President's Report

One of the most pleasing aspects of the 2006/7 season was the feedback from parents and others that members in the 13 to 18 age group were enthusiastic about coming to the beach because they were having fun. Many of the changes in Life Saving over the last decade have resulted in a more regulated environment in which life saving activities must be conducted. While these changes have been important from various administrative and member welfare perspectives they have had a negative impact on young lifesavers, particularly those still deciding between committing to the beach or the wide range of alternatives that modern society offers. The restructuring of awards, SLISA's move to a registered training organization, policies and procedures, workplace safety and Government regulation have all diluted the focus from "the beach". Over the last two seasons many of the initiatives undertaken have been targeted on member retention in this critical age group. We must continue to ensure they have fun.

The number of cadet members has been in steady decline since 2002/3 with only 63 cadets in 2005/6. This number has returned to the 2002/3 figure of 95 due in the main to the efforts of a large group of young active members who ensured training and patrols were fun. Thanks in particular to Simone Williams, Dayna Laurence, Simone Garner, Maddy Nunan, Khali Williams, Natty Johnstone and the three amigos Monty (Frankish), Euan (Ellis) and Max (Mollenkopf).

This year saw the return of Flinders to Point Leo boat race. While it was held somewhat earlier than the traditional event, it was a great success. Andrew Foley did a great job getting the event off the ground and encouraging a significant number of clubs to turn out. We also had a number of ski paddlers from the club who also joined the event – I think we will need to add skis to the program. Well done Andrew.

The Club is again in a sound financial position despite recording a loss for the year. This loss amounted to \$6,448 and was primarily due to a timing difference in receipts and expenses for the accommodation on the 2006 ski trip. Kim Williams has managed the finances of the club in a manner that gives confidence in the statements that outline our financial position at both a monthly and annual level and for this I both thank and congratulate her. Well done. Special thanks to our Sponsors, patrons, and all those who gave up their time to arrange and support our fund raising activities. I would particularly like to thank the Nipper BBQ team of Al, Steve, Dick and Robyn who once again have not only provided invaluable support to the Junior Program but managed to raise approximately \$4,800 as well, a remarkable effort.

This season we found it more difficult to meet all our patrol obligations. We made a conscious decision to restructure patrols with a focus on youth. The number of patrols increased from eight to eleven with three dedicated to new bronzies to continue the bronze camp theme. Other patrols aligned with competition teams and young social groups. Although the change did put some pressure on older patrollers I believe the change was fundamental, not only in improving youth retention, but in fast tracking the development of leadership skills. I would like to take this opportunity to thank the younger members who stepped up and managed the patrols. The club does suffer from limited IRB drivers and crew. Since the removal of crewing from the bronze course the number of drivers and crew have steadily declined. All clubs appear to be wrestling with this problem and in recent months we have been working with a number of other regional clubs and State Centre in joint IRB programs. Special thanks to Simone Williams and Andrew Gibson for their support with patrolling this season.

The Nipper program was again a success. We ran with slightly lower numbers this season due to the absence of Alison and Rod Keppell who took on the cold of the Northern Hemisphere in January this year. Alison did the preliminary work and entrusted the running of the program to the team led by Julia O'Shaughnessy who did a magnificent job. In addition to the program we hosted a regional carnival and travelled to Warrnambool for the Junior State Titles. Congratulations to Kim Lipszyc who received the Westpac Victorian

Under 9 Nippers at Warrnambool

Champion Junior Lifesaver of the Year Award at the Junior State Titles. For more competition detail refer to the Junior Report.

Ensuring the protection of our younger members is something we always have at the forefront of our minds. As you will be aware the Victorian Government has introduced a requirement for police checks for all people working with children. This is being strongly supported by LSV and anyone in the club taking part in activities with members under the age of 18 years is required to have a police check. Although there is a government timetable phasing this in it is important for

everyone in lifesaving to have this check. Application forms are available at post offices and it is free for club members. The police check is only a small step in the overall process of member protection. We must be constantly vigilant of any inappropriate activity and conduct that youth may find offensive. Unfortunately there are an increasing number of incidents occurring in the lifesaving movement and we should collectively take on the responsibility for ensuring they decrease. Incidents need to be reported to the club's member protection officer or the president.

The Senior team had mixed success this season. While leaving the detail to the section leader's reports I must mention a few performances. Tom Aliotti continued to impress with his speed over the sand. He had a solid year at carnivals, claiming the U17 and Open State sprint title and placing 2nd in U17 flags. Tom together with Tom Denehy, Haydn Tierney and the Open Women's R & R Team all made Australian finals in WA this year. The Open Women's R & R team of Morgan Lacey, Khali Williams, Simone Williams, Emily Cox and Caroline Stawell, coached by Christine Cardwell, achieved Bronze at the Aussies.

I would like a moment to thank Simone Williams for her ongoing support. As Club Captain and unofficial Chief Instructor she has provided the Club with a solid foundation of new lifesavers and improved the skills of many of the older team. More importantly this process has developed several potential Chief Instructors and Club Captains, which will stand us in good stead for the club's future.

Although the financial position is good we can not afford to be complacent. To continue the tradition of in-house training camps we need to press ahead with the kitchen renovation to ensure ongoing compliance with food regulations. We also need to continue to invest in lifesaving equipment for training, patrol and water safety. This is a continual program although we do require a number of significant items, like the gator replacement and a beach shelter, in addition to the normal requirements.

Many thanks also go to the Point Leo Foreshore Committee, in particular Ray Gould, for their ongoing support.

As I have reached the end of my third year as President I will, if all goes to plan, hand the presidency over to a successor. I would like to thank the Committee without whom the club would grind to a halt. We have been lucky in recent years to have a large number of committed individuals with a common desire to put something back into the club. This varies from long standing members to relatively new nipper parents grateful for what the club has done for their family. It is a worthy cause and I recommend it highly.

As we move into the coming seasons remember the business of a surf club is "To preserve and safeguard life by the study and practice of methods of lifesaving". We need to ensure that we cultivate an environment that allows us to get on with the business.

Richard Ellis

ABN 83 471 063 765

STATEMENT BY COMMITTEE

AS AT 30TH APRIL, 2007.

The Committee has determined that the Club is not a reporting entity as defined in Statement of Accounting Concepts 1: Definition of the Reporting Entity, and therefore there is no requirement to apply accounting concepts or standards in the preparation of these financial statements. The Committee have determined that this special purpose financial report should be prepared in accordance with those accounting standards and the basis of accounting outlined in Note 1 to the accounts.

In the opinion of the Committee:-

1.
 - a) the profit and loss statement and statement of cash flows have been drawn up so as to give a true and fair view of the results of the Club for the year ended 30th April, 2007.
 - b) the balance sheet is drawn up so as to give a true and fair view of the state of affairs of the Club as at the 30th April, 2007.
 - c) at the date of this statement, there are reasonable grounds to believe that the Club will be able to pay its debts as and when they fall due.
2. The Club has during the financial year:-
 - a) kept such accounting records as to correctly record and explain its transactions and financial position;
 - b) kept its accounting records so that true and fair accounts of the Club can be prepared from time to time; and
 - c) kept its accounting records so that the accounts of the Club can be conveniently and properly audited in accordance with the Associations Incorporation Act.
3. The accounts have been properly prepared by a competent person.

This statement is made in accordance with the resolution of the Committee of Management and is signed for and on behalf of the Committee by:-

Kim Williams

K Williams

Dated at Point Leo on the 11 day of July, 2007

POINT LEO SURF LIFE SAVING CLUB INC.
ABN 83 471 063 765

NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30TH APRIL, 2007

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies have been adopted in the preparation of these accounts.

a) General

These financial statements are prepared for distribution to the members and for the purpose of fulfilling the requirements of the Associations Incorporation Act. The Committee has determined that the Club is not a reporting entity and therefore there is no requirement to apply the Accounting Standards in the preparation and presentation of these statements, except for those Standards specified in Schedule 1 of the Associations Incorporation (Prescribed Particulars) Regulations.

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention and a going concern assumption. They do not take into account changing money values, or except where stated, current valuations of non current assets.

The accounting reports have been prepared on the basis of recognizing in dollar value only assets and liabilities generally described as cash based.

b) Principal Activity

The Club's sole activity is to provide life saving services and facilities for the community and its members. The Club did not carry out any trading activities during the financial year other than those incidental to the above activity.

c) Income Tax

No amount was required to be provided for income tax.

d) Property, Buildings and Amenities

Buildings and items of plant and equipment are recorded in the balance sheet at cost. The value of such items is brought to account as depreciation over the expected life of each asset.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
POINT LEO SURF LIFE SAVING CLUB INC.**

OUR REFERENCE

Scope

We have audited the attached special purpose financial report comprising the Balance Sheet, Profit and Loss Statement and Accompanying Notes of Point Leo Surf Life Saving Club Inc. for the year ended 30th April 2007. The members of Point Leo Surf Life Saving Club Inc. are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on its preparation and presentation. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with Australian accounting concepts and standards so as to present a view which is consistent with our understanding of the financial position of Point Leo Surf Life Saving Club Inc. and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

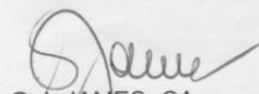

Qualifications

It is not practicable for us to audit all monies received prior to the initial entry of those transactions in the accounting records. Accordingly, the audit of those receipts was restricted to the amounts recorded in the accounting records.

Qualified Audit Opinion

In our opinion, subject to the effects on the financial report of the matters referred to in the qualifications paragraph, the financial report presents a true and fair view of Point Leo Surf Life Saving Club Inc. as at the 30th April, 2007 and the result of its operations and its cash flows for the year then ended and is in accordance with the accounting policies described in the Notes to the financial statements,

Club Captain's Report

It has been another fun filled season down at Point Leo this year. The season started off with our renewed Flinders to Point Leo Boat Race in October, and ended with a fabulous Presentation night in late May. A changed patrol structure, fluoro orange tracky pants, cadets taking patrolling hours to new records, Jackson Curtis spending his entire summer at Point Leo dressed in red and yellow, and Tom Aliotti winning the Open Beach Sprint at States and making two National finals were just some of the highlights of the season. Of course, I can't forget the Open Women's R & R team who took home Bronze from the Australian Titles at Scarborough, WA and Kim Lipszyc for her outstanding achievement winning the Victorian Champion Junior Life Saver competition.

Each season requires a lot of time and effort to be put in behind the scenes to allow the members every opportunity to patrol, compete, enjoy the clubhouse and develop new skills. This year was no exception and thanks must be given to the committee and the tireless members who have taken the time to help out around the Club. Alf and Ann Treadwell and John Horwood for fabulous Spit Roast Dinners, Andrew Gibson for doing ALL the hard work behind the scenes, Jenny Burgess for selling piles of clothing, Al Buxton, Richard Ellis (the 1st) and Steve Roadnight for their never ending supply of sausages – all of these people were always there, working hard, and didn't always receive enough thanks. Your efforts didn't go unrecognised!

Patrols changed this year, and whilst Andrew will discuss this further, thank you to the Patrol Supervisors this year. They had the tiresome task of recruiting people to be on the patrol. It was sometimes pretty tough to get the right mix of people on the beach – I thank you for your efforts.

There was only one negative aspect of the season – and it really impacted on the proficiency of patrols. All members must do their share of patrol hours. I realise everyone works and has other commitments, but we all do and just a few hours help! Remember that our first priority and obligation is to protect the public, and as members it is your job to be on the beach over the season to help lighten the load on the 'regulars' – especially Jackson. You are our hero mate! What a huge effort by a 16 year old!

The competition team changed guard this year, with John Horwood standing aside as Team Manager. While we missed John at carnivals, Ben Nunan took on this role with great motivation and enthusiasm – it took him all of 2 seconds to reply when asked! He certainly encouraged all members on the beach, and was there to help with belt races, organising teams for the younger members and sorting out the R & R girls when they broke their gear, and he still found time to keep up an active social life as well! As a club we have a reputation

as the most supportive and vocal on the beach; Ben certainly helped to foster this spirit. This team spirit was continued by our Junior team – there was orange zinc as war paint, and orange clad people jumping up and down and yelling as the kids raced around the cans – and that's just the parents! Their club pride was fantastic and a true testament to the strength and support given to our great club and I can only encourage you all to move up in the ranks.

Training for awards changed shape this year, with training instructors taking on camps to run, which

was great to see! Huge thanks go to Simone Garner, Natalie Johnstone, Dayna Laurence, Maddy Nunan, Jack Garner, Tom Aliotti, Ben Nunan, Max Mollenkopf, Monty Frankish and Euan Ellis for all their hard work on Bronze Camp. Special thanks go to Gemma McEgan who ran the Bronze camp and Simone Garner who ran the Life Saving Star course in December. We still need a Chief Instructor!

Again the Club Championships were a roaring success despite miserable weather. The Men's Masters section is growing – I challenge all the nipper Mums to get involved next year as well as the Dads. It was a great day by all standards, and the combined junior and senior events again were a huge success. It was a fantastic family day for Point Leo, where members from all areas of the club came together and celebrated. A huge "thank you" must go to John Horwood and Rod Keppell for their organisation of the event.

Master's competitors – Club Championships

Congratulations on another fantastic season!

Simone Williams
Club Captain

Vice Captain's Report

This season we adopted a new Patrol system, dropping the Surf Rescue Team (SRT) structure which has served us well for ten years.

The aim of the new structure was to:

- Stimulate development of new and younger Patrol Captains.
- Engender more 'fun' on Patrols.
- Reduce the stress of inspections by dropping out of the competition.
- Maintain the good attendances of the SRT.
- Maintain patrol standards.

My assessment is that we succeeded on the first three of these objectives, but failed on the last two.

At present our competition teams are strong. This seems to correlate with poorer patrols. It is arguable that when members are committing a lot of time to training and competition, the time available for patrolling is reduced. While we didn't enter the Patrol competition, we still had to participate in Patrol audits. Unfortunately the points lost on these audits indicated that our attention to detail on patrols was not at a high standard.

Attendances were also a problem this season. While many patrols, particularly over the school break, were well-attended, there were also many last minute Patrol-day calls to make up the minimum four patrollers.

We also suffered badly from the loss of IRB Drivers. We lost four drivers from last season due to injury and transfer, which made a huge hole and threw a lot more workload on to the few remaining active drivers. Qualifying more IRB drivers and crew must be a priority for next season.

David Gearing preparing for his IRB Driver award.

Patrol Hours

Top Patrollers were:

	Patrol	Water Safety	Total
Jackson Curtis	165	14	179
Andrew Gibson	103.5	12	115.5
Charlotte Coleman	75	23.5	98.5
Philipa Van Leeuwen	60	29	89
Harriet Hughes	66.5	19	85.5
Dayna Laurence	71.5		71.5
Grace Wilkins	42	29	71
James Keeran	40	31	71
Scott Roadnight	36.5	31	67.5
Kate Sunderland	58.5	7.5	66
Amelia Stevens	53.5	12.5	66
James Coldham	41	25	66
Jack Garner	58	7.5	65.5
Richard Ellis	65		65

Congratulations go to Jackson Curtis, who achieved a remarkable total in his first year of patrolling. Congratulations also to James Keeran, who still achieved an exemplary number of hours on the beach, despite being laid up with injury for a large part of the season.

Thanks to everyone who completed their minimum 16 hours of patrol.

Total hours patrolled	4256.35
Total active members	222
Number who patrolled	146
Number who didn't do 16 hours	76

Patrol hours and dates for individuals can be viewed on the Point Leo website and in the Appendices to the Annual Report.

Patrol Equipment

Motors: IRB motors again had an outstanding season, with good starts and few breakdowns. This is four seasons in a row where we have had minimal IRB motor problems, which is a huge credit to James, Richard and their helpers.

IRBs: Gave a fair bit of trouble this season with punctures and one incident of serious damage.

Patrol Trailer: Served another season without too many difficulties beyond a couple of flat tyres.

Shelter: The poor old shelter managed another season. Peter Gibson had to be called on several times to keep her together. We had a plan to get Gunnamatta's shelter and make a hybrid, but that came undone when a willy-willy destroyed their new shelter.

Gator: Managed yet another season but she is really struggling. Rust is eating away at the structure and there seems to be a transmission problem which is causing her not to tow as well as normal.

Rescue boards: Kept in good repair for the third year in a row.

Rescues and First Aids

	06-07	05-06	04-05	03-04	02-03

Preventive Actions	422	858	369	735	427

A Fine Achievement

Jackson Curtis on patrol

Jackson Curtis completed 179 hours of patrolling and water safety in the time between Boxing Day 2006 and Easter 2007 – a mere 12 weekends. Each Saturday and Sunday he would present for patrol, and over the summer break, every Junior Activities program, giving up his time to serve the club. Not too bad for a 16 year old who got his bronze the day before Christmas.

He sacrificed a social life over the weeks, study time and time with his family. Jackson quickly became the face of Point Leo, with the public instantly recognising him after spending days on the beach with him ensuring they remained safe. Jackson says “People invite me over, but I would want to patrol so I didn’t go. I missed out on a lot of home work and study I could have been doing because I wanted to patrol so bad.” What is the one downfall of all this? “All that time I could have been surfing out on the reef - but I had committed myself to patrol so I couldn’t. I really enjoyed patrolling and wouldn’t think twice about missing out on patrol.”

This is a tremendous effort for such a young member of the club. He should be recognised and commended by the association for his efforts and contribution to Surf Life Saving. It is this creed that the future of our movement is based upon – vigilance and service.

Andrew Gibson
Vice Captain

Chief Instructor’s Report

Unfortunately this season there were no volunteers for the role of Chief Instructor. The overall organisation of training courses again fell to Club Captain Simone Williams. Fortunately she was able to arrange several members to take on the responsibility of individual training courses. Many thanks go to Gemma McEgan (Bronze camp), Simone

Garner (Life Saving Star course), Andrew Gibson (Age Managers course and IRB Crew course), David Neal (Defibrillator course), Wilga Kottek (Patient Assessment for our Juniors) and Toby Dobell (District Officer – Senior First Aid and Junior Surf Education) for assisting with the training of our members this season. Thanks also go to Simone Williams who ran a second Life Saving Star course during January. A full list of awards passed during the 2006/2007 season appears at the end of the annual report.

Junior Report

Holiday Programme

As most of you are aware, I took over Junior Coordinator as “caretaker” whilst Alison and Rod Keppell were away. I don’t think I truly understood what was involved, however I enjoyed every minute of this role. The Nippers’ enthusiasm and exuberance were contagious and I was truly overwhelmed by the level of parental support. I must admit I could not have performed this job without the dedication and hard work of Kim Williams and the assistance and emotional support from Kim Aliotti and Brendan Riseley.

The holiday programme kicked off without too many hiccups and ran smoothly. We had 249 Juniors pass through the programme this year. The atmosphere around the club was amazing – warm and friendly with an element of fun. I take this opportunity to thank all families for embracing the spirit of Point Leo S.L.S.C.

It was a fantastic season and full credit goes to the great bunch of Nippers who turned up regardless of weather conditions, bringing their positive attitudes and giving their best. The programme was essentially about water safety, awareness and experience plus having fun. We continued to achieve our goals here.

Thanks to Toby Dobell for teaching our Surf Education programme. Also thanks to Simone Garner and Dayna Laurence for taking time out to run the Lifesaving Star Programme for the Under 14's. This was run over

December and allowed the Under 14's to do water safety for our Nippers. The Lifesaving Star continues to grow in stature and popularity. So much so that another course was run by Simone Williams over three days in January. Thank-you Simone.

Thank-you also to all members who helped with water safety. The support the Juniors had here was incredible. It was great to see how many young adults dedicated their time and we could not run Nippers without them. They were a great bunch and I really appreciated their help (when they could be having a sleep in!).

The programme relies heavily on parental support and the following deserve special mention:

Age Group Leaders

U/8 Sarah Thiele / Simon Mezger

U/9 Damien Abrahams/ Mark Hopkinson/ Duncan Fraser Smith

U/10 Mary-anne Egan / Di Summers

U/11 Stacy Lethlean / Claire Pierce

U/12 Jane Callander

U/13 Liz Hartley

U/14 Kim Aliotti

Senior Boards Andrew Forrest Jon Ford	Junior Boards Mark Aliotti Mark Dewhurst Dave Neal	Swim Julian Feller Tony Brooks Alison Brooks	Louise Curtin David Niall
Flags Leanne Young Adrian Wale Denise Wale Janet Dewhurst	Sprints Mick Gayfer Murray Turner Nick Noall Tom Aliotti	IRB and Can Set Up Richard Ellis Dave Russell David Gearing Clayton McDonald	Jack Garner Tom Aliotti Andrew Gibson James Keeran

BBQ

Thanks again to our fabulous BBQ team Al Buxton, Steve Roadnight, Dick Ellis and Robyn Greene. Not only do they provide sustenance to our hungry Nippers by cooking thousands of sausages and hash browns (our staple diet over summer!), but this year raised over \$4,800 to assist in the purchase of equipment. It was an amazing effort.

Surf Life Saving Australia required all involved parents to attend an Age Managers Course in order to work with the Nippers. Thank you to Andrew Gibson for conducting the course and thanks to all those who attended (a list of participants appears in the list of awards at the end of the annual report).

Nipper Competition

Following the holiday programme, a dedicated group of Junior competitors rocked up every Sunday in anticipation of the State Titles. Mount Martha gave our Nippers their first taste of competition. Many brought home ribbons and participation level was high. The warm up to States, the Regional Championships, were once again held at Point Leo beach on the 4th February. What a day it was! The Point Leo Team was huge with over 100 competitors. We qualified our teams for the States and were clear winners overall.

We were aware that our Nippers required more training in the surf so when the surf was up at Second Reef, down went our nippers, boards in tow, to catch some waves. This really added an element of fun whilst helping hone their skills in the surf. Next season we hope to expand the competition programme in order to give our nippers more experience in the surf.

2007 Westpac Junior Championships

The trek back down to Warrnambool for the 2007 State Titles was taken by almost 90 competitors and their supportive families. It was a fantastic effort by all Nippers who competed in the Junior Championships. It was a great weekend with great surf and once again the Point Leo Team took up the challenge with enthusiasm and confidence. It was certainly a lot of hard work but also heaps of fun. Our Point Leo Team came 4th out of the 29 teams attending. We were certainly at 3rd's heels. Great Work!

Point Leo Juniors came home with:

1 st	13
2 nd	15
3 rd	5
4 th	16
5 th	13
6 th	9

State Results were:

1 st	Torquay	328 points
2 nd	Anglesea	306 points
3 rd	Ocean Grove	274 points
4 th	Point Leo	261 points
5 th	Mentone	224 points
6 th	Mount Martha	172 points

Placings up to 6th give points to our overall score, so good work to all those who just missed out on a medal. You all contributed to getting Point Leo to fourth place. Detailed results can be seen at the end of the annual report.

Julia O'Shaughnessy
Junior Co-ordinator

Beach Report

What a great season the beach team had. Everyone competed exceptionally well and I was very proud of all section members. The Beach Team had a great State Titles with a record of 10 competitors representing Point Leo.

Throughout the season Point Leo consistently placed in the top eight for most of the beach events. Tom Aliotti (pictured left) placed in the top 3 in every beach event he competed in for the entire season. Tom was Point Leo's only beach competitor in the Australian Titles at Scarborough WA, where he showed the other clubs what he was made of. He competed in the U/17 beach flags placing 6th in the final. He also competed in the U/17 beach sprint where he had to qualify into the semi finals and then qualify into the final. The final was a very close race in which Tom was placed 5th. Tom was also selected to represent Victoria in the State Team which competed in South Australia in January. It was an outstanding effort by Tom throughout the entire season.

Jack Garner, Matt Tardif and James Young all represented Point Leo in Victorian carnivals over the season and consistently placed in the top eight for all their events. Bonnie Aliotti, Felicity (Flick) Malesa and Philipa (Flip) Burch also represented Point Leo at a number of carnivals and came out with exceptional results. Both Flick and Flip placed in the top 8 in their events. Nathan Robinson, Sandra Chaban and Bella Hartley came along to their first carnival and gave it their best shot, doing remarkably well and making the final in numerous events. A big congratulations to Bonnie and Bella, as it was their first year competing in senior carnivals. I look forward to seeing them at the carnivals next year.

When States came along I was not expecting 10 keen runners to turn up and want to compete in so many events. Tom, Jack, Bonnie, Matt, James, Flick, Flip, Charlotte (Charlie) Coleman, Amelia Stevens and myself, all represented Point Leo, bringing home four medals (two gold, one silver and one bronze). The stand out competitor at State Titles was Tom Aliotti, winning both the U/17 Beach Sprint and the Open Beach sprint, where he was up against some quick guys...well I should say, quick men. This year we had three competitors in the 2km run; Jack, Flip and Amelia. Jack placed 7th in open males, Flip placed 6th and Amelia placed 7th in open females. And for the first time in a very long time, we had a women's relay team compete at the State Titles. I convinced Charlie, Flip and Flick to come up a few age groups and compete with me in the Open Women's Beach Relay. We all ran unbelievably and placed 6th in the final.

A special thank you goes to Ryan Kwijas, Tom and Jack for helping me in every way and making the season so much fun. I look forward to running with you next year.

Members who competed for the beach team over the season were: Tom Aliotti, Jack Garner, Bonnie Aliotti, Matt Tardif, James Young, Nathan Robinson, Charlotte Coleman, Amelia Stevens, Sandra Chaban, Bella Hartley, Felicity Malesa, Philipa Birch and Natalie Johnstone. Well done to everyone for a great season. I'm looking forward to an even bigger and better season next summer!

Natalie Johnstone
Beach Captain

R & R Report

This year two new members, Emily Cox and Caroline Stawell, joined three 'old timers', Simone Williams, Khali Williams and Morgan Lacey, to make up the Point Leo Open Women's R & R Team. With all girls either studying or working full time and living in different areas of Melbourne and further, the Point Leo Senior Women's R & R team set out on a task to win the Australian National final.

Training commenced at South Melbourne beach in the early weeks of August when the sand was still a horrible shock to bare feet. The team spent endless hours marching, in vertical lines, horizontal lines, one at a time and all together whilst new coach Christine Cardwell filmed them. She then spent her nights analysing the tapes and returned to the next training session with individual points the girls had to work on.

After months of training 2-3 times a week, competition commenced in December, with surf carnivals all around Victoria most Sunday mornings. The team took home three pennants in local carnivals. In January, Christine and the girls travelled to Sydney for the Freshwater and Manly carnivals, where they placed 2nd and 3rd respectively, and drilled 3 for the first time that season.

The Victorian State Titles at Apollo Bay in March saw the Point Leo Open Women's R & R team claim 3 medals: Gold in the Open Women's 5 Person (for the first time in over 7 years), Gold in the Open 6 Person and a Bronze in the Open 5 Person division. Christine was so proud.

These results set the girls up brilliantly for their Aussies campaign at Scarborough Beach, WA. After two days of heats, the girls made the Australian final, qualifying second. They placed 3rd in the final, claiming an Australian Bronze Medal with a consistent score of 3. This was a fitting result for a committed and deserving team who sacrificed eight months of the year standing on the cold beaches of Melbourne in an effort to achieve the ultimate prize.

Open Women's R & R Team – from left
Morgan Lacey, Emily Cox, Simone Williams, Khali Williams and Caroline Stawell

A last minute drive on R & R saw an Under 17 team formed 10 days prior to the State Titles. Khali Williams took on the job of coaching the girls; Kate Sunderland, Philipa Van Leeuwen, Charlotte Coleman, Amelia Stevens and Felicity Malesa. Unfortunately they weren't all able to get together to train as a team prior to competition so had their very first full run through in the Under 17 competition at Apollo Bay. The girls did a great job and came away with a silver medal. They backed this up with a third in the Under 19 competition and 4th in the Open 5. Hopefully we will see these girls continue on next season. They certainly have huge potential.

Simone Williams
R & R Co-ordinator

Board and Ski Report

This year for the board and ski team, it was a case of the same old faces wearing the orange cap at surf carnivals all around the State. The main offenders that fronted for each carnival were Haydn Tierney, Felicity Malesa, Philipa Birch and Hayden Rydberg. We were joined during the season by two new faces, one more experienced than the other. Ben Marshall joined the club, coming across from Anglesea, and provided plenty of experience and

strength to all of our Open Men's teams. Also Tom Denehy tried his hand at board paddling and even ski in a few U/19 Ironman races. Well done to Tom.

Results were mixed during the season with the major highlights being the persistent effort of our very undersized Open Men's Ski teams, the continuous hard work and effort by both of the junior girls in every event asked of them, the make-shift lightweight double ski team (I think the ski was heavier than the combined weight of the paddlers!) and the emergence of a strong Open Men's Board relay team.

Ben Marshall

The State Titles at Apollo Bay were a different story numbers wise for the section and participation was up. However the lack of experience throughout the season showed in our results. It would be great if those who did compete at States could learn from their experience and try and make more carnivals next season in readiness for the State Titles. Again it was the main core that shone at the Titles with their hard work and training shining through. The biggest highlight was the Open Men's Board relay team who challenged for a podium position the whole way, finishing a very strong 5th place against some very tough opposition. Team members were:

Hayden Rydberg (above), Ben Marshall and Haydn Tierney.

The Australian Titles in Perth saw the team numbers drop again. The section was represented by Tom Denehy and Haydn Tierney. Haydn had a fantastic result in the Open Men's Single Ski just missing the 3rd round by a single place. The Open Men's Ski is widely renowned as the toughest event on the program with over 550 competitors entering the event. Tom Denehy battled hard at his new disciplines and is now better for the experience.

Thank you to all those competitors who made the effort to come down and race with us this season. To the parents of the younger ones who drove them there, I thank you. Also to all the support staff (girlfriends, friends, family and die hard clubbies) your support was greatly appreciated. One final thank you goes to Ben Nunan our Team Manager, who in his first year did a great job and made life on the beach for the competitors easy.

I hope to see you all again next year and some new faces coming through from our formidable Nippers. I look forward to racing with you as a team.

Hayden Rydberg
Board and Ski Captain

Swim Team Report

The Point Leo Swim Team has had a solid season in 2006/07. This season saw a consistent contingent attending all the senior carnivals. Stalwarts Hayden Rydberg, Haydn Tierney and Tom Denehy were strong finishers for Point Leo at all senior carnivals. These three male competitors gave members something to read about as they all participated in 'The Age Ocean Swim Circuit' throughout summer.

Other swim section competitors of note were Felicity Malesa and Philipa Birch who tried their luck at some of the woollier senior carnivals. These girls would always put their hand up for extra races when conditions were tough or the R & R section was deemed 'dry'.

The State Titles were held at Apollo Bay with flat but deceptively tricky conditions. Point Leo had a fantastic turn out of enthusiastic juniors to fill all the team races at Apollo Bay. It was a great sight with so many orange caps in the water. The Open R & R women took part in surf races and team events such as the surf teams and board rescue, doubling up with juniors who backed it up after their own team events. Some special mentions were Matt McMahon and Tom Denehy in the belt, and Charlie Coleman and Emily Cox in the board rescue. A huge thanks also goes to all the parents who made State Titles such a top weekend.

Swimmer of the Year: Kate Sunderland

Kate was a pivotal member of the Point Leo Swim Team, particularly at State Titles. Kate struggled to juggle her pool competition commitments with surf carnivals throughout the season, with many event clashes. At Apollo Bay Kate participated in all team events possible and took home 6 State medals. She finished a close, gutsy second in her age group surf race behind the high profile Samantha Cain. Expectations will be high for Kate next season as she competes in the same age group. Following the State Titles in Apollo Bay, Kate travelled to Perth for the Australian Age Swim Championships where she finished 4th in her pet event, the 200m backstroke.

Morgan Lacey
Swim Team Captain

Boat Section Report

2007 saw the return of surf boats to the Point Leo club after a year or so in the wilderness. We came a long way towards Point Leo once again having a successful and competitive boat section. We built on the tradition of strong Leo boat crews of the past and saw the creation of a boat section with great pride, talent and breadth of skills. We saw enormous enthusiasm from great people around the Club who both wanted to assist (lots of advice) and to row.

Another highlight was the rebirth of the Flinders to Point Leo Boat Race which was a highly successful day with over 16 crews competing in this 8km race. Clubs and crews from all over Victoria were happy to compete in this event and were impressed by both the professional manner in which the event was run and the high level of support it was given by all members of the club.

We had two crews on the water for most of the year with an under 23 year old Women's crew and a Men's Reserve crew. The girls started the year with a great squad but unfortunately with travel and study commitments the squad was whittled down to three and we were unable to find a replacement. All the girls should be congratulated for their great loyalty to the club and the boat rowing section.

The guys competed in the highly competitive area of Men's Reserve. With very poor surf conditions at most of the carnivals, we competed this year knowing we needed very strong fitness skills as this had become the number one factor in winning races, not the traditional surf skills which we have seen in the past. The guys rowed well throughout the year and achieved their best performance at the Victorian Titles with a 4th in the second semi final. Congratulations and well done to all competitors who competed this year.

It is also with great sadness that we acknowledge the passing of John Williams who will always be remembered as a great member of the club and long time supporter of the boat section. John was a boat official for many years and helped in many areas. John will be sadly missed.

There are many who have worked to bring the boat section to life and make it competitive in 2007 and I would like to recognise them all – thank you. I would also like to take this opportunity to thank the Committee for their remarkable assistance and support to me personally throughout 2007. We all look forward to 2008 being a fantastic year for the club.

Andrew Foley
Boat Section Captain

Clubhouse Report

The first major change to the clubhouse this year came courtesy of the Gibson boys, Fraser and Tyler. Andrew's lads were back free loading with him so he put them to work in the clubhouse over the winter. All the work done by them was done at a much cheaper rate than I had been quoted by outside tradesmen. The bunkroom ceilings were lowered and rat proofed, this unfortunately brought about the necessity to lower the bunks so that heads and ceilings did not collide. This saw Peter Gibson (Gibbo) and myself spending two days chopping and re-welding the bunks.

The clothing room was re-modeled with a new access door. I think that this room has really paid for itself this year with a permanent shop setup for the girls to sell from.

The kitchen area still requires stainless worktops. We unfortunately missed out on the grant this year but we shall re-apply and continue to seek second hand units.

Wombat Alley (left) or Al's Alley as it has become known, has seen the biggest change to the clubhouse. This had been on the drawing board, but a slight accident during the Bronze Camp forced the issue. The new side door gave Al (Buxton) easier access to the store room and sink area, provided ventilation and a new emergency exit should anything go amiss in the kitchen. Many thanks go to David Gearing for financing this renovation and his brother-in-law, Steven King - not the literary one but the one with the hammer and saws - for quickly installing the stable door over Christmas.

Another addition to the alley are the security gates. This is to protect the BBQ from wandering off. Again, thanks must go to Gibbo for another two days work to remake these gates from a donated set that I had procured and to our anonymous Nipper benefactor for funding the work. Whilst on the subject I would also like to thank him for donating the new stainless tables that grace either side of the BBQ these days. As much as I liked some of Al's tartan fabric, these do look more professional, so Al and I would personally like to thank 'Scott of the Antarctic'.

It being the end of summer means that we have just had another vermin visit resulting in the ceiling coming down in the Patrol room. This has resulted in a couple of thousand dollars work being done by the local plumber replacing all the plastic pipe in the ceilings of the new wing with copper pipe. Andrew informs me that one leak did the damage but the plumber found a total of nine holes in the pipes. Hopefully this should put an end to this particular problem.

We do rent the building out throughout the year so a certain level of upkeep is required to meet the standards expected. To this end our next big expense will be the replacement of all the mattresses in the bunkrooms. Should anyone have contacts in this area please let me know.

The building has an ongoing need for maintenance both preventative and corrective but with very few tradies in the club these days it means that we must get tradesmen in. This is obviously more expensive but it is a cost that we must factor in each year. I will be asking for

help at the next working bee in the Spring. Please do come. There is always basic domestic type work such as windows, floors and walls to clean along with more structural work - something for everyone. Should anyone have a tradesman in the family who could give us some time, please contact me.

Lastly I would like to thank John Horwood for being local and available to shoot down to the Clubhouse at a moment's notice to meet trades people who do not keep appointments to the agreed days and to Andrew Gibson for just getting odds and sods of jobs and maintenance done.

Steve Roadnight
Clubhouse Administrator

Westpac 2007 Victorian Champion Junior Life Saver of the Year

For the past few years Life Saving Victoria have run a Champion Junior Life Saver of the Year competition for younger members of the organisation. This year Point Leo nominated Kimberley Lipszyc for this award. This is the first time the club has nominated a member for the award and it is with great pride that we congratulate Kim on being named the joint winner of the Westpac 2007 Champion Junior Life Saver of the Year.

Kim Lipszyc

Kim was required to complete an application form detailing her participation in life saving throughout the Junior programme and her plans for participation in life saving in the future. From this application Kim was selected as one of six finalists and was required to undertake three proficiency tests at the Junior State Titles in Warrnambool; a first aid scenario, a 20 question multiple choice test and an interview. Several of the other finalists were Bronze Medallion holders and had the edge on Kim with some of the questions, however to her credit Kim, who hasn't completed her Bronze yet, performed extremely well in all three tests.

As a recipient of this award Kim was automatically selected to participate in the Under 15 Development camp earlier this year. She had a great time, made many new friends learned essential leadership and life long skills including co-operation, trust, listening, communication and team work skills. Bonnie Aliotti and Hannah Lethlean also attended this camp.

Kim Lipszyc and Clare Hudson
Club Championships

Open Women's Surf Race
Club Championships

President's Trophies

Two President's Trophies are presented annually, one Junior and one Senior. They are the highest awards that the Club can bestow on one of its members. The Trophies are awarded on the basis of the acceptance of the duties of a member and the provision of leadership in the Club and Life Saving Victoria activities, competitive performance, fostering of team spirit and personal conduct and demeanor.

President's Trophy – Junior

This year's President's Trophy – Junior, is presented to Jack Garner. Jack is a fine example of a dedicated young lifesaver. This year he has recorded 65.5 hours patrolling highlighting his commitment to the beach. He undertook a number of awards during the season attaining his ARC and TOC for Bronze Medallion, and commenced his IRB Crew. Jack also represented the club at a number of carnivals over the summer.

President's Trophy – Senior

The 2007 President's Trophy – Senior goes to Andrew Foley. Andrew has made a noticeable contribution to the club this season. The challenge of rebuilding the boat section was a daunting one to say the least. He was able to develop a number of willing learners and draw together some past supporters to re-establish our boat section. Andrew also put the Flinders to Point Leo Boat Race back on the map, which in itself was no mean feat.

Andrew also understood the importance of keeping the section visible around the club scheduling regular training sessions at Point Leo. This worked well and allowed the rowers to keep in touch with other aspects of club life including patrols. One of Andrew's attributes that I find personally pleasing is that, when it came to competition, he kept the "Poodles" (Women's crew) within his and their limitations.

Thank you Andrew for your contribution to the Club.

Dick Catterick Trophy

This annual award is presented in memory of the late Dick Catterick who was the clubhouse supervisor at Willards (the old clubhouse). The award recognizes a Club member who has made an outstanding contribution to the club during the season. The award this year goes to Andrew Gibson.

This season Andrew assumed the role of Secretary in addition to his role of Vice Captain. Andrew has done an excellent job in both roles. The challenge of supporting the committee and the patrols is demanding to say the least. The latter was made more difficult this season as we asked Andrew to restructure the patrols to provide a greater opportunity for the development of our youth. In addition to this he set about acquiring training recognition to help resolve the IRB crew shortage and the Junior Age Managers requirements.

Minutes of Annual General Meeting 2005/2006

MINUTES OF THE ANNUAL GENERAL MEETING OF THE POINT LEO SURF LIFE SAVING CLUB INC. HELD AT THE POINT LEO CLUBHOUSE ON - July 22nd 2006 at 4pm

1. Welcome:

Richard Ellis welcomed members and guests to Point Leo for the AGM.

1.1 Attendance and apologies

Attendees

John Horwood, Richard Ellis, Janis House, Simone Williams, Natalie Johnstone, Ryan Kwijas, Hayden Rydberg, Mark Tierney, Peter Ford, Brian Horwood, Don Roberts, Al Buxton, Alf Treadwell, Anne Treadwell, Garry McKellar, Julia O'Shaughnessy, Andrew Gibson, Alison Keppell, Rod Keppell, Kim Aliotti, Tom Aliotti, Roger Sowerby, Lorraine Sowerby, Kim Williams, Tom Ellis, Barnaby Frankish, Charlie Keeran, James Keeran, Molly Keeran, Rosie Keeran, Tom Keeran, Will Keeran, Emily Keeran, Peter Keeran, Bruce Walker, Andrew Foley, Sarah Merrigan, Ron Murray, Mayumi Knight, Simone Garner, Rose Anderson, Max Jeffery, Christine Murray.

Apologies

Richard Batchelor, Tom & Brook Mollenkopf, Gary & Louise Tierney, John & Jan Williams, Alan Harby, Jill McKellar, Euan Ellis, Jenny Ellis, Julia Treadwell, Michael Treadwell, Luke Treadwell, Brendan Riseley, Marc Aliotti, Khali Williams, Hayden Tierney, Andrew Barnes, Sandra Barnes, Geoff Waters, Gary and Christine Rydberg, Louise Keeran, Tarena Murray.

2. Confirmation of the minutes of the 2004-2005 AGM

M – Andrew Gibson

S – James Keeran

Passed.

3. Business arising from the previous meeting.

Nil.

4. Adoption of the Annual Report.

Richard addressed the meeting on a number of points from the year including the 50 year book and the detailed Annual Report. Richard recommended that everyone buy a book. Representation at carnivals was great and the club spirit and unity on the beach was fantastic.

M – John Horwood

S – James Keeran

Passed

5. Adoption of the Financial Statements for the year ended 30 April 2006

M – Simone Williams

S – Bruce Walker

Passed

6. Election of Office Bearers.

Brian Horwood took over from the chair to move the nomination of Richard Ellis to the position of President.

All other nominations were moved and were declared elected (see table below).

After a secret ballot it was declared that the Boat Captain for the coming season would be Andrew Foley.

President	Richard Ellis	Social Secretary	
Secretary		Swim Captain	Morgan Lacey
Treasurer	Kim Williams	Boat Captain	Andrew Foley
Registrar	Kim Williams	IRB Captain	James Keeran
Club Captain	Simone Williams	Senior Vice President	John Horwood
Vice-Captain	Andrew Gibson	Vice President	Natalie Johnstone
Chief Instructor		Vice President	Ben Nunan
JAB Co-Ordinator	Alison Keppell	Vice President	Alf Treadwell
Team Manager		Vice President	Julia O'Shaughnessy
Cadet Coordinator		Vice President	Rod Keppell
Board & Ski Captain	Hayden Rydberg	Vice President	Kim Aliotti
Gear Steward	Ryan Kwijas	Vice President	Khali Williams
Radio Officer	James Keeran	Vice President	
House Administrator	Steve Roadnight	Vice President	

7. General Business:

7.1 Affiliation with SLSV

Motion: That Point Leo SLSC Inc. seeks affiliation for the 2005/2006 season with Life Saving Victoria. Further that the articles, constitution, by-laws, regulations and resolutions together with the awards and equipment of Surf Life Saving Australia Limited and/or affiliated state/territory centres and/or affiliated branches be accepted without reservation.

M – Andrew Gibson
S – Simone Williams
Passed

7.2 Membership Fees

Motion: That in accordance with Rule 4 of the constitutions that no membership fees should increase for season 2005 / 2006.

M – James Keeran
S – Rod Keppell
Passed

7.3 Active Reserve / Long Service

Letters of application received from Tamara Brawn and Francis Christian.

M – John Horwood
S – Andrew Gibson

Meeting closed at 4.55pm and was followed by refreshments.

Janis House
Hon Secretary
