PRESIDENT'S REPORT

As we all descend into the depths of winter, the summer season at Point Leo seems far away. But while the weather this past season may have seemed like a winter, all of us at Point Leo can reflect proudly on another extremely successful year.

Over summer, each of us is busy with individual tasks and activities. We often miss out on seeing the big picture. It has been pleasing for me then, to look back at the past 12 months and to see how much the hundreds of members that make up Point Leo Surf Life Saving Club Inc have achieved. Particularly gratifying is the fact that this has covered all aspects of Club endeavours: patrolling, competition, socially and financially.

Maintaining a safe aquatic environment is our first priority. We have been fortunate to have a highly committed group of patrolling members operating under the leadership of our Club Vice Captain, Andrew Gibson and Club Captain Adam Woods. Our formal patrolling obligations covered November until April. Fortunately Easter came a little earlier this year and so the season wasn't quite as long as last year. Nevertheless it spans almost half the year and requires us to have a fully equipped and proficient patrol on the beach every Saturday, Sunday and Public Holiday over that period. Our Patrols this year have run better than ever, building on the success of the Surf Rescue Team format established two years ago. The commitment of the individual active members of the club is critical to us fulfilling our obligations in patrolling the beach.

Our objective has been to get ourselves within the top ten clubs in the patrol efficiency competition. This year we were extremely unlucky not to achieve that objective. Point Leo ranked 15th out of 36 clubs at the end of the season, with a score of 13,680 points. Unfortunately during each of the three patrol inspections we lost several hundred points for poor record keeping. Hardly any points were lost for our patrol efficiency and rescue tasks! If only we could employ more bookkeepers instead of lifesavers we could have found ourselves in the top 5! We did however come 2nd in the district (after Gunnamatta) and overall our patrol performance was exemplary.

The task of our patrollers has, I'm sure, been made easier by the excellent facilities that the Club now has. The completion of the Clubhouse extension caps off many years of hard work by a huge number of people. Our work started early in 1998 when an application was made for Victorian State Government Funding under the Life Saving into the 21st Century Program. The idea was initially championed by then President, Peter Ford, and continued by John Horwood in his two years as President. It has involved many dedicated members including Peter Merrigan, "Bone" Walker, John Williams and others. Our architect, Ian Douglas, and our builder, Rod Sly, both long-standing Club members, have done an excellent job.

We were able to celebrate the conclusion of this mammoth task with the formal opening of the Clubhouse and public open day on Sunday 27 January. The day was combined with the final day of the Nipper Program that ensured that hundreds of our members, their families and friends could participate in the occasion. The highlight of the opening was without doubt the March Past and formal assembly under the careful guidance of James Keeran. A regiment of hundreds of Nippers marched and wheeled on the beach before proceeding to the front of the clubhouse. They were led by standard bearers Khali and Simone Williams, a team of our competitive members, the surf rescue certificate squad and patrollers.

The day also gave us an opportunity to showcase the Club to various officials from the Mornington Peninsula Shire Council including the Mayor, Bill Goodrem, Parliamentarians, Greg Hunt, Ken Bowden and Martin Dixon. Also present was Nigel Taylor, Chief Executive of Surf Life Saving Victoria.

Notwithstanding the large capital demands of this building program, as well as the ever-increasing costs of running day-to-day Club activities, the Club finds itself in a very strong financial position at the end of the year.

Total revenues were slightly down over the previous year although this is largely attributable to the completion of substantial fund raising activities in that year for the building works. During the year we have also been able to fund some significant equipment purchases such as the 6 x 4 John Deere "Gator" for patrol purposes, undertake maintenance works and buy new mattresses for the bunk rooms. We

therefore find ourselves extremely well placed with our equipment and facilities and we are debt free: a position many other clubs would be pleased to be in.

The formal opening of the clubhouse extensions may have had to wait until January but the real “head wetting” took place with our Gala Ball on 24 November. We had a brilliant turnout of Club members, past and present, young and not so young, friends and Point Leo neighbours. It was particularly pleasing to have some of the great luminaries from the Club’s past, most notably one of our co-founders, Richard (Dick) Ellis and one of the members of the first Bronze Squad, Ian Stuart. Formalities for the evening were mercifully brief but we did have a very important task to undertake, the dedication of the Dudes Bar in honour of the late Geoff (The Dude) Kinsey. The evening went flawlessly due to the hard work and good planning of Tamara Brawn, assisted by Tarena Murray.

Christmas this year was cold, wet and windy – what a surprise! Our Christmas patrol was held in very festive settings complete with Christmas tree and lunch provided by Alf and Anne Treadwell. Point Leo has an enviable reputation for always fielding a patrol on Christmas Day even though it is not compulsory. Many other clubs do not.

The miserable conditions continued onto Boxing Day but the weather cleared just long enough to allow us to conduct the swim. Over 250 swimmers took to the water which, whilst not a record, was a good turn out given the conditions. Things heated up in the evening however with a huge turnout for the Hawaiian Shirt Party.

This successful night set the tenor for the rest of the peak summer season over January. The Club was well used particularly with many of the younger members who stayed overnight in the bunkrooms during the holidays. There were also spit roasts and gourmet bbq’s held every Tuesday and Thursday and the bar was open on weekends. We were fortunate this year to have Rhonda and Ted Marks undertake the role of Club Caretakers during January. This was a critical factor in maintaining the safety of our members and the security and cleanliness of our facilities over this busy holiday period.

Outside of this time the club has received a lot of use from school and community groups. We hosted the South East Water Schools Surf League, the State Champion Life Saver and Patrol Competition and continued to partner the Youth Development Programs conducted by Westernport and Dromana Secondary Collages.

Our competitive position in the State improved this year. A number of our competing members performed extremely well at the State Championships with the result that we completed the weekend number seven in the State. Some particularly noteworthy individual performances were turned in by Hayden Rydberg, Natalie Johnson, James Anderson, Haydn Tierney and David Morris.

It was a boisterous and optimistic team that therefore set off for the Aussies at Kurrawa. Having achieved a gold in the Under 19 Belt Race and a silver in the Open Belt Race at the States, there were high-hopes for James Anderson. Unfortunately this again was not to be James' year, however his strength of character and skill as a competitor continue to earn the respect of all who were there.

The Nipper program under Jennyann Goodman continues to be a force to be reckoned with. Again we had around 300 enrolments for the program this year, a huge logistical exercise. Despite the ever-increasing expectations in terms of supervision, care and quality of instruction, this year's program was a standout success. Thanks must go to Jennyann and to the army of group leaders, helpers and water safety officers.

The year was not without a few hiccups however. Hasty arrangements had to be made for a few patrols and the conduct of our IRB drivers course when the lure of the far east (Victoria that is) proved too much for our IRB Captain and Life Guard, Daniel Szabo. Our loss was Mallacoota's gain and it was just as well that Dan and Matthew Bunting-Frame were there. The two of them had all their life saving skills tested when they rescued and revived a drowned swimmer on the beach.

There is no greater gift than to save the life of another person and Mathew and Daniel have demonstrated just how important the training we all receive is.

As ever there have been a huge number of people who have contributed to the club's success this year and I cannot name them all here. There are some who work behind the scenes that I need to specifically mention. Peter Taylor continues to serve the club brilliantly doubling as State Centre Delegate and our eyes and ears. He was honoured this year by being asked to represent all officials at the Victorian Championships by taking the Officials Oath. Gibbo (Peter Gibson) has the thankless task of welding together broken prop guards and other pieces of equipment, endeavouring to rebuild IRB motors and obtain fuel for our equipment on a weekly basis. And some people thought there were Pixie's who magically did these things.

Andrew Gibson not only ran our patrols but organised clubhouse maintenance, secured a new PA system, assisted in the organisation of the John Marshall Swim and generally got things done. Rhonda Marks did a brilliant job this year with club uniforms and Simone Williams stepped into the breach to become Mine Editor at a moments notice. Louise and Gary Tierney have continued their great tradition of support to the club. Lorraine Sowerby catered and organised with efficiency and good humour.

Thanks must also go to Ray Gould and the Point Leo Foreshore Committee who are very supportive of our endeavours.

Thanks must go to my fellow members on the Committee. They are a hard working and committed group who have worked together in a very constructive and harmonious way. I extend a special thanks to the Honorary Secretary Peter Whillans who puts in hundreds of hours each year dealing with the volumes of correspondence, preparation of minutes and the production of this Annual Report amongst other things. Also Chris Fennell, our Treasurer and Kim Williams the Registrar who deals with a mountain of paperwork associated with members joining, transferring and renewing. Adam Woods has made a brilliant contribution in his first year as Club Captain and he is a deserving recipient of the President's Award - Senior.

Finally my thanks go to John Horwood our immediate past President. John has been a great role model and support to me in my first year as President. For someone who

wanted to have a little more time for other pursuits, he continues to spend vast amounts of time and energy on Club activities.

I believe that we finish the 2001 – 2002 year with many achievements. We are well placed to meet the external challenges of the future as well as the needs and expectations of our own members. It is my hope that in the 2002-2003 season we can build on the work we have already commenced bringing a new generation of members into the Club. We must continue to work hard to provide a transition for our Nippers into Cadets and senior ranks. In broad terms we must maintain our strong Club ethos with a sense of belonging and where each of us can make a contribution as well as receiving the benefits of being a members.

Financially now is the time to rebuild our war chest after the demands of our building program of the past few years. Building our financial position will allow us to provide appropriate support for our competitors so that those who compete for Point Leo are not financially penalised for their loyalty. Additionally we must take care to maintain the facilities and equipment that we have worked so hard to obtain.

My thanks goes to all of you for your friendship, support and encouragement and for making Point Leo the great Club that it is.

Tom Mollenkopf
President

ATTENDANCE REGISTER AT GENERAL COMMITTEE MEETINGS

A total of nine general committee meetings were held by the Point Leo Surf Life Saving Club Inc, at the clubhouse from the period July 8th 2001 to June 30th 2002, and the attendances recorded are listed below. A further meeting is scheduled for July 7th 2002 to provide closure for the 2001 – 2002 Season and to prepare for the next one.

<u>NAME</u>	<u>POSITION</u>	<u>ATTENDANCE</u>
Adam Woods	Club Captain	7
Andrew Gibson	Vice Captain	7
Ant Williams	Vice President	0
Chris Fennell	Treasurer	9
Daniel Szabo	IRB Captain	4
Gary Hartley	Radio Officer	2
Gaye Martin	First Aid Officer	3
Greg North	Vice President	3
Haydn Tierney	Board & Ski Captain	3
James Keeran	Vice President	4
Janis-Caddie House	Vice President	2
Jennyann Goodman	JAB Coordinator	6
Jill McKellar	Vice President	9
John Horwood	Senior VP/Team	6
John Williams	Vice President	7
Kate Stafford	Chief Instructor	6
Kim Williams	Registrar	6
Mark Tierney	Swim Captain	4
Max Jeffrey	Vice President	3
Peter Taylor	Vice President	4
Peter Whillans	Secretary	9
Richard Ellis	Gear Steward	7
Roger Sowerby	Cadet Coordinator	8
Simone Williams	Vice President	8
Tamara Brawn	Boat Captain	6
Tom Mollenkopf	President	7

Chris Fennell continues to attend all general committee meetings as he has done consistently for several seasons. Overall the average attendance for a meeting is up on season 2000 – 2001 figure of 13.2 to 15.6, which is fairly good when clashes with competition and Easter holidays are taken into consideration. The majority of meetings were held within an acceptable time frame, with the minutes published within a week of the meeting being held.

Peter Whillans

Secretary

SECRETARY'S REPORT

The committee for season 2001 – 2002 had nine changes from the 2000 – 2001 line up. We all thank the outgoing: B Walker, C & C McGill, D Adkin, P Merrigan, P Ford, R Smallman, R Griffiths, T Murray for their contributions. Vacancies were filled by James Keeran, JC House, Kate Stafford, Richard Ellis, Mark Tierney, Adam Woods, Greg North and John Williams

Our new President Tom Mollenkopf has approached the position of incoming President with a great deal of enthusiasm and energy even to the extent of clocking up 27 patrolling hours. Tom obtained his Bronze Medallion during the 1996 – 1997 season and his zest for the Club and what it stands for has continued in his new role as President.

To Chris Fennell, Kim Williams, Peter Taylor, Adam Woods, Andrew Gibson, JC House and others on the committee thank you for your support and assistance.

LIFESAVING

Total rescues	5
First Aid	32
Preventative actions	399
Total Patrolled hours *	2550
Total number of awards	115
Sun Smart Patrol efficiency Competition	15th

(* as listed by individual person)

On a personal note, I would like to congratulate the SRC and IRB squads for the excellent efforts they made over summer to obtain their respective awards'. The assistance provided by Kate & Peter Garner, Siobhan Marks, Ellise Williams, Will Stawell, Richard Ellis, Peter & Jeanette Gibson and Dr Lisa Barton was appreciated.

We have made substantive progress over the past several seasons with retention of members, rules and procedures, patrols, clubhouse and equipment, integration with the local community, fundraising, social functions, communication and competition. The opportunity is now there to take the next step forward and achieve Gold in all of our endeavours.

Peter Whillans

Secretary

CLUB CAPTAIN'S REPORT

During this season I have aimed to try and foster a greater club spirit, by encouraging all members both young and old to be involved in all aspects of club life.

As is often the case it falls on a few members of the club, to come to the fore and put in a great deal of effort throughout the year. When you start to thank people for their efforts you inevitably miss someone who is deserving of mention. I must however express my thanks to certain members of the club, without whom the club would not be as strong as it is. Firstly the committee who put in many hours behind the scenes to make sure the day to day running of the club goes smoothly. To John Horwood, who organised carnival nominations and accommodation; without his efforts we wouldn't be able to compete. John Williams and Alf Treadwell, who are always working down at the Club without anyone having to ask them (your efforts don't go unnoticed). Andrew Gibson, who spends countless hours organising patrols and collecting data on rescue statistics and members' hours, but without his efforts we would not be able to put patrols on the beach.

It was a fantastic year on the beach with both our patrols and competition teams doing well. Our younger members really shone this season with a bag full of medals at the State Titles, and some younger members logged over 70 patrol hours, with one member with over 100 hours.

Our social functions also went over well this season. With the opening of our new clubhouse, our first ball in the new premises was a huge success. Special thanks to our senior ladies for organising such a great event. A large contingent of members also attended the club dinners throughout the summer months. The Australian Titles, once again were a lot of fun, and after the serious competition was out of the way our boat crews lead the assault on the social scene.

Overall it has been a fairly successful season and it is my hope, that we can build on this for next season to further strengthen our position in Victorian Surf Life Saving. I hope to see you all again next season for another great year at Point Leo.

Adam Woods

Club Captain

REGISTRAR'S REPORT

The details for the season 2001/2002 show an increase of 8.65% in overall membership of the club.

	<u>1998/1999</u>		<u>1999/2000</u>		<u>2000/2001</u>		<u>2001/2002</u>	
Membership Category	M	F	M	F	M	F	M	F
Active Members:								
(Junior & Senior)	46	31	69	36	59	37	69	41
Active Reserve	7	3	7	2	6	1	5	1
Cadet members	13	12	36	27	34	43	49	42
Other Members:								
Honorary Life								
Associate								
Long Service	90	46	125	55	132	57	136	69
Junior Members (7 to 13 year olds)	<u>150</u>	<u>107</u>	<u>141</u>	<u>133</u>	<u>158</u>	<u>132</u>	<u>152</u>	<u>162</u>
Sub Totals	<u>306</u>	<u>199</u>	<u>378</u>	<u>253</u>	<u>389</u>	<u>270</u>	<u>411</u>	<u>315</u>
Totals	505		631		659		726	

Retention details of Active Membership Categories are:

Active Junior and Senior: 57 members renewed their membership
53 are new members

Cadets: 27 members renewed their membership
63 are new members

Nippers: 172 members renewed their membership
142 are new members

Retention of our Active Senior, Junior and Cadet members is critical to the ongoing viability of the club as we aim to maintain a high profile on the beach, both as lifeguards and competitors.

Kim Williams
Registrar

CHIEF INSTRUCTOR REPORT

2001-2002 was another busy season for Point Leo. Highlights of the season were the highly successful Bronze camp, two adult Bronze courses, and the Surf Rescue Certificate squad.

The Victorian Youth Development Program conducted by both Western Port Secondary College and Dromana Secondary College in partnership with Point Leo SLSC had successful candidates in both Surf Rescue Certificate and Bronze Medallion awards; with a greater number of students coming back and completing patrol obligations with the Club than has been the case in previous seasons.

The number of Inflatable Rescue Boat Drivers have increased dramatically with eight new drivers this season. Other awards were gained through-out the season; however for next season we need to boost our advanced resuscitation certificate numbers. Examination and instruction awards were also achieved by some members which is a fantastic effort as none of these courses were run at Point Leo.

A huge thanks must go to Janis House and Ron Griffiths, who gave heaps of their time and advice. To Peter Whillans, Kate Garner, Peter Garner, Matt Bunting-Frame, Will Stawell, Kahli Williams, Simone Williams, Monty Frankish, Euan Ellis, Nicki McCracken and Adam Woods.

I hope everyone has a great and safe winter

Chief Instructor

Kate Stafford

VICE CAPTAIN'S REPORT

The Surf Rescue Team (SRT) concept proved very workable in its second season. All patrols were covered and most had more than the minimum number of patrollers. Forty-eight lifesavers were selected into the SRT. Six either did not re-qualify or could not patrol due to injury or relocation. Four SRT members performed inadequately and will be replaced for next season. May Knight, Maddy Whiteaker and Gabby O'Bryan were invited to join during the season.

Total patrol hours were well up on previous seasons, which is a great outcome given the generally cooler summer weather.

The measures taken this season to improve the number of members making the transition from Nippers to Cadets, Cadet to Bronze, Bronze Camp and Youth Development to Patrol, resulted in improvement at all levels.

The gratitude of the Club and the swimmers at our beach is extended to all who completed their patrols with skill, commitment and vigilance.

PATROL AWARDS

Patroller of the Year	- Will Stawell
Best First Year Patroller	- May Knight
Patrol Leader's Medal	- Maddy Whiteaker
Encouragement Award	- Ellise Williams
MVP Patrol 1	- Nadine Maguire / Tamara Brawn
MVP Patrol 2	- Nick Veliades
MVP Patrol 3	- Simone Williams
MVP Patrol 4	- Nat Johnstone
MVP Patrol 5	- Caro Stawell
MVP Patrol 6	- Campbell Roth
MVP Patrol 7	- Ron Griffiths
MVP Patrol 8	- Euan Ellis

PATROL INSPECTIONS BY SLSV

Patrol	Date	Captain	Points (out of 5000)
6	20/01/02	Clayton MacDonald	4510
2	24/02/02	Andrew Gibson	4430
3	29/03/02	Mark Tierney	4640

Points were lost mainly in the Rescue Efficiency and Patrol Logs section of the Inspection. We have appealed 100 points of the January inspection but no decision has been advised as of the date of publication of this report.

EQUIPMENT

- Patrol Trailer Continues to perform well
- Gator Far superior to the Tractor. Very versatile. Starts easily. Does not tow Surf Boats up the hill and some problems with the IRB trailer. Needs attention for next season.
- Patrol Gear Dinged Rescue Boards were very common compared to previous seasons. All other gear was OK. Lightweight beach signs are a lot easier.
- Patrol shelter Frame is a bit distorted and cover is past 'use by'.
- Radios Hand helds had some battery problems late in the season. Base radios operated faultlessly.
- Patrol Room A big success. Need a few changes to keys and lockers.
- First Aid Room New room is great.
- Keys Keysafe is an asset. Key to the pole in the road is a big benefit. New gate padlock.
- Tower Huge improvement in visibility. PA and sound system have good and bad attributes.
- Patrol Couch A new innovation. Enables Patrollers to relax at the shelter while still observing swimmers.
- Uniforms Improving but remain a problem.
- Motors Generally ran well and always at least one available. Several prop-guard problems.

SEASON HIGHS

- No-one drowned.
- No Lifesavers injured.
- Will and Daniel - Lifeguards.
- Awards Night.
- The Patrol Couch.
- Patrol 5 - 337.5 hours

SEASON LOWS

- 6 Patrollers failed their Hours.
- No sun
- Patrol Comp scores
- Ashley's arm injury
- Pushing the Gator

SPECIAL THANKS

- To Kate for all the new Bronzies.
- To the Patrol Captains and Vice Captains.
- To all Patrollers who did their hours.
- To Peter Gibson for fuel, propguards and common-sense.
- To Will, Richard and Peter for all the new IRBDs.
- To John Williams for fixing everything in sight.
- To Rhonda for clothing.

Andrew Gibson

Vice Captain

NIPPER CO-ORDINATOR'S REPORT

This is my second annual Nipper report and I am once again very pleased to advise that our programs have been well attended throughout the season. Our numbers remain around the 300 mark, which has ensured that we have been able to provide a quality and structured program that meets the overall objectives of the Pt Leo Surf Life Saving Club Inc as well as Surf Life Saving Victoria.

As a Club we successfully competed in a number of major events during the season - the interclub mini carnival with Portsea and Sorrento, the warm-up carnival for the State Championships at Williamstown and finally the State Championships at Mordialloc. As with previous years, we also had a large number of Nippers successfully complete their Surf Rescue Certificates.

We were also fortunate to have the ongoing support of many parents and junior club members as well as corporate sponsors - a big thank you to all for your commitment of time and money.

I am pleased to formally announce our Nipper of the Year for 2002 is Grant Brasser – more on Grant's achievements to follow.

Program Objectives

The aim of the Nipper program is to develop children's abilities to recognise a safe beach zone and to learn a range of surf and surf lifesaving skills.

We also strive to ensure that we have maximum involvement of all Nippers, while providing a safe and fun learning environment.

Our Supporters

The Nipper program at Point.Leo is a supportive environment where assistance is provided by both parents and our younger members.

In order to achieve our program objectives it is essential that we have qualified and experienced instructors running each of the activities, parental leadership and support for each age group. I would like to make special mention this year of the fantastic commitment shown by our younger SRC and bronze holders who provided support as Water Safety Officers during each week of the program.

I should also mention and thank all of the parents who help out behind the scenes – selling uniforms, cooking hundreds of sausages and selling raffle tickets.

Finally, it is encouraging to note that the number of volunteers seems to be growing each year, in particular from the ranks of our younger members.

Our Sponsors

I would like to express my thanks and appreciation to the following sponsors of the Nipper program for 2002.

- Macquarie Bank – our major sponsor
- Trigger Brothers
- Conroy's Bakery – Balnarring
- Baker and McKenzie

Nipper of the Year

As I have mentioned Grant Brasser has been named Nipper of the Year for 2001/2002. Grant successfully competed in the Junior Interstate Challenge held at Sydney's Bondi Beach on 15th December.

He was a member of a very select group from Victoria selected to compete in this event.

He competed in the Under 14 age group with the following results:

Beach Flags	3 rd
Beach Sprint	4 th
Relay	4 th

Grant has been actively involved with the Club for many years, regularly helping out with Water Safety during his final year as a Nipper. Congratulations Grant on a great achievement.

Major Events

As a Club we were involved in a number of lead up carnivals prior to the State titles.

- Portsea/Sorrento Mini-Carnival – held for the second time this year, the mini carnival with both Portsea and Sorrento provided a low key and friendly competition for the Nippers. Next year, it has been proposed that we will host the event at Point Leo.
- Williamstown Interclub – in far from conducive weather conditions a small contingent of dedicated Nippers and their parents braved the elements. This event provided the Nippers with the opportunity to test their skills in a physically tough and competitive environment.

State JAB Titles at Mordialloc

The Nipper season ended in disappointment for many at the State Titles at Mordialloc. Amidst controversy, Point Leo families made an overwhelming decision to withdraw from competition after a young boy from Ocean Grove stood on a syringe at the end of the sprint track after only an hour of competition. Understandably, our parents were not prepared to risk the health and safety of their children.

Thank you to the parents and Nippers who were committed to representing our Club at Mordialloc. A special thanks to Mark Aliotti for stacking and towing the board trailer and Phil Tardif for taking the foamies.

Training sessions leading up to the State Titles certainly indicated the potential was there for the Club to have a very successful competition. This was certainly looking to be the case when, after only two hours of competition we had achieved the following results.

- 3 Gold, 2 Silver and 2 Bronze medals

Congratulations to ALL of the participants, I am sure that the disappointments of this season will be erased as soon as competition starts at the 2003 State Titles.

Social Activities

This year once again one of the highlights was the Annual Nipper disco night. Mark the Disco Man entertained many of our Nippers and their parents. A great night was had by all, and we have already planned to continue this activity next year.

To compensate Nippers for the abrupt end to the official competition season, it was decided to have our own fun carnival at Pt Leo. As usual, everyone pitched in to help to make the day a success. Parents got into the spirit of the day enthusiastically competing against the kids in flags, beach relay, board and wade races. It was suggested that this type of event was a great way to wrap up the Nipper season – so parents start training now for 2003.

Next Years Program

Looking forward to next season, it will be the 3rd year for me (assuming that I am re-elected) only one year away from creating a new club record for the position of Nipper Co-ordinator !!!

A couple of items worth mentioning for next year:

- Due to the increase in capitation fees (State Centre levy on each Club) and costs associated with insurance, it will be necessary for us to increase the membership fees.
- In order to continue to provide a well managed and structured program we will aim at retaining our numbers around the 300 mark.
- We will also be purchasing our own beach equipment for use on Nipper days e.g. set of board and swim cans. Items such as these should better assist the kids when it comes to competing at carnivals and State titles
- I propose to change the program structure to three sessions per week for three weeks of the holidays – then continuing every Sunday until the State Titles
- It goes without saying that it will continue to require the support and assistance of parents in order to run the program. It would be fantastic if we could get a few new parents stepping forward next season

It will be great to catch up with everyone again on the beach next season.

Jennyann Goodman

Nipper Co-ordinator

BOAT CAPTAIN'S REPORT

The Boat Section has again seen a busy season. Three crews competed this year. Anthony Davis swept the "A" crew of Glen, Ben, Brad and Ant, with the highlight being competing well at the Manly Australia carnival in tough big seas. Ian Johnson's girls' crew (Rachel, Monique, Lindy, and Bec) showed good improvement throughout the year to place third at the Victorian final of the VB series, and then went onto the National final in Sydney. They also raced very well at the State Titles at Ocean Grove to qualify for the final. Davo swept the reserve crew of David, Steve, Shane and James to very consistent results throughout the season. Garry McKellar came out of retirement to help out the boys with training.

It has been a big year on the personal front for the boat section with many weddings and births to past and present members.

It is with great pleasure that I was able to award this year's Geoff "the Dude" Kingsley trophy for outstanding individual contribution to the boat section to John "Crazy" Williams. John attended every carnival as an official. Not only did this allow the Leo boat section to compete, but also fulfilled the entire clubs requirements. John spends the entire day, rain or shine, in waist deep water watching the finish line. Not only does John happily complete this duty with enthusiasm but he also contributes in a multitude of ways around the rest of the club. He is always available to tow a trailer, do work around the club, make running repairs on club equipment and is always the first to arrive and last to leave at any working bees or club functions. He is an excellent recipient of The Dude award.

The boat captain's trophy for outstanding crew was awarded this year to Ian Johnson's girls' crew. The girls and Ian have worked hard throughout the year and the improvement really showed with good results at the end of the year.

Tamara Brawn
Boat Captain

SWIM CAPTAIN'S REPORT

The Point Leo Swim team has had an excellent season 2001/02. One highlight was our trip to Seaspray which involved 16 Point Leo swimmers, one bus and project management from Gary Tierney. Unfortunately the tour was cut short due to weather although everyone had a lot of fun.

Based on the success of Point Leo experienced throughout the season, in particular the State Titles weekend the entire team looks forward to next year.

The 2002 Victorian titles were held at Ocean Grove and the venue proved to be a successful hunting ground for Leo's swimmers. Hayden Rydberg had a brilliant State Titles campaign with Gold in the U/19 Surf Race, Board Race, Ironman and a memorable win with James Anderson in the Board Rescue. With nothing to lose and everything to gain Haydn Tierney powered home to finish on the podium in the Open Surf Race, his first individual Open State Medal. David Morris also obtained his first Open State medal in the Surf Teams with Haydn Tierney, James Anderson and Hayden Rydberg.

Point Leo continued the success during the Australian Titles, Hayden Rydberg swam with David Morris in the National U/18 Surf Race. Without doubt we will see more from these two "Young Lions" in the future.

Our "Rookie of the season" has been Luke Treadwell. As an up and coming junior, Luke has applied himself to improve both his swimming and board paddling. He has progressed through the field and is certain to challenge the leaders in 2003.

The swim team would not have achieved all we have this season without the on-going support of our mentors and supporters. Thank you to everyone involved this year, I look forward to continued success.

Swim Team Award 2002 – James Anderson

James entered the season with one goal, to win at the National Titles, his chosen event, the Under 18 Belt. Making the final and placing fourth in the worst conditions

imaginable is something he should take extreme pride in. James is awarded with Point Leo SLSC swimming competitor of the year for his results but also his attitude towards the club.

James won the State U/18 Belt Title in interesting fashion choosing to take the long way home to the buoy. What followed was an extraordinary performance in the Open final. James was touched out to finish second by the closest of margins, beating a number of more experienced swimmers in the process.

Outside of his talent and strengths in swimming James has another rare quality, his ability to create such a high level of cohesion and enthusiasm within our club. His level of energy and encouragement towards all of our swimmers is appreciated and respected from a leadership perspective.

James, congratulations on your season, thank you for the opportunity to compete in a national final. Good luck in future endeavours from your team Garry Rydberg, Daniel Szabo and Adam Woods.

Mark Tierney
Swim Captain

IRB CAPTAIN'S REPORT

The start of season 2001 - 2002 saw a new member of the inflatable rescue boat family. Our old and beloved pioneer sponsored mercury engine passed away to engine heaven, lighting the way for the new member of the family, a brand new 25 hp Tohatsu. This was my first new engine as IRB captain and it was a pleasure running it in.

Well, the engine stayed nice and new until the start of the 2001 - 2002 patrolling season. With cold weather, large surf & plenty of people wanting to improve their driving and crewing skills, the engines were put through their paces and held up to the task with only a few minor adjustments to be made.

The IRB drivers Course for 2001 - 2002 really put the "ducks" through their paces with over twenty hours of on-water training at both Point Leo and Gunnamatta. All involved displaying excellent leadership skill and teamwork, which are essential qualities for performing modern day rescues. Congratulations to all the IRB drivers who passed their exam and we hope to see you all during the winter months for some extra driving practice.

Throughout the season the engines and craft were maintained to the highest standard and I would like to thank Richard Ellis for his endless effort on inspection, running and repairs; if there was problem, he could fix it. Both Peter Gibson and Andrew Gibson for purchasing and maintaining the IRB fuel levels and transportation of the engines. Peter Gibson, for the numerous repairs to the aging and obsolete prop guards. Peter Whillans for his outstanding effort and generous time towards the 2001 - 2002 IRB drivers course. Mathew Bunting-Frame for always being there and lending a hand, and William Stawell for his endless enthusiasm and curious nature.

We would like to thank TABCORP for the promised donation of a brand new 25 hp Tohatsu engine for the 2001 - 2002 patrolling season. It will be great asset to start the 2002 - 2003 season off with.

IRB Captain
Daniel Szabo

BOARD AND SKI CAPTAIN'S REPORT

The Board and Ski section has had another prosperous season. The section was well represented in all carnivals from Bancoora to Kurrawa. Several indicators show that the future is looking bright for the relatively young Board and Ski section, such as our improving results in the Taplin relay, and increasing numbers in the junior sections. Next season we also look forward to several of our U19 champions moving into the senior ranks.

Several board and ski members made the now annual pilgrimage to Seaspray. The east coast's harsh conditions reducing the competition to only one day, and also making our sleeping arrangements rather damp. However a good time was had by all.

The Board and Ski section is a combined effort between both competitors and the ever-reliable support crew comprising of parents, chiefs, gear trailer towers and cheer squad. A Big thank you goes out to our competition expert and chief carnival legal adviser John Howard.

The Board and Ski section has also entered the age of corporate sponsorship. The whole section particularly Luke Treadwell and Julia Sowerby would like to thank the Macquarie Bank for their kind donation of two racing boards.

Most Valuable Board & Ski Competitor

The Board and Ski competitor of the year was awarded to Hayden Rydberg. Hayden competed at an excellent standard at all carnivals and demonstrating both drive and ability in his board, ski and ironman events. Hayden's board leg in taplin relays often provided the team with a lead position. Hayden finished his season of with awesome victories in both the board race and the ironman at the state championships and solid results at the Aussies.

Haydn Tierney

Board & Ski Captain

GEAR STEWARD REPORT

Our pre-season preparation paid off with an almost perfect gear inspection. Special thanks must go to Triggers Bros for the rescue boards' repairs last winter and during the season; safe rescue boards are essential for patrols and training. Andrew Gibson for his efforts prior to the inspection – all the patrol equipment passed scrutiny. Gaye Martin and Adam Woods proved that miracles do happen by moving into the new first aid room and adjusting our first aid stores in record time to meet new SLSV requirements. The IRB section was saved with the new Tohatsu arriving just in time.

From a patrolling perspective we had a good season with each patrol squad and the life-guards having operational equipment every day. The news was not as good on the training front; we incurred significant equipment damage to surf rescue boards and IRBs during training. Our boards are subject to extensive use ranging from school groups, nipper water safety, to Surf Rescue Certificate and Bronze medallion training for club and schools. It should be noted that while Triggers Bros do a great job repairing the boards a number are now near the end of their useful life and replacements should be scheduled. If the same levels of usage are to be supported we should plan for a minimum of six (6) new rescue boards in 2002/2003 and a similar number in 2003/4.

Some expenditure will also be required in the coming season to replace a number of rescue tubes and anchors that disappeared during the season. In the future, to minimise this leakage all our gear that is considered to be at risk will be clearly identified as belonging to the Club.

The IRB damage was typically of the wear and tear caused by training a new group of drivers. Hulls, handles, ropes and motors are all, at times, subject to extreme conditions, but there is an urgent need to replace all of the current prop guards. The down time experienced with various items highlighted the need for a third operational IRB and a spare motor. To this end the third IRB hull (the old Pioneer) is being readied to be included in this year's gear inspection and a submission has been made to Boating Victoria, via SLSV, for a trailer, motor, propeller and prop-guard. This together with a new TABCORP motor from SLSV, which is still to be received from

the 2001-2002 season's grant, and a little annual maintenance over the winter, will provide adequate IRB resources for patrols and training in the coming season.

The Gator has solved some of the problems presented by the old tractor, particularly reliability. Although currently unsuitable for towing surf boats, the patrol requirement should be met once wider tyres have been fitted to the IRB trailer.

Richard Ellis
Gear Steward

CADET COORDINATOR'S REPORT

Once again the Cadets have strongly supported the Club. In patrol hours, Cadets occupied 5 of the top 10 places, a number of others patrolled far in excess of the requirement. Water safety during the Nipper programme was manned and run by the Cadets. At all times there were sufficient or more than ample numbers of water safety personnel covering all of the Nipper activities on both Sundays and Tuesdays.

This season Rhonda and Ted Marks acted as caretakers during the busy January holiday period, and I am advised that the behaviour and the co-operation of the Cadets were most pleasing.

On the competitive side the Cadet numbers at Carnivals were low and I believe part of the reason here is that most Point Leo Cadets do not see themselves as being competitive enough and therefore do not want to travel the hour or so to a Carnival just to be beaten. The fact is that there is more to Carnivals than just competing and anyone, who is only slightly interested, should go along just to see what happens.

Roger Sowerby
Cadet Coordinator

TEAM MANAGER'S REPORT.

There were five Full Carnivals scheduled in Victoria in Season 2001/2002 and Point Leo SLSC was well represented in all of them. At all of these carnivals my job was made a little easier with the support of certain people –

Adam Woods, who without hesitation, offered to tow the reel trailer to carnivals, and who when the club was faced with disqualification from the Bancoora carnival because we did not have the obligatory IRB crew to assist with the carnival, jumped in along with Michael Treadwell and Kate Stafford to honour the club's obligations. John Williams, who once again took on the role of the Club's Boat Section official. The parents of our young competitors, who came to the carnivals to support them and ended up assisting me in many ways. The oldies, - Gary Tierney, Garry Rydberg, Ian Knight, Bruce Walker, Garry McKellar and Ron Murray whose advice was sought and appreciated by all competitors.

The State Titles at Ocean Grove was the scene of our best performance for quite a while. Hayden Rydberg, who I think may have been saving himself for a big one was fantastic with Gold in the U19 Iron Man, U19 Surf Race, U19 Board Race, and the U19 Board Rescue Race. James Anderson won Gold in the U19 Belt Race and the U19 Board Rescue (with Hayden) and Silver in the Open Belt Race. Nat Johnstone blitzed the field to take Gold in the U19 Beach Sprint and Haydn Tierney came home with a well deserved Bronze in the Open Surf Race. Haydn, Hayden, James and David Morris also picked up Bronze in the Open Surf Teams. As you can imagine it was a particularly pleasing night at the Barwon Heads Hotel that evening!

Point Leo SLSC travelled to the Nationals at Kurrawa, Queensland with 31 competitors entered in a variety of events ranging from young Andrew Morris in the U16 Beach Sprint/Beach Flags to our oldest Garry Rydberg, who was reel man in the U19 Belt Team supporting James Anderson. The sweep of the Ladies Boat Crew, Ian Johnson, who turned 50 in the week before the Titles, was not far behind Butch in the oldies category. Garry Rydberg and Garth Tierney also competed in the Masters with Butch getting a 4th in the 50-54 Rescue Tube race.

The National Titles has now become a huge event and it is said that it rates second only to the Olympic Games in regard to the number of entrants. There were well in excess of 7000 entries and when you look at some of the event statistics such as 336 swimmers in the Open Men's Surf Race, 545 paddlers in the Open Men's Single Ski Race, 404 in the Open Men's Board Race, 115 crews in the Open Women's Boat Race and so on, that you realise that the Point Leo participation is not that big at all. But at least we were there having a red hot go!!

From Leo's point of view the highlights were-

- James Anderson's valiant 4th in the final of the U19 Belt,
- Hayden Rydberg and David Morris finishing in the mid twenties in the final of the U19 Surf Race, and
- Nick Veliadas winning a heat of the Senior Belt at his very first attempt in this tough event.

Our Boat Crews were a little unlucky – both the Women's Crew and the Backbone, the Reserve Crew, had limited preparation leading up to the Nationals due to injuries etc., and the Men's A crew rowed very well in two heats and just missed out on going through to the next round.

Kate Stafford and Nic McCracken were up against some pretty hot competition in the Open Women's Surf Race but both were happy with personal bests. Claire Stocks and Andrew Morris were our Beach Event entrants but found the going a little tough at this level.

It is quite obvious that Point Leo SLSC does have a pool of very talented young competitors (and Julia Treadwell, and the Women' "A" Crew are back next year), however to take the next step we need to improve in the coaching area and that is something the committee must address immediately.

John Horwood.

Team Manager

AWARDS

Two President's Trophies are presented annually: one Junior and one Senior. They are awarded on the basis of the acceptance of the duties of a member and the provision of leadership both in Club and SLSV activities, competitive performance, fostering of team spirit and personal conduct and demeanour.

PRESIDENT'S TROPHY – JUNIOR

This years President's Trophy – Junior is presented to Natalie Johnstone. Natalie completed 55 patrol hours this season and was a smiling enthusiastic face both on the beach at Point Leo and in competition. She has been a role model for many other junior members and has been an energising force in the competition team. This year Natalie achieved a gold in the under 16 Beach Sprint at the State Titles and has been touted as our very own golden girl with one of the largest support groups for a single competitor ever!

PRESIDENT'S TROPHY – SENIOR

The 2002 Senior Trophy goes to our Club Captain, Adam Woods. In his first year as Club Captain Adam has done a brilliant job bringing together the different sections of the Club. He commands the respect of young and senior members alike by virtue of his honesty, hard work, surf life saving skills, sense of humour and dance technique. He is enthusiastic in everything that he does and has never shirked any responsibility. Adam has delicately handled differences of opinion as they arise, is a total party animal and a boatie to-boot.

Dick Catterick AWARD

This annual award is presented in memory of the late Dick Catterick who was the clubhouse supervisor at Willards (the old clubhouse). The Award recognises the Club member who has made an outstanding all round contribution during the season. The Award for 2001 - 2002 is presented to Richard Ellis. Richard was a shy conscript to the Committee last year as Gear Steward. He has for several years been a dedicated patroller and this year, as a Patrol Captain, discharged his responsibilities with a thoroughness, professionalism and good humour. As well as being gear steward he readily volunteered to assist Peter Whillans with the conduct of the IRB driver's course when the need arose and also stepped into the breech assisting the IRB section. He has been an effective coach, mentor and a constructive contributor within the club at every opportunity.

Tom Mollenkopf, President

MINUTES OF THE 12TH ANNUAL GENERAL MEETING OF THE POINT LEO SURF LIFE SAVING CLUB INC. HELD AT THE POINT LEO CLUBHOUSE ON - JULY 8th 2001.

1. WELCOME:

J Horwood welcomed members and guests to Point Leo for the AGM and in particular

Life Members: G Tierney, C McDonald, A Barnes, G McKellar, G Rydberg, and D Roberts
It was noted that there was no representative from SLSV. The meeting commenced at 1030 am.

1.1 ATTENDANCE AND APOLOGIES:

Attendees:

D Woolley, M Mollenkopf, A Woolly, A Woods, JC House, P Whillans, T Mollenkopf, S Williams, K Williams (1), K Williams (2), K Williams (3), A Treadwell, C Fennell, A Treadwell, P Merrigan, C McDonald, J Treadwell, M Treadwell, L Treadwell, A Williams, M Jeffrey, C Stocks, N Johnstone, M Bunting Frame, T Murray, T Brawn, J Goodman, C McGill, G North, D Szabo, R Stahel, L Stahel, L Tierney, G Tierney, K Stafford, R Sowerby, J McKellar, P Gibson, A Barnes, S Barnes, H Rydberg, J Keeran, B Walker, H Walker, R Ellis, L Sowerby, R Sowerby, C Sowerby, G Martin

Apologies:

J Williams, J Williams, A Gibson, E.Kidd, P Taylor, G Richter, A Groenen,
R Stirling, S Bange, M Bange, G Merrigan, R Murray, N McCracken, R Smallman,
J Anderson, L Overend, G Tierney, J Walker, R Marks, T Marks, L Curtin, S Whillans

Moved M Jeffrey seconded A Treadwell carried that apologies be accepted.

2. PREVIOUS MINUTES:

Moved M Tierney seconded P Merrigan and carried that the previous minutes be accepted.

3. BUSINESS ARISING FROM PREVIOUS MINUTES:

Nil.

4. ADOPTION OF THE ANNUAL REPORT:

Officers of the incorporated body presented their reports as per the circulated annual report.

Moved A Barnes seconded G Tierney and carried that the annual report be adopted.

5. FINANCIAL REPORT:

C Fennell presented the profit and loss statement for the 12 months to 30 April 2001, the balance sheet as at 30 April 2001 and the independent audit report to members.

Special thanks to K Williams, R Marks and to all sections.

Moved D Woolley seconded A Williams and carried that the financial reports be accepted.

6. PRESENTATION OF AWARDS:

Presidents Trophies	Senior H Tierney
	Junior J Treadwell
Dick Catterick Award	D Szabo
Nipper of the Year	R Stahel

7. ELECTION OF OFFICE BEARERS:

President	T Mollenkopf	Club Captain	A Woods
V-Presidents	J Horwood Senior VP	Vice Captain	A Gibson
M Jeffrey	J McKellar	Chief Instructor	K Stafford
G North	J Keeran	Gear Steward	R Ellis
A Williams	JC House	Boat Captain	T Brawn
S Williams	P Taylor	Swim Captain	M Tierney
SLSV Delegate	P Taylor	Board & Ski Cap	H Tierney
Treasurer	C Fennell	First Aid Officer	G Martin
Team Manager	J Horwood	Mine Editor	D Szabo
Secretary	P Whillans	IRB Captain	D Szabo
Registrar	K Williams	Radio Officer	G Hartley
Jnr Act Co-Ord	J Goodman	Social Secretary	Deferred
Cadet Co-Ord	R Sowerby	House Admin.	Deferred

A special thank you to John and Rhonda Horwood during a challenging period in the Club's history and for uniting the Club.

LIFE MEMBERSHIP: Nomination of John Williams moved A Williams seconded A Barnes and passed. Kylie Mitchell accepted on John Williams's behalf.

8. GENERAL BUSINESS:

That Point Leo SLSC Inc. seeks affiliation for the 2001/2002 season with Surf Life Saving Victoria. Further that the articles, constitution, by-laws, regulations and resolutions together with the awards and equipment of Surf Life Saving Australia Limited and/or affiliated state/territory centres and/or affiliated branches be accepted without reservation.

Moved T Mollenkopf seconded A Barnes were both endorsed by the meeting.

9. PRESENTATION OF SLSV AWARDS:

Janis Caddie House presented SLSA awards to members present.

A thank you to Janis Caddie House for her work for the Club and Surf Life Saving.

Meeting closed at 11.10 AM and was followed by a light lunch in the clubhouse.

Thank you to the Sowerby and McKellar Families for arranging the luncheon.
