to develop particularly on ski. 2022 was a breakout year for Harry at Aussies where he performed extremely well in challenging surf conditions particularly in individual ski, where he just missed out on semis, and belt, where he came 5<sup>th</sup> in the final.

Female Senior Athlete of the Year 2022 - Bella Austin. The transition to open competition can be daunting but Bella took it all in her stride just missing out on the final in open board. She showed her high level of skills and capability in individual and double ski but faced some challenges to progressing in the surf. As always, Bella had a dominant State Titles and raced hard in everything. Bella is an amazing role model for our younger members and is striking the balance between training and a “normal” life of study and having fun!

Team of the Year 2022 - Open Female Taplin (Bella Austin, Kate Brooks, Bella Ford). This team won open female Taplin for the first time in the club's history last season and backed

*Pictured 16: Masters competing at Aussies at Broadbeach*

## Andrew Gibson

Masters Competition Coordinator

it up again with an incredible all-round performance from all three athletes. Kate had a particularly legendary swim to hold off the competition and take the gold!

The John Marshall Swim Competitor of the Year 2022 – Haydn Tierney. Haydn has yet again proved why so many of our competitors and club members continue to look up to him. Whilst he is well into his Masters career and providing many fantastic results, HT continues to mix it up with our younger athletes and never takes a backwards stride. Always up for an Iron and swim race, Haydn's season was capped with a very impressive 3<sup>rd</sup> at Aussies in the Open water swim.

Masters Award 2022 – Frank Christian. Frank has been competing in surf lifesaving for decades and needed some encouragement to get up to Aussies this year after the disappointment of COVID cancellations. He excelled by coming 3<sup>rd</sup> in the individual swim as well as having some great legs in the team events. Based on the large numbers of masters at Aussies and the team spirit demonstrated Frank is now “locked in” for Aussies 2023 in Perth!

Board and Ski Competitor of the Year 2022 – Charlie Farrell. Charlie is a naturally gifted athlete who for the whole season dominated Victorian competition. In his first Aussies Charlie showed that he is well and truly up with the pace with the best in the country and advanced through several rounds in board and iron. With further focused training Charlie is sure to learn how to win under pressure. An outstanding season.

Beach Competitor of the Year 2022 – Abigail Morgan. Abigail is a quiet achiever who goes about her business and lets her results do the talking. She showed enthusiasm early in the season when Point Leo's beachie numbers were low, putting her hand up for multiple beach carnivals being our only competitor. Abigail shone bright at States collecting a bag of medals and holding her own as she competed up in age groups to assist with teams who were also successful.

## Members & Club Life

### Junior Surf Life Saving Program

This season again was like no other at Point Leo, with the Junior Surf Life Saving Program (JSLP) yet again, operating under COVID-19 restrictions. The JSLP team consisted of Dianna McKellar (myself) - JSLP Coordinator, Sarah Jo Mason – Vice President Juniors and Tarena Murray - Nipper Representative. The JSLP team worked hard in the months leading up to the start of the season to ensure that "Covid Nippers 2.0" was going to be a success in another COVID-19 climate. With the experience from having a COVID-19 season under our belts, the team focused on planning to ensure the best experience and outcomes could be achieved for our Nippers. It was the changes forced by COVID-19 team in the 2020-21 season that allowed for the program to continue to try different structures and deliver the program differently.

It was another tough year for families, and it was great to see our Point Leo Nippers finally touch the sand and water in December once again. To see those new Nippers starting their journey in their new orange caps, and glance at the water with a little uncertainty, was a wonderful, familiar sight to see. The weather was very kind to us this season and that allowed for more confidence to be built as the season progressed. COVID-19 positive cases were also minimal as a result of families following our guidelines and the structure of the program. This enabled the Nippers to complete the program to the end, where other clubs were forced to close or cancel sessions.

While Point Leo was not able to have a traditional social gathering and celebration, it did not go unnoticed that this season was the 40<sup>th</sup> anniversary of Nippers at Point Leo. Thanks to one generous donor and some wonderful sponsors - C. Fulton Garden and Building Supplies and Bluegum Clothing each Nipper was able to receive a 40<sup>th</sup> Anniversary T-shirt for the season. It was wonderful to see a sea of navy blue t-shirts on the beach and even have one gratefully received by founding Nippers coordinator, Geoff James, in Queensland.

*Pictured 17: One of the first Nipper coordinators and founder, Geoff James, proudly wearing his 40th anniversary t-shirt*

Point Leo Surf Life Saving Club was again one of the biggest programs in Victoria to operate this

season under COVID-19 restrictions. Point Leo welcomed 130 new families to the JSLP with 467 Nippers. The Nippers were able to attend on the same day in 3 sessions for 1 hour with the U12s, U13s and U14s attending for 1.5 hours. Briefings were again not allowed this season and Nippers started straight away on the beach in their designated beach and water areas. The intensive program included 8 sessions in total and included the reintroduction of the Club Championships and Carnival Day. Age groups were able to be placed back into their previous groups of boys and girls. Surf Education was again embedded into the sessions with the U12s attending a Covid Safe face-to-face session on the front lawn and deck area.

*Pictured 18: The JSLP welcomed many new families in 2021/22, including Victoria's Chief Health Officer Brett Sutton and his family*

The beach areas were marked again with bunting for the 'designated Nipper areas' for each age group as COVID-19 guidelines required. Our Nippers again didn't rotate to activities around the beach, instead they remained in their beach area with activity leaders coming to them for water or beach rotations.

## **JSLP Volunteers**

An enormous thank you to Tarena Murray for supporting and organising the Age Managers (AGMs), Assistant Age Managers (AAGMS) and Activity Leaders (ALs) this season. Tarena was

vital each day in ensuring AGMs and ALs were supported, especially those that were new to the roles this year. Tarena and the pandemic team also worked hard to ensure that any members impacted by COVID-19 cases were communicated with promptly. The JSLP are privileged to have many experienced and senior volunteers with Nippers. I know Tarena greatly appreciated everyone's flexibility and support to ensure our large program was again very successful with the new format and the impact from covid on families. Thank you to those who stepped in to cover and assist others.

The AGMs and AAGMs put an enormous amount of time and energy into managing, educating, and supporting our Nippers and their families; many for several years. They are the ones who are the face of Nippers and provide vital support and encouragement, often when Nippers are unsure or needing reassurance. Thank you to all our AGMs and AAGMs for your commitment and time in implementing this amazing program. Congratulations to Rowan Clark and Sharyn Clarke for supporting their U14s to the end of their Nipper journey.

Thank you to our Activity Leaders who kindly volunteered the JSLP their skills, knowledge and enthusiasm. I know our Nippers appreciated your encouragement, support and guidance. Thank you to those who also worked across multiple age groups and offered their experience and support to other AGMs and AAGMs. Planning and engaging Nippers in activities and skills is both rewarding and challenging. Many Nippers feel more confident when they see a familiar face each session and build a connection to another member of the club. Thank you all for your contribution.

COVID-19 again meant that our beach set up and pack up involved more equipment than in previous years, especially with more beach areas operating on the same day. This could not have been done without the preparation and support of Andrew Welsh our Gear Steward and Nick Clarke. Both ensured that the Nipper boards and equipment were ready for the season ahead and led our parent volunteers in the beach set up and pack up each day.

There is an enormous amount of administration work behind the scenes of the JSLP. I would like to acknowledge the hard work before and during the season of Felicity Perry, Sarah Somogyi, Alex McManamey and Nadia Crescia. Without you all we would not have our volunteer rosters set up online, our attendance sheets, our filing sorted, our certificates written and our data entered. Thank you for providing your skills and giving your time.

I would like to acknowledge Kim Williams who tirelessly worked the 'click and collect' uniform shop to ensure our Nippers had all their uniform needs in very challenging conditions, often operating out of the gear shed and courtyard door throughout the season. Thank you to Natalie Johnstone, Mel McPherson, Sandra Williams and Amber Phillips for their assistance in the shop.

*Pictured 19: Celebrating 40 years of Nippers!*

I would like to also thank Kim for her work at the start of the season with the Nipper registrations. With last minute covid safe numbers and information, thank you Kim for ensuring we got the most Nippers we could this season and for your last-minute processing.

Thank you to all our parent volunteers. We cannot operate our program without every little bit of help. Just carrying a board, hanging up a rash vest, spraying down equipment, being a marker on the beach, putting in some beach flags or turning a sausage makes our program fun, enjoyable and successful.

## Water Safety

A big thank you to our Water Safety Coordinators this year; Michael Westaway and

Adam Kyriacou, who ensured our Nippers were kept safe in the water and continued to monitor the operating water areas for each group. To Steve Northcote, Chuck Warner and Chris Oldham for supporting and ensuring the IRB was operational to assist with water safety and setting up our water areas with buoys needed for each session. A huge thank you to all our Nippers, youth, parents and senior members who helped with water safety. Our Nipper program simply cannot operate without our safety requirements being met and to see Nippers come back and help years after they have graduated is just fantastic. Thank you to Club Vice Captain Bridget Barnes for documenting and collecting water safety hours each session.

## Nipper BBQ

This season we were able to bring back the Nipper BBQ. A much loved and missed icon of Nippers at Point Leo and a well earned reward at the end of a session. Thank you to Mark Hopkinson for being our Nipper BBQ Coordinator for the season and for the Junior Carnival hosted by Point Leo. Anyone who volunteered with Mark understands what an enormous amount of effort and time goes into organising the BBQ and Mark is the master. Thank you to all those who volunteered to feed our Nippers each session and assisted in raising funds for the program.

## Sunday Sessions

This season there were four Sunday Sessions in February after the JSLP. Each session ran for two hours with Nippers in three groups; U8 with U9, U10 with U11 and U12, U13 and U14 combined. Thank you to Daniel Kogler, Tarena Murray and Jon Ford who co-ordinated and supported the Nipper Sunday Sessions. Thank you also to all the AGMs, AAGMs and ALs who supported the Sunday Sessions. It was wonderful to see former Nipper Coordinator Sarah Jo Mason show her expertise in leading Nippers when required to step in. The Sunday Sessions were a great opportunity for Nippers to participate with others, continue to develop their skills and confidence and fine tune their competition skills.

I would like to acknowledge and thank Sarah-Jo Mason for her continued support and development of our Juniors and for her unwavering support of the JSLP under such challenging personal circumstances.

Congratulations to our U14 Nippers and the Junior Club Co-captains - Orlando Clark, Noah Kyriacou, Grace Lillywhite and Murphy Clark who have been a driving force this season as role models and support for the JSLP. They have been amazing young leaders for our younger Nippers with their enthusiasm, engagement and encouragement.

It has been a great privilege to again be the JSLP Coordinator this season, especially in the 40<sup>th</sup> year of Nippers. Personally, being in the first group of Nippers at 4 ½ years of age, it has been something very special to again be involved in.

Best wishes for the 2022-23 season.

*Pictured 20: (from left to right) Junior Club Co-Captains Orlando Clark, Noah Kyriacou, Grace Lillywhite and Murphy Clark*

**Dianna McKellar**

Junior Surf Life Saving Program Coordinator

## Junior Team Manager's Report

Like all club operations the Junior Surf Sports program was affected by COVID-19 across the whole 2021-22 season. Thankfully LSV were proactive and responsive in dealing with COVID-19 issues enabling a reasonably full carnival season to proceed.

There were some difficulties finding a Junior Team Manager so I stepped into the role to support the Junior Surf Sports program. Kylie Clark provided me much support and guidance for which I thank her. In addition, Kim Laity completed all carnival entries which was a great help. Over the season we developed and refined the systems underpinning the Team Manager role with the goal of making the process easier in future. This included identifying "Competition Age Group Managers" committed to promoting surf sports competition and attending all carnivals. This initiative proved very successful in generating engagement in competition. Tarena Murray has agreed to be Junior Team Manager for season 2022-23 with support provided by Kim Laity, the Comp AGMs and myself, which is a great outcome!

The following carnivals were attended (in order of occurrence) with the number of Point Leo SLSC entries (based on Sports App data) listed

1. Ocean Grove SLSC – 17 entries
2. Mount Martha LSC – 19 entries
3. Cosy Corner (Torquay) – 91 entries but carnival cancelled due to weather
4. Point Leo SLSC – 100 entries
5. Mordialloc LSC – 81 entries
6. Lorne State titles – 54 entries

It was a fantastic result to get such high numbers of entries, particularly after the disappointment of Cosy Corner being cancelled. The increase in engagement from U8-U10 with carnivals was particularly pleasing. State Titles numbers were significantly affected by COVID-19 with many late withdrawals as well as the three day program structure (with a late change mandating many of the events move to Friday due to weather). One thing surf sports teaches is flexibility and agility in the face of change that you can't control!

The Junior Surf Sports Program (JSSP) training sessions for 2021-22 were held from October 2021 to States in March 2022 with most participants being in the U11-U13 age groups. These sessions with approximate numbers included:

- Tuesday board (numbers between 10-40)
- Thursday iron in conjunction with senior iron (junior numbers between 10-20)
- Sunday board/swim (numbers between 10-50)
- The Sunday Sessions following the Junior Surf Lifesaving Program (JSLP) three week intensive were very popular (typically 60-80 participants) with Senior/Masters Surf Sports competitors providing the majority of the coaching
- A small number of "building confidence" sessions were held in December 2021 and February 2022 designed for less confident and/or younger age groups

The Thursday iron sessions in particular were a major highlight with up to 50 competitors from Juniors/Seniors on the beach training hard in their transitions from water to beach; coached by senior athletes including Caleb Gray, Bella Austin and Harry Atkins.

A fantastic initiative of LSV/SLSA was the inclusion of U13 competitors in Senior Surf Sports carnivals during the season and also at Aussies enabling teams to be formed with U14 competitors.

States were held at Lorne with some solid surf and a modified program. Point Leo SLSC came a respectable seventh after a number of late withdrawals due to COVID-19 and the program changes. Full results can be seen on page 46 but commendations to Oscar Skehan, Claudia Kogler, Max Alekna, Luca Phillips and Patrick Benson for accumulating significant points in the individual State Champion results with Oscar winning the U13 Boys Beach Championship!

Special mention to the following Gold medallists at States: March Past Team, Oscar Laity U11 flags, Oscar Skehan U13 board and the U13 male board rescue team.

*Pictured 21: The March Past team who won Gold at Junior State Championships*

Aussies were held at North Kirra (QLD) and our U13 Juniors held their heads high in their first National championships. Congratulations to Max Alekna, Paddy Benson, Luca Phillips and Oscar Skehan for proving themselves against the best in the country. There were a number of competitors making finals and/or just missing out which is a sensational result!

Thanks to all the people who helped to make this season a great success particularly water safety, IRB, officials and trailer drivers. As our Junior Surf Sports program continues to grow we will need more helpers and there will be opportunities for officials and IRB training over the off season. Also many thanks to all the club representatives from the committee and JSLP program who have supported the JSSP. The coaches of the JSSP (Luke Skehan, Amber Skehan, Darius Alekna, Tim Farrell and Chris Watt) also put countless hours in supporting the development of surf skills; thank you!

If you want to support your junior children in surf sports there's nothing better than getting your Bronze, joining the Masters training program and competition team and helping out with JSSP coaching and water safety; good for fitness, fun and role modelling!

Looking forward to a bigger and even better 2022-23 in the Junior Surf Sports Program.

**Jon Ford**

Team Manager (Junior)

## Youth

Lion's Den is the Point Leo SLSC program for the U15 and U16 cohort (aka Cadets), following on from their Nippers graduation. The aim is to provide our youth with special opportunities to remain involved in all aspects of the club, as valued and active members, and to continue having lots of fun hanging out with their lifesaving friends and enjoying life.

Lion's Den is in its second year and the pilot program, developed by Sarah-Jo Mason and sponsored by BlueScope Westernport, won the LSV Outstanding Achievement of the Year award in 2021. Wow!

*Pictured 22: The 2022 Lion's Den Program*

This season, despite the ever-changing COVID-19 environment, we were able to do most planned activities, with some modifications. It was fabulous seeing the kids walking around in their exclusive Lion's Den T-shirts, thanks to the talented Anna Cahill. There were two beach and water sessions, a First Aid course, a Mates mentoring session for U16s, and a two-day swim camp for the U15s (which included a range of activities; including motivation and connection, yoga, water sessions and of course a great merchandise pack thanks to Bluegum). The only activity that had to be cancelled was our blow-up

outdoor cinema social night – so we look forward to this next year!

In addition, and importantly, this group eagerly provided water safety to the Nippers, following the U15s completing their SRC skills maintenance and the U16s achieving their Bronze Medallion. This group also found other ways to be involved, including rostered patrols and surf sports.

This program could not have run so well without the combined support of many people. A special shout out to our young leaders who played a crucial part; Harry Atkins, Lachie Robinson, Bella Warner, Jasper Romari, Caitlin Robinson, Kate Brooks and Myles Irwin. Thanks to Sarah-Jo Mason, Kim Williams, Julia O'Shaughnessy, Sam Hunt, Adam Kyriacou and Tamara Heffernan for the roles you all played, volunteering your time and expertise.

*Pictured 23: The 2022 Lion's Den Program*

Finally, a big thank you to the kids for embracing Lion's Den and bringing their positive attitudes, enthusiasm and smiles – you are amazing young people and what a great asset to the club you all are! We look forward to another fantastic Lion's Den program next year.

**Fiona Romari**

Youth Development Team

## Honorary Life Members

This year the Club awarded Honorary Life Membership to Michelle Royal-Hebblewhite.

Michelle has been a member of Point Leo SLSC since January 2003. Since joining the Club, Michelle has been extremely active as both a patroller and training and assessing club members. Club records reveal that Michelle has completed almost 650 hours of patrol at Point Leo and in 15 of these years she recorded more than 16 hours.

Michelle served on the Club committee from 2004 to 2010 in a number of roles – Registrar, Vice-President, First Aid Officer and LSV Delegate. In another voluntary role Michelle worked at LSV on communications.

Michelle facilitates our First Aid and ART courses and assesses our Skills Maintenance sessions and our Bronze Medallion and SRC candidates. She is always available to assist in training and assessing when required, quite often with other local Clubs.

*Pictured 24: Michelle receiving the Club Captain's award at the 2021 Presentation Night.*

Michelle was presented with her HLM medallion and certificate at a function at the Club on Boxing Day 2021.

## Tamara Brawn

Honorary Life Members Committee

## Vale Richard N (Dick) Ellis

Dick Ellis was a few years ahead of me at school and I had never spoken to him prior to my joining Point Leo in December 1961. However, I was aware he had been a member of the school swimming team and had co-founded Point Leo SLSC in 1955.

At the time I joined the club Dick was coach of the Senior Rescue and Resuscitation (R&R) team and on State Centre's Board of Examiners. The first surf carnival I attended (Lakes Entrance, 28 January 1962) was an historic day in the Club's history, as it saw Dick's team score the club's first ever Senior R&R win. For the record, the team comprised Geoff James, Eddie Kidd, Mike Caraher, Geoff Ewert, Alan Warby and the late Doug Woolley. This success inspired Geoff Ewert and Eddie Kidd to take on R&R coaching roles the following season and led to several years of outstanding results at state and national level, which in turn inspired the late Geoff Waters to coach Point Leo teams to further successes,

building on the foundations originally laid by Dick.

*Pictured 25: The celebration of the club's first bronze squad in April 1912. (from left to right) The late John Forsyth, Geoff Ewert, Ian Stuart, Dick Ellis (Coach), Claus Newhouse, Don Roberts*

Dick maintained his association with Point Leo all his life, serving as Captain for the Club's first two seasons and Chief Instructor from 1959-61. He was an Honorary Life Member and later Life Patron of the Club. After retiring

from the workforce, he and Heather turned their holiday house at Shoreham into their permanent home. For several years he spent many long hours cooking sausages for the Nippers and their parents and thoroughly enjoyed catching up with other members of the

Bobbas in performing this service, as we did in seeing him again.

Unfailingly affable and friendly, Dick was a great figure in the history of our club.

## Richard Batchelor

## Gary Tierney Foundation

### The Past Twelve Months

For over a decade now, the Gary Tierney Foundation has provided support to the Club's young members, to allow them to pursue their lifesaving interests. It has been a pleasure to continue this work over the past year. The Advisory Board was excited to offer two Gary Tierney Foundation Fellowships, continue its financial support to recent Fellows, and make financial contributions to the younger team members attending Aussies in Queensland.

Outgoings on grants and subsidies exceeded income by \$3,065 (before allowing for changes in the value of the Foundation's investment with the SLSF Surf Rescue Fund). This small cash operating loss is not of concern to the Advisory Board, having regard to the long-term position of the Fund and the overall strength of its Balance Sheet. At year end, the Fund balance was some \$250,000, which exceeds the initial target corpus of \$200,000.

The Foundation has continued its conservative approach to fundraising with income being sourced only from donations and interest received from cash investments. The bulk of its funds are invested in term deposits, but historically, 1/3 of the fund was invested in a balanced investment account with the Surf Life Saving Foundation (SLSF). While not recognised as income for the purposes of the financial summary, the Foundation's balance sheet has benefited from unrealized gains in the SLSF Rescue Fund investment of some \$6,500 for the year.

### Gary Tierney Foundation 2022 Fellows

Fellowships were awarded during the year to two extremely worthy recipients, Romy Lipszyc and Harry Atkins. As in past years the standard and

quality of the young active members in Point Leo SLSC is reflected in both nominations.

*Pictured 26: (from left to right) Romy Lipszyc and Harry Atkins receiving the Gary Tierney Foundation Fellowships at the 2021 Presentation Night*

Romy joined the Club in 2005 at the young age of 8 and since then been engaged in all aspects of lifesaving. Romy has multiple lifesaving awards and has always been keen to pass on the knowledge gained by taking a leading role in SRC and Bronze camps and Nippers surf education programs both as a trainer, and an assessor. Her patrol record has been outstanding particularly as Patrol Vice-Captain and as Patrol Captain. In 2021 Romy received her 10 Year National Patrol Service Award. She has served on the Club committee since 2017, taking on the roles as social media officer, the Mine Editor and Vice-President – Communications. This year she took on the role of Club Captain.

Romy has been leader in encouraging the Club and club active members to become involved in new aspects of lifesaving such as RUOK, Pink Patrols, Pride Patrols and continues to be active in the LSV Female Leadership Network and the LSV Mentor Program. Her infectious enthusiasm is always evident, whether on the beach, in Club fundraising or social functions.

Harry became a Nipper in 2006 and was involved until 2012 when he left the Club to concentrate on his schooling. He re-joined in 2018 and over the past four years has been very active in lifesaving and competition activities for Point Leo. He is an excellent swimming competitor and has been active in passing his attributes to other club competitors and the public. He has been a swim station leader in the Club's Nipper program and a swim leader in the "Lions' Den" Youth Swim Camp as well as assisting primary schools, including Somers and Hastings, with their surf awareness programs.

Harry has a proud record as a competitor representing the Club, has been the Club Swim Captain for the past 3 years and last year was named the winner of the inaugural John Marshall Swim Competitor of the Year. He has joined the Club's coaching program and his objective now is to improve his ski and board skills so that he can play a greater role in improving the Club's competitive standards.

Both Romy and Harry have clear visions about the future direction of the Club particularly regarding lifesaving and community participation on the beach at Point Leo and both are willing to share their plans with other members and lead by example. Romy and Harry received their 2022 GTF Fellowship Awards at the Club Presentation Night held at the Flinders Hotel on 11th December 2021.

#### Past Fellowship Award Recipients

2011 - Lachlan Pearce	2016 - Caleb Gray
2012 - Victoria Roadnight and Tom McFarlane	2017 - Brittany Morgenthaler and Andrew Nott.
2013 - Rose Anderson	2018 - Lachlan Robinson
2014 - Jack Gardner	2019 - Josh Doherty and Sam Richardson

2015 - Bella Ford and Zachary Richter	2020 - Rhys Cole
2021 - Caitlin Robinson, Ella Laussen, and Isabella Austin	

## Financials

As of 30 April 2022 the Gary Tierney Foundation Fund balance stood at \$253,093, an increase of \$3,626 over the prior year. Income was \$7162 from donations and bank interest. Outgoings amounting to \$10,066 comprised \$7,200 in Fellowship Grants, \$2,800 in subsidies to younger club competitors attending the SLSA National Championships in Queensland, and sundries of \$36.

The Foundation's long-term investment of \$70,000 in the Surf Life Saving Rescue Fund was valued at \$96,977 as at 30 April 2022, an increase of \$6,500 since 2021. This increase reflects the relatively positive performance of global financial markets despite ongoing impacts on the economy of COVID-19. The Advisory Board continues to monitor this investment closely. The balance of funds invested of \$155,925 is with the Bendigo Bank in cash and in term deposits at prevailing market rates of interest.

Income 2021/22	
Donations	\$5,800.00
Interest: Operating account	\$17.65
Interest: Term deposits	\$1,344.59
<b>Total</b>	<b>\$7,162.24</b>
Expenditure 2021/2022	
Grants	\$7,200.00
Certificates	\$36.00
Subsidies	\$2,800.00
<b>Total</b>	<b>\$10,036.00</b>
<b>Net Surplus (Loss)</b>	<b>-\$2,873.76</b>

## The Future

The Advisory Board will continue to provide financial support to allow younger members of Point Leo SLSC to fulfil their potential in surf lifesaving. The Foundation will provide grants or funding as Fellowship Grants or as Single Purpose Grants. Since its inception, the Fund

has disbursed over \$70,000 in grants while growing its capital base, giving the Board confidence that its work will continue for many years.

### Gary Tierney Foundation Governance

The Gary Tierney Foundation is managed by an Advisory Board. During the year, the Board consisted of Tom Mollenkopf (Chairperson), John Horwood, Haydn Tierney, Bella Ford, Kelvin Anderson, Tamara Brawn and Luke

Treadwell. The Foundation's Patron is Louise Tierney.

The Foundation's finances are audited annually as part of the Club's statutory audit and maintains a separate bank account to ensure that donations to the Foundation are quarantined and only used in accordance with and as specified by the Foundation's Governance Charter.

## Tom Mollenkopf

Chairperson, Gary Tierney Foundation

## Point Leo Swim Classic

It was fantastic to again have the Point Leo Boxing Day Classic live and in person this season. It is a great testament to our club membership that we can run such an event so smoothly. Thanks go to all those involved in helping and particularly to the team leaders including: Bridget Barnes, Andrew Nott, Sam Richardson, Marc Aliotti, Nick Clarke, Mick Treadwell, Andrew Gibson, Stacey Lethlean, Kim Williams, Iris Cassell, Brooke Mollenkopf, Chris Oldham, John Gallagher, Romy Lipszyc, John Horwood, Alf Treadwell, Adam Lipszyc and Tamara Brawn. Once again our water safety team were outstanding, keeping all of the competitors safe and in good spirits with their support. Thanks to Haydn Tierney for coordinating the cool t-shirts. Also, a shout out to the boaties who coordinated the entry gate as a fund (and fun!) raiser.

*Pictured 27: The 2021 Boxing Day Classic 1.2km Swim*

A highlight of the day was the opportunity to officially launch the new surf boat and to thank our friends from the Balnarring and District Community Bank for their generous support. It

was great to see some of the vintage club legends joining the current crop to christen the boat with champers over the bow!

### Results:

#### 4km Beach Run:

	8 to 11	12 to 16	17+
<b>Male 1st</b>	Thomas Hunt	Joshua Carlin	Reuben Wakefield
<b>Male 2nd</b>	Oliver Rhodes	Luca Philips	Dylan Curtin
<b>Male 3rd</b>	Max Slattery	Max Alekna	Harry Mezger
<b>Female 1st</b>	Isobel Rhodes	Miranda Aumont	Rebecca Henderson
<b>Female 2nd</b>	-	-	Louisa Carter
<b>Female 3rd</b>	-	-	Georgina Hunt

#### 2.5km swim:

<b>Male 1st</b>	Tommy Lane
<b>Male 2nd</b>	Malachy Brennan
<b>Male 3rd</b>	Luke Tucker
<b>Female 1st</b>	Rebecca Henderson
<b>Female 2nd</b>	Jessica Ewart-McTigue
<b>Female 3rd</b>	Alice Adams

#### 1.2km swim classic:

Across all age groups	
<b>Male 1st</b>	Harry Atkins
<b>Male 2nd</b>	Cody Greenwood
<b>Male 3rd</b>	Haydn Tierney

<b>Female 1st</b>	Rebecca Henderson
<b>Female 2nd</b>	Kelly Stubbins
<b>Female 3rd</b>	Molly Thwaites

Above are the people who swam the three fastest times from all age groups in the Swim Classic. Congratulations to all those who competed and completed the course and particularly the place getters in each age category.

Thanks again to our major club sponsor Mornington Prime Cuts and to our race sponsors the Balnarring and District

Community Bank and Paton Real Estate. Thanks to Millar Merrigan for supporting t-shirts to key volunteers. Thanks also to the Point Leo Foreshore for the opportunity to collect the gate takings. Our generous sponsors have helped again to make this event a great fundraiser for the club. We ask that members in turn support these excellent local businesses.

We look forward to doing it all again next Boxing Day!

## Simon Merrigan

Swim Classic Co-ordinator

## Point Leo SLSC Bobbas

With the easing of pandemic restrictions the Bobbas have been a little more active both as a group and in helping out at the Club when required. The Bobbas were formed in 1968 primarily as a vehicle to keep those original members of Point Leo SLSC in touch with each other after they began leaving the Club because of other priorities – family, employment and so on. Happily, we were able to hold lunches at Kooyong Lawn Tennis Club in July and December last year.

Late in 2021 the Bobbas were requested by the Club boat section to choose a name for the new surf boat that had been donated to the Club by the Balnarring and District Community Bank Branch. As one can imagine this was a hot topic amongst Bobbas with plenty of suggestions but no resolution. It was finally agreed that a decision would be made at the December luncheon. After much discussion it was resolved that the new boat would be named 'Bobbas' with the boat being launched on the beach at Leo on Boxing Day.

On a number of occasions, the Bobbas were able to assist the Club at special events. Annually, on Boxing Day, the Club holds the Point Leo Swim Classic, a major fundraiser for the Club. The Bobbas took on the role of COVID-19 Security Marshalling with the prime responsibility of checking the vaccination status of all competitors. No vaccination, no swim. Not the most pleasant of roles but all

competitors were happy to oblige and the process went well. The Bobbas also assisted with the handout of medals to the Swim placegetters and provided a BBQ breakfast for the early morning workers setting up on the beach for the event.

*Pictured 28: (from left to right) John Horwood and Garry McKellar with the new "Bobbas" surfboat at the 2021 Boxing Day Classic*

In February this year a Nippers carnival was held at Point Leo. As in the past the Bobbas were asked to organize car parking on the foreshore for those competing and attending, and in the club car park where club gear trailers were situated. Always a challenging role but everyone kept their cool and it was successfully carried out.

Also, in February the Bobbas assisted with a BBQ that was held to thank the parents of the Nippers March Past team for their support and understanding during training leading up to the State Titles. The team coached by Jan Williams and Diane Silver was successful at the States held at Warrnambool.

During the year an informal gathering of Bobbas takes place in the clubhouse at Leo on a Friday evening for an hour or so, just to keep in touch.

## Future Project

Many of us have had the chance to enjoy a wonderful summer at Point Leo this year and while use of the clubhouse has been limited for much of the past 12 months, the Club's Future Project Sub-Committee has not been asleep.

Members will recall the substantial redevelopment concept plans that were first presented at the 2017 AGM. These exciting plans envisaged a staged process that would see the renovation and extension of the Point Leo Facility with a view to providing a safe, effective and enjoyable place to serve the Club's growth and emerging needs, and those of our community.

With the generous support of the Victorian State Government, Lifesaving Victoria, and Balnarring and District Community Bank Branch, and several kind donations from amongst the membership, in 2018 we undertook Stage 1 of the works: a major refit of the toilets, change rooms and downstairs kitchen. Since then, the club has been thankful to have funding support from the Mornington Peninsula Council for the preparation of a

Sadly, in July last year we lost Doctor John Silver; a proud Bobba and an Honorary Life Member of the Club. John was an excellent beach sprinter back in the 1960s and for many years was the Club's honorary medical officer, many times helping out with Bobbas and other Club members who were not doing well.

We do have a couple of Bobbas who are not enjoying the best of health and we continue to monitor the situation and keep in touch.

As in the past the Bobbas as a group are very proud to be associated with the Club and we are particularly keen to help the Club when needed. We are very aware that Point Leo SLSC continues to be a force in Victorian Surf Lifesaving and the Bobbas will do anything to ensure that it stays that way.

**John Horwood**

Bobbas Convenor

master plan (by Cox Architects), and has been successful in gaining critical grants including from the Federal Government and Lifesaving Victoria for the Stage 2 works. This will allow us to tackle some major issues, which have been split into 'internal' and 'external' works. The proposed works are summarised below.

## Internal works – began construction in June 2022

- Providing a multipurpose room that can be used for training courses, meetings, group presentations and as a 'youth hangout' space, with dedicated multimedia equipment and storage for training furniture
- Relocating the caretakers room to the North East corner of the clubhouse, to free up much needed space in the more 'active' part of the clubhouse adjacent to the First Aid room

Detailed design has been completed by Cox Architects in close consultation with the Club committee and the Club's training and youth

leaders. We have now secured funding, approvals and a builder to begin undertaking the 'internal' works, with works recently commencing. The new spaces will be completed within a few months, and will be ready for members to enjoy for next summer!

*Pictured 29: The plan for the multipurpose room, for which construction will begin in June 2022*

### External works (estimated date 2023-2025):

- Replacing the existing shipping containers, currently used for storing competition and lifesaving gear, and building an attractive and

environmentally sympathetic storage space

- Better access on the east side of the facility providing direct access from the carpark to the changerooms and separating pedestrian and vehicle movements
- New external shower, recreation and barbeque areas

Plans are currently being discussed with relevant agencies (including Council and in the near future the Department of Environment, Land, Water and Planning), and we are optimistic of in-principle approval. We can then share plans and move to detailed design.

### Future Works

We also have an eye to Stage 3 and beyond. The Future Facility plan provided an exciting master concept. We will be simultaneously testing and validating the concept plan over the coming 12 months, drawing on the experience of several other lifesaving facility redevelopments around the coast. We are looking forward to moving forward on this with your support!

## President's Awards

### Dick Catterick Award – (Best Club Member) – Luke Treadwell

*This award recognises a member who has made an outstanding all-round contribution during the season. Presented in memory of the late Dick Catterick who was the Clubhouse caretaker/supervisor in the 1970s and 1980s.*

Luke Treadwell joined the club as a six-year-old Nipper and now embodies many of the values that our club holds dear and is so deserved of the Dick Catterick Award, with contributions made across several areas of the club. He does this in a quiet and unassuming manner, engendering confidence in club members around him. Luke is supportive of others within the club and is incredibly inclusive and welcoming to all members who cross his path.

Luke is a solid and reliable member of the WoodChucks Patrol and has accumulated 31 patrol hours this season. Luke also drives IRBs, providing water safety for our numerous activities. This has included IRB coordination at many events in the past. He is dependable, highly competent and will show up and assist whenever called upon, whether it be carnivals, the Swim Classic, or other events. Luke has also in previous seasons, been the recipient of a Lifesaving bravery award for a dramatic IRB rescue.

Luke's long-term vision for the club is inspiring and he has shown outstanding leadership and achieved great outcomes in his role leading the Future Projects subcommittee. This has included significant collaboration with internal and external stakeholders to ensure that our staged redevelopment achieves the best possible outcome for our Club and community. Luke brings his technical knowledge and organisational skill in dealing with complex issues around satisfying regulatory and design requirements for building works and in coordinating consultants and contractors to deliver these outcomes. Our Club is very fortunate to have had a person of Luke's capability and expertise to lead the design and delivery of the exciting next phase of the club's redevelopment.

Luke is also a highly valuable member of the Committee offering considered, sound and insightful advice and perspectives across a range of issues.

Luke's dedication to Point Leo SLSC is exemplary and demonstrated by the time and energy he devotes to the club. Congratulations Luke!

### President's Award (Senior) – Brittany Morgenthaler

*This award recognises a member who has made an outstanding contribution to the Point Leo SLSC and has demonstrated leadership in one or more Club and Life Saving Victoria activities, competitive performance, fostering of team spirit and personal conduct.*

I have had the pleasure of knowing Britt Morgenthaler since she was a young nipper, and it has been wonderful to watch her develop into such an accomplished, warm, and genuine person who is so passionate and dedicated to her role as Chief Instructor.

Whilst the President's Award recognises the achievements over the last year, it is integral to note that this is the seventh season that Britt Morgenthaler has taken on the role of Chief Instructor.

The last two years have been incredibly challenging for Britt with the need to restructure and pivot all training and Skills Maintenance to meet very restrictive COVID-19 guidelines. Britt ensured that all required club members' awards were updated and that SRC, Bronze, First Aid and IRB courses were delivered. This required delivering each course over multiple sessions as COVID-19 restrictions placed limits on the number of participants in each course at any one time. Despite this seemingly impossible task, training courses were made available, remained high quality, engaging and fun. Britt handled this enormous task with her quiet, confident, and self-assured demeanour and with grace.

Britt continues to be a dedicated patroller with over 29 hours accrued this season. She has previously been a Patrol Vice-Captain and now mentors other Patrol Captains. She is generous with her time and is always willing to assist others when required.

Britt continues to be a valuable member of the committee providing support to other committee members and I congratulate Britt on receiving this much deserved award.

### **President's Award (Junior) – Liam Whitehouse**

*This award recognises a Junior member (U15 – U19) who has made an outstanding contribution to the Point Leo SLSC and has demonstrated leadership in one or more Club and Life Saving Victoria activities, competitive performance, fostering of team spirit and personal conduct and demeanour.*

Liam Whitehouse is a quiet achiever and strong contributor to the Point Leo SLSC and as such a well-deserved recipient of this award.

Liam has continued his role as Patrol Vice-Captain this season. Liam has completed 46 hours of patrol and an impressive 29.75 hours of water safety. Liam completed his IRB Crew Certificate with intention to complete his IRB Driver course this coming winter. Liam is an extremely dedicated patroller and has maintained his presence around the club while completing Year 12. He takes the time to get to know all his junior patrollers and constantly keeps them engaged and excited throughout patrol. Liam is an experienced first aider and volunteered this year at the Point Leo Junior Carnival.

Liam has consistently been an incredible support to the Junior Surf Lifesaving Program (JSLP) Throughout the JSLP season, Liam has been a valuable member of the water safety team in and out of the IRB; demonstrating effective leadership with the young SRC and Bronze Medallion members. Liam's experience and maturity has been very much appreciated by Age Managers, Activity Leaders and the Junior Programs support crew.

This season Liam has also stepped up into a training role at Point Leo SLSC. He assisted on Bronze Camp this year as a trainee-trainer. He eased into this role with confidence and stepped up to facilitate sessions by himself. Liam, throughout the training sessions, always found ways to contribute through provision of water safety, packing away equipment or just being present to support the other trainers. Liam was an incredibly fun and friendly trainer, and we look forward to having him more involved in training next year.

Liam has contributed across so many areas of the club, demonstrating commitment, dedication, and leadership. Congratulations Liam!

## Major Award Recipients

### Club Captain's Award – Ella Swaney

*This award recognises a member whose contribution to club operations demonstrably enhances the development of lifesaving at the Point Leo SLSC or whose commitment to patrol operations, training and education, youth and leadership development or the Junior Lifesaving Program has excelled.*

Congratulations to Ella Swaney, our 2022 Club Captain award winner. Few clubs encounter the luck of having a dedicated and talented member such as Ella Swaney.

Ella has shone in her role on the committee as Vice-President Communications, from photography mastery and excel spreadsheet wizardry, to the eloquent publications of our social media and The Mine, Ella's command of the role is gratifying to observe.

A retired patrol captain, Ella still continues to maintain a hefty belt of qualifications, and consistently steps in as patrol captain, IRB driver or ARTC patroller when a gap needs filling. Ella is also one of our club's trainers, and is on her way to attaining her assessor's qualification; Ella is a kind, thorough and engaging member of the training team, well-respected and loved by her peers and the course participants.

It is Ella's drive for our club's social advancement and her genuine goodwill, that I am most proud of. During the Covid-19 pandemic, Ella put her hand up on behalf of LSV to volunteer with Ambulance Victoria, becoming proficient in driving an ambulance and tending to 000 calls.

Furthermore, Ella, along with many other amazing members, is consistently present at Pink Patrol, Pride Patrol and the Midsumma Saint Kilda Pride March. There is no doubt in my mind that Ella will continue to pursue fostering a welcoming and safe space at Point Leo Surf Life Saving Club. Thank you for your dedication and efforts over the 2021/2022 season, Ella, you're one of a kind.

### Outstanding Achievement – Legends Patrol

*This award recognises outstanding achievement(s) or contributions in any sector of club activity during the current season.*

This year's Outstanding Achievement of the Year is the impressive, highly competent management of incidents throughout the season by the Legends Patrol. The Legends Patrol, aptly named, is led by Patrol Captains Andrew Gibson and Michelle Royal-Hebblewhite.

The Legends managed a major first aid response to a spinal injury which resulted in a very positive result and an incredibly appreciative patient. On the same day in January 2022, the Legends patrol was audited and received a 1000/1000 points score. An amazing result!

The Legends also undertook another major first aid response to a surfer who had a heart attack on Good Friday. This patient was brought to the patrol tent by off-duty Point Leo surf lifesavers and also resulted in a positive outcome. Throughout the season they attended to many other first aid responses and treated all with professionalism, calmness, and expertise.

Patrols are our core business and the Legends demonstrated that we continue to provide a safe environment to those who visit the beach and continue to provide effective and quality responses to members of the public when required.

### Patroller of the Year (Geoff Waters Perpetual Trophy) – Georgia Cassell-Ashton

*The Patroller of the Year award is presented each year in recognition of excellence and commitment to patrolling.*

This year the Senior Patroller of the Year is awarded to Georgia Cassell-Ashton.

Georgia has made a significant contribution to Point Leo patrols this year by stepping into the role of Patrol Captain and completing 65 hours of patrol and 15 hours of water safety. Georgia has been a professional and committed leader of her Patrol. This season she has volunteered to fill in as Patrol Captain on other patrol teams when that captain was unavailable. She has demonstrated her commitment to public safety by always lending a hand to families needing special access to the beach by helping them with the beach wheelchair or the ATV.

Georgia has also volunteered in the First Aid tent at the Point Leo Junior carnival. Georgia has been involved in several first aid incidents at Nippers and on her rostered patrol. She has also executed many preventative actions to keep the beach safe, including a mass clean-up of blue bottles on the ANZAC Day long weekend.

Georgia has also demonstrated an outstanding attitude towards her role as Patrol Captain. Georgia, along with her vice-captain Hannah, have created a welcoming environment for all young patrollers. Georgia has taken the time to get to know her new patrollers and help support them and strengthen their skills across the season.

### **Junior Patroller of the Year – Charlotte Ashby**

*The Junior Patroller of the Year award is presented to a Junior member (U15 - U19) each year in recognition of excellence and commitment to patrolling.*

This year's Junior Patroller of the Year is awarded to Charlotte Ashby.

Charlotte completed her Bronze Medallion at the start of the season in incredibly tough conditions. Yet Charlotte displayed incredible resilience to achieve her award and has been a valuable member of her patrol team ever since.

Charlotte has demonstrated a significant contribution to patrol duties across the current season clocking up 44 hours of patrol. Charlotte only missed two of her rostered patrols for the whole season. She has been an enthusiastic and friendly member of her patrol. She was keen to learn more skills on patrol and has completed her First Aid certificate through the Lion's Den program.

## **Life Saving Victoria Awards of Excellence winners 2020/2021**

### **Emerging Official of the Year – Georgia Cassell-Ashton**

As a fairly new technical official (second year) Georgia was selected to fulfill the role of Area Risk Response Officer (ARRO) and was responsible for making sure every athlete that entered the water came back in safely and, in the case of an emergency, was responsible for facilitating the rescue operations for her designated water area. She participated in the safety team at Youth/Senior and Masters State Championships in 2021; both events were particularly challenging given the surf conditions and weather.

### **Outstanding Achievement of the Year – The Lion's Den (Point Leo's Youth program for 14-15 year olds)**

The Lion's Den was developed by our VP Juniors Sarah-Jo Mason to leverage off the U14 program and address the club's issue of engaging and retaining the age group of 14- and 15-year-olds. It is a two-year program that aims to bridge the gap between SRC and Bronze medallion qualifications being attained. The program will support our youth through their lifesaving journey as active, resilient

volunteers vital to the ongoing wellbeing and livelihood of our membership so we can continue to keep our community safe on the beach.

## **National SLSA Medal for Sustained Service**

We congratulate our three Point Leo SLSC members, Andrew Gibson, Michelle Royal-Hebblewhite, and Clayton McDonald who have each been awarded the prestigious Surf Lifesaving Australia National Medal for their sustained service and commitment to Surf Life Saving.

The National Medal is awarded to individuals on behalf of the Governor-General of Australia, His Excellency General of Australia, His Excellency General the Honourable David Hurley AC DSC (Retd).

Established in 1975 as a military recognition award, the National Medal has since branched out into government and voluntary organisations and is now Australia's most awarded civil medal. Other organisations that present the National Medal include emergency services such as Police, Fire and Ambulance services as well as other voluntary organisations such as search and rescue groups and Surf Life Saving.

The National Medal is available to Surf Life Saving Australia volunteers who are eligible with a minimum of 30 hours each season, who have completed a minimum period of 15 seasons, from 1986.

Andrew has patrolled for 24 consecutive years and amassed a total of 1471 hours of patrol. Each season he patrolled for over 30 hours thereby meeting the criteria for the National Medal. Most seasons he completed over 50 hours. In two seasons he completed over 80 hours.

Clayton has completed over 1283 hours of patrol since he started patrolling in the 1979/80 season. He has completed 30 hours or more of patrol for over 20 years which meets the criteria for the National Medal for sustained service to Surf Life Saving of 30 hours of patrol for 15 years since 1986. In 6 of those seasons, he patrolled for more than 50 hours.

Michelle has patrolled for 18 consecutive years at Point Leo for a total of 1019 hours. In 15 of these years Michelle completed over 30 hours of patrol thereby meeting the criteria for the National Medal. In two of these seasons, she was also patrolling at Bonbeach SLSC completing 136.75 hours in 2007/2008 and 122.25 hours in 2008/2009.

We are fortunate to have these three outstanding volunteers at our club who continue their selfless commitment to Surf Lifesaving. They are incredible leaders, role models and absolute veterans of the Club.

Congratulations again Andrew, Michelle and Clayton, this Award recognises your remarkable contributions, and we thank you for your service to our community.

## Award Recipients

Dick Catterick Award (Best Club Member)	Luke Treadwell
Point Leo SLSC Senior President's Award	Brittany Morgenthaler
Point Leo SLSC Junior President's Award	Liam Whitehouse
Club Captain's Award	Ella Swaney
Outstanding Achievement of the Year	Legends Patrol

## Vigilance and Service Awards

Senior Patroller of the Year	Georgia Cassell-Ashton
Junior Patroller of the Year	Charlotte Ashby
Patrol Hours Bronze Award	Edward (Chuck) Warner (68 hours)
	Nathan Millar (66 hours)
	Georgia Cassell-Ashton (65 hours)
	Andrew O'Hara (60.5 hours)
	Michael Treadwell (60 hours)
	Nicholas Woods (60 hours)
	Charlie Cassell-Ashton (59.5 hours)
	Charlie Appleton (53.25 hours)
	Michelle Royal-Hebblewhite (53 hours)
	Myles Irwin (51 hours)
	Andrew Gibson (50 hours)

## Surf Sports Awards

Male Athlete of the Year	Harry Atkins
Female Athlete of the Year	Bella Austin
Junior Female Athlete of the Year	Not awarded
Junior Male Athlete of the Year	Not awarded
Masters Athlete of the Year	Frank Christian
Team of the Year	Open Female Taplin (Bella Austin, Bella Ford, Kate Brooks)
John Marshall Swim Competitor of the Year	Haydn Tierney
Board and Ski Competitor of the Year	Charlie Farrell
Beach Competitor of the Year	Abi Morgan

## Junior Awards

Jill McKellar Junior of the Year	Grace Lillywhite
Nipper Parent of the Year	Daniel Koger
Nipper Male Athlete of the Year	Charlie Farrell
Nipper Female Athlete of the Year	Anouk Clarke
Nipper Competitor Award	Noah Kyriacou
Nipper Co-ordinator Award - Female	Noah Kyriacou
Nipper Co-ordinator Award - Male	Orlando Clarke
Water Safety Awards	Cassandra Merrigan
	Lucy Hunt
	Bonnie McGuire
	Matthew Callaghan
	Tom Lillywhite

## 2021 LSV Awards of Excellence Winners

Outstanding Achievement of the Year – The Lion's Den (Point Leo's Youth program for 14-15 year olds) – Sarah-Jo Mason and Sam Hunt

Emerging Official of the Year – Georgia Cassell-Ashton

## LSV Development Camps

U13 Participants – Angus Boyd-Bell, Charlie

De Fazio, Chloe Angelo

U15 Participant – Murphy Clark

## LSV Female Leadership Network

Ella Swaney

Michelle Royal-Hebblewhite

**Note 1. Statement of significant accounting policies**

Point Leo Surf Lifesaving Club Inc. is an entirely voluntary organisation which provides beach patrol and rescue services, first aid and lifesaving training at Point Leo Surf Beach and surrounds.

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**Basis of preparation**

Point Leo Surf Lifesaving Club Inc. is a not-for-profit entity. In the opinion of the Committee, Point Leo Surf Lifesaving Club Inc Inc is not a reporting entity as its users may request the financial information they need. These special purpose financial statements have been prepared for distribution to members and for the purposes of fulfilling the reporting requirements under the Australian Charities and Not-for-profits Commission Act 2012.

These special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards

The financial statements for the year ended 30 April 2021 were approved and authorised for issue by the Members of the Committee of Management.

**New and amended standards adopted by the Association**

The Association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Basis of preparation**

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money value or, except where specifically stated, current valuations of non-current assets.

All amounts are presented in Australian dollars, unless otherwise stated.

In the application of the Association's accounting policies, the members of the committee are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**Point Leo Surf Lifesaving Club Inc.**  
**Notes to the financial statements (continued)**  
**For the year ended 30 April 2022**

The following significant accounting policies have been adopted in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**(a) Property, Plant and equipment**

Property (buildings), plant and equipment are carried at cost less, where applicable, any accumulated depreciation. The depreciable amount of all property, plant and equipment is depreciated over the useful life of the asset to the Association commencing from the time the asset is held ready for use.

**(b) Inventories**

Inventories are stated in the Statement of Financial Position at the lower of cost and net realisable value.

**(c) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments.

**(d) Income tax**

No provision for income tax has been made as the Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

**(e) Accounts Receivable and Other Receivables**

Accounts receivable are expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**(f) Right of Use Asset**

A right-of-use asset is recognised in relation to the concessionary lease of the land upon which the Association's Club House operates. The right-of-use asset is measured at cost and depreciated on a straight-line basis over the remaining unexpired period of the lease or the useful life of the asset, whichever is shorter.

**(g) Revenue and other income**

Funding for Club activities comes from membership fees, donations and gifts/sponsorships from corporate benefactors. Revenue is measured at the fair value of consideration received or receivable after taking into account any available concessions.

Interest revenue is recognised using the effective interest rate method using an appropriate interest rate.

All revenue is stated net of the amount of goods and services tax (GST).

**(h) Goods and services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**(i) Accounts Payable and Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**Point Leo Surf Lifesaving Club Inc.**  
**Notes to the financial statements (continued)**  
**For the year ended 30 April 2022**

**(j) Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of amounts required to settle the obligation at the end of the reporting period.

**(k) Impairment of assets**

At each reporting date, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Profit or Loss and Other Comprehensive Income.

**(l) Current and non-current classification**

Assets and liabilities are presented in the Statement of Financial Position based on current and non-current classification.

An asset is classified as current when:

- it is either expected to be realised or intended to be sold or consumed in the normal operating cycle;
- it is held primarily for the purpose of trading;
- it is expected to be realised within 12 months after the reporting period; or
- the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- it is either expected to be settled in the normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within 12 months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

All other liabilities are classified as non-current.

**(m) Comparative information**

When required by Accounting Standards, comparatives have been adjusted to conform to changes in presentation for the current year.

**(n) Significant accounting judgements, estimates and assumptions**

The preparation of the financial statements requires the committee of management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other various factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The Committee of management continually evaluates its judgements and estimates in relation to assets, liabilities, revenue and expenses. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**NOTE 2 - AUDITOR'S REMUNERATION**

During the financial year the following fees were paid or payable for services provided by the auditor of the Association:

	2022	2021
	\$	\$
<i>Audit services - Kidmans Partners Audit Pty Ltd</i>		
Audit of the financial statements	3,500	3,000

**Point Leo Surf Lifesaving Club Inc.**  
**Notes to the financial statements (continued)**  
**For the year ended 30 April 2022**

**NOTE 3 - EVENTS OCCURRING AFTER THE REPORTING PERIOD**

There have not been any material events between the reporting date and the date of signing of the financial statements by the Committee of Management.

In June 2022, Point Leo Surf Life Saving Club Inc. has undertaken a contract with Lloyd Group Pty Ltd for \$332,726 excl GST for the removal of Bunk rooms which will be replaced by a training room and caretaker facilities. The refurbishment will be funded by \$121,897.85 excl GST from LSV Emergency Services Refurbishment Fund and \$210,828.15 excl GST from a Federal Government Grant of \$300,000 received in 2021.

No other matters or circumstances have occurred subsequent to year end that has significantly affect the operations of the Association.

**NOTE 4 - REGISTERED OFFICE AND PRINCIPAL PLACE OF BUSINESS**

The Association's registered office and principal place of business are Unit 44 113 Country Club Drive Safety Beach VIC 3936 and Foreshore Western Parade, Point Leo VIC 3916 respectively.

**Point Leo Surf Life Saving Club Inc.**  
**Statement by Members of the Committee of Management**

The Committee of Management has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the Financial Statements.

In the opinion of the Committee of Management, the financial statements, comprising the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Notes to the Financial Statements are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and:

- i. Present a true and fair view of the financial position of Point Leo Surf Life Saving Club Inc. as at 30 April 2022 and its performance for the year ended on that date in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Regulations 2013; and
- ii. At the date of the statement, there are reasonable grounds to believe that Point Leo Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee of Management and is signed for and on behalf of the Committee by:

  
\_\_\_\_\_  
Name  
Chairperson

Committee member

Dated: 3/7/22

**Auditor's Independence Declaration under Section 307C of the Corporations Act 2001 to the Committee of Governance of Point Leo Surf Life Saving Club Inc.**

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2022 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

**INDEPENDENT AUDITOR'S REPORT TO THE COMMITTEE MEMBERS OF POINT LEO SURF LIFE SAVING CLUB INC.****Opinion**

We have audited the financial statements of Point Leo Surf Life Saving Club Inc. (the Association), which comprises the Statement of Financial Position as at 30 April 2022, the Statement of Profit or Loss and other Comprehensive Income, Statement of Members Funds, Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies and Statement by the Members of the Committee of Management.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at 30 April 2022, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards (AASB's) to the extent described in Note 1, the *Associations Incorporation Reform Act 2012* and the financial reporting requirements of the *Australian Charities and Not-for-Profits Commission Act 2012*.

**Emphasis of Matter**

Without qualification to the opinion expressed above, attention is drawn to the following matter:

1. As is common for Associations of this type, it is not practical for the Association to maintain an effective system of internal control over cash transactions, until their entry into the accounting records. Accordingly, our audit in relation to these activities was limited to the amount recorded.

**Basis of Accounting**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Members of the Committee of Managements' financial reporting responsibilities under the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-Profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose.

**Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Association in accordance with the independence requirements of Australian professional accounting bodies, of the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-Profits Commission Act 2012*. We have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information**

Management is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Kidmans Partners Audit Pty Ltd

Suite 4, 255 Whitehorse Road, Balwyn,

Postal Address: P.O. Box 718, Balwyn,  
Victoria, Australia 3103

**INDEPENDENT AUDITOR'S REPORT TO THE COMMITTEE MEMBERS OF POINT LEO SURF LIFE  
SAVING CLUB INC. (CONTINUED)**

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Going concern**

Management's use of the going concern basis of accounting appears to be appropriate and based on the audit evidence obtained, there is no material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Association's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud and error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

**INDEPENDENT AUDITOR'S REPORT TO THE COMMITTEE MEMBERS OF POINT LEO SURF LIFE  
SAVING CLUB INC. (CONTINUED)**

conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**COMPILATION REPORT TO THE MEMBERS OF POINT LEO SURF LIFE SAVING CLUB INC.**

We have compiled the accompanying additional information of Point Leo Surf Life Saving Club Inc. for the year ended 30 April 2022. The additional information has been prepared to satisfy the information needs of the committee of Point Leo Surf Life Saving Club Inc. in accordance with the accounting policies adopted in the preparation of the annual financial statements of Point Leo Surf Life Saving Club Inc. for the year ended 30 April 2022, as described in Note 1 to the financial statements.

**The Responsibility of the Committee**

The committee of Point Leo Surf Life Saving Club Inc. are solely responsible for the form and content of the additional information, the reliability, accuracy and completeness of the information used to compile it and for the determination that the basis of accounting used for its preparation is appropriate to meet their needs and appropriate for the purpose that the additional information was prepared.

**Our Responsibility**

On the basis of information provided to us by management we have compiled the accompanying additional information in accordance with the basis of accounting described above and APES 315 *Compilation of Financial Information*.

We have applied our professional expertise in accounting and financial reporting to compile the additional information in accordance with the basis of accounting described above. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

**Disclaimer**

Since our engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile the additional information or the appropriateness of the basis of accounting used for its preparation. Accordingly, we do not express an audit opinion or a review conclusion on the additional information.

The additional information was compiled exclusively for the benefit of the management and the committee of Point Leo Surf Life Saving Club Inc. The additional information may not be suitable for other purposes. We do not accept responsibility for the contents of the additional information.
