## President's Report

The 2010/2011 season was an outstanding success for the Point Leo Surf Life Saving Club. The club had one of its most successful competition seasons in many years. We concluded our patrol function on a stable and solid note, continued to host an array of surf club related functions and events with success, and also held numerous social occasions that greatly assisted in bonding the fabric of this great club.

The actual list of events, functions and community service the club has provided this season is enormous and more detail about these will appear in the relevant sections elsewhere in this annual report. However, I would like to list some of these as a guide and reminder of the broad and vast great work the club does for the community, its youth and broader membership:

- Annual Bronze camp (37 members attended this year)
- Annual requalification
- Successful conclusion to one of the longest patrol seasons on record
- Point Leo Swim Classic
- Annual Point Leo Swim Camp
- Inaugural Point Leo Board Camp
- Establishment and presentation of the inaugural Gary Tierney Foundation awardee Lachlan Pearse
- Hosted a full senior carnival
- Hosted a full junior carnival
- Hosted a full regional carnival at 24 hours notice
- Had solid representation at every carnival (Junior, Senior and Masters) in Victoria this season
- Successfully managed the Junior Surf Lifesaving Program (Nippers) of some 450 Nippers
- Had 184 Nippers attend the State Titles at Lakes Entrance
- Had 60 senior competitors attend the State Titles at Lakes Entrance
- Won the Junior points tally at the State Titles and finished second overall in the combined junior/senior points tally
- Had 33 competitors attend and compete at the National Titles at Kurrawa, Queensland
- Won a National gold medal for the first time in twelve years thanks to Coach Geoff Water's Open Women's R & R team
- Held numerous spit roast nights, a muso night, Nippers' functions and disco that saw hundreds of members, supporters and families have fun and engage with the broader club
- Held a magnificent annual presentation night that was standing room only!
- Continued to secure a number of major sponsors to assist and support the club financially
- Continued to invest in infrastructure gains for the club and its environs
- Worked closely with the Point Leo Foreshore Committee and broader community to provide a safe environment for all visitors to the Point Leo area

These are just a few of the enormous tasks the club undertakes on an annual basis and it is sometimes timely to reflect on the overall breadth and scope of the activities the club participates in. This year I am proud to report the club has excelled in many areas. I also believe it is timely to reflect that the club has again achieved a tick for the most important function it delivers to the community – maintaining a safe bathing and beach environment throughout the patrolling season. This is without doubt our number one priority and well done to everyone who assisted in this outcome for this season.

Andrew Gibson

On a broader note, I am also pleased to report that the club is in a sound position. The club has a solid and hardworking committee that has put in hundreds of hours of work behind the scenes this season. I would like to thank all of this year's committee for their efforts, contributions and ability to 'get the job done'. I would also like to acknowledge the particular efforts of the club executive members Kim Williams, Andrew Gibson and Haydn Tierney – a great job everyone!

The club is in a solid financial position, carries no debt and maintains excellent relationships with its major partners such as Life Saving Victoria and all of our various suppliers. Some of the challenges facing us over the next time periods are a new All Terrain Vehicle and Patrol shelter for our patrol function; storage

area for our ever increasing club equipment; and, in the medium to long term, a full review and possible extension to our existing clubhouse facilities.

As President I have the difficult task of selecting worthy recipients of the Junior and Senior President's Award and the Dick Catterick Award. This year we had some stand out contributors within the club. Recipients for 2010/2011 are:

- Junior Presidents Award - Patrick Hough
- Senior Presidents Award - Chris Munro
- The Dick Catterick Award - Dick Ellis

These three members are all doers who get on without expectation. They are great contributors and I thank them sincerely for their dedication and achievements over the past season.

Looking ahead, I encourage every member to consider what they can achieve for themselves and the club in the coming years. The club requires more active members and also requires all those active members, where possible, to obtain more SLSA qualifications. The basic requirements around fulfilling our patrol functions are becoming increasingly more complex over time and we do need to ensure every patrol has a full suite of qualifications to ensure we provide the highest possible care and safety.

The 2010/2011 season has now concluded and it was a great year for the Point Leo Surf Life Saving Club. I am positive the next season and seasons to follow will only see Point Leo continue to grow in size, stature and respect within the surf lifesaving community, but remember, we can only do it with the support and assistance of every member working hard towards common goals.

It would be remiss of me to not mention our club sponsors. The club is blessed to have a current group of excellent sponsors that assist the club to provide its core function. I encourage every member to take note of our various sponsors (also note the sponsor's wall at the entrance to wombat alley) and support them where possible.

Lastly, well done to everyone who contributed, assisted and helped out during the season. Whether it was emptying a bin, sweeping a floor, making a full written submission to LSV for a grant, driving equipment to carnivals, putting up a tent, organising a dinner for 120 guests, driving members to patrol etc etc etc. A MASSIVE THANKYOU! One of the great aspects about this club is the multitude of members who are prepared to give their time and effort. There are so many of you it is impossible to list here. This is the lifeblood of a voluntary organisation and without you we would not exist!

Please enjoy the 'off season' and I look forward to seeing everyone on the beach at Leo in 2011/2012.

GO LEO!!

Ian Knight  
Club President

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**POINT LEO SURF LIFE SAVING CLUB INC.**

OUR REFERENCE

**Scope**

We have audited the attached special purpose financial report comprising the Balance Sheet, Profit and Loss Statement and Accompanying Notes of Point Leo Surf Life Saving Club Inc. for the year ended 30<sup>th</sup> April 2011. The members of Point Leo Surf Life Saving Club Inc. are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on its preparation and presentation. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with Australian accounting concepts and standards so as to present a view which is consistent with our understanding of the financial position of Point Leo Surf Life Saving Club Inc. and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

**Qualifications**

It is not practicable for us to audit all monies received prior to the initial entry of those transactions in the accounting records. Accordingly, the audit of those receipts was restricted to the amounts recorded in the accounting records.

**Qualified Audit Opinion**

In our opinion, subject to the effects on the financial report of the matters referred to in the qualifications paragraph, the financial report presents a true and fair view of Point Leo Surf Life Saving Club Inc. as at the 30<sup>th</sup> April, 2011 and the result of its operations and its cash flows for the year then ended and is in accordance with the accounting policies described in the Notes to the financial statements,

TAYLOR PARTNERS PTY LTD  
CHARTERED ACCOUNTANTS

  
G.I. JAMES, CA  
PARTNER

Date: 8<sup>th</sup> July, 2011  
Moorabbin

**POINT LEO SURF LIFE SAVING CLUB INC.**  
**ABN 83 471 063 765**

**STATEMENT BY COMMITTEE**

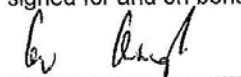

**AS AT 30TH APRIL, 2011**

The Committee has determined that the Club is not a reporting entity as defined in Statement of Accounting Concepts 1: Definition of the Reporting Entity, and therefore there is no requirement to apply accounting concepts or standards in the preparation of these financial statements. The Committee have determined that this special purpose financial report should be prepared in accordance with those accounting standards and the basis of accounting outlined in Note 1 to the accounts.

In the opinion of the Committee:-

1.
  - a) the profit and loss statement and statement of cash flows have been drawn up so as to give a true and fair view of the results of the Club for the year ended 30th April, 2011.
  - b) the balance sheet is drawn up so as to give a true and fair view of the state of affairs of the Club as at the 30th April, 2011.
  - c) at the date of this statement, there are reasonable grounds to believe that the Club will be able to pay its debts as and when they fall due.
2. The Club has during the financial year:-
  - a) kept such accounting records as to correctly record and explain its transactions and financial position;
  - b) kept its accounting records so that true and fair accounts of the Club can be prepared from time to time; and
  - c) kept its accounting records so that the accounts of the Club can be conveniently and properly audited in accordance with the Associations Incorporation Act.
3. The accounts have been properly prepared by a competent person.

This statement is made in accordance with the resolution of the Committee of Management and is signed for and on behalf of the Committee by:-

Ian Knight President

Kim Williams Treasurer

Dated at Point Leo on the 3<sup>rd</sup> day of July, 2011

**POINT LEO SURF LIFE SAVING CLUB INC.**  
**ABN 83 471 063 765**

**NOTES TO AND FORMING PART OF THE ACCOUNTS**

**FOR THE YEAR ENDED 30TH APRIL, 2011**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following significant accounting policies have been adopted in the preparation of these accounts.

**a) General**

These financial statements are prepared for distribution to the members and for the purpose of fulfilling the requirements of the Associations Incorporation Act. The Committee has determined that the Club is not a reporting entity and therefore there is no requirement to apply the Accounting Standards in the preparation and presentation of these statements, except for those Standards specified in Schedule 1 of the Associations Incorporation (Prescribed Particulars) Regulations.

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention and a going concern assumption. They do not take into account changing money values, or except where stated, current valuations of non current assets.

The accounting reports have been prepared on the basis of recognizing in dollar value only assets and liabilities generally described as cash based.

**b) Principal Activity**

The Club's sole activity is to provide life saving services and facilities for the community and its members. The Club did not carry out any trading activities during the financial year other than those incidental to the above activity.

**c) Income Tax**

No amount was required to be provided for income tax.

**d) Property, Buildings and Amenities**

Buildings and items of plant and equipment are recorded in the balance sheet at cost. The value of such items is brought to account as depreciation over the expected life of each asset.

**Point Leo Senior Surf Carnival January 2011**

## Club Captain's Report

The Point Leo SLSC continues to impress across all sections. Importantly, we patrolled across an extended season. We have also provided exceptional water safety and voluntary help for the Nipper program and the multiple events held at Point Leo this season.

I would like to thank all patrollers who held the fort and put in extra hours at Point Leo during the State and National Titles. Point Leo SLSC also did a commendable job patrolling the beach throughout April when the number of patrollers between the flags generally outnumbered the public. I would like to thank our Vice Captain, Jack Garner, for his efforts administrating the end of season patrols.

The scope and professionalism of our Junior Surf Lifesaving Program is truly astounding. To our Nipper coordinators, administrators and helpers, well done. Our program is the envy of the rest of the state. The army of orange caps at the State Titles in Lake Entrance was an impressive and daunting sight to rival clubs. Efforts to capture and retain the older Nippers this season have been a success with a sharp increase in SRC numbers.

The committee has sustained excellent leadership for the club. The strength of our committee is not only demonstrated by the smooth operating of our club but it is also apparent in the great events we hold at Point Leo such as the Swim Classic and the senior and junior carnivals.

The competition section remains on course to be one of Victoria's dominant. I will let the section captains provide the specifics, however I would personally like to thank and applaud Chris Munro. The time and effort Chris has invested in our competition section has provided genuine results across all competition areas.

Enjoy your winter off and good luck in your preparations for the upcoming season.

Haydn Tierney  
Club Captain

**Belt Race Teams – Point Leo Carnival January 2011**

## Vice Captain's Report

**Jackson Curtis and Max Wilkins**

Another patrolling season has gone by in the blink of an eye. 2010/2011 was a very long but highly successful patrolling season and there are many people to thank for that.

Firstly the patrol captains for all their consistent hard work throughout the year; Morgan Jones, Lachlan Pearse, Jackson Curtis, Harriet Gibb and Tom Aliotti have all put in an incredible amount of time and effort to ensure patrols ran smoothly and that Point Leo kept its unblemished

record. Then we have the patrollers themselves who stepped up to the extended patrolling season and ensured we had people keeping the beach safe well into April - a fantastic and admirable effort from all. Thanks must also go to the parents for driving our younger patrollers down week in week out. Their hard work is much appreciated.

As always attendance was an issue, and for the upcoming season it would be great to see a higher level of commitment from more of the patrolling body rather than putting such a heavy reliance on the core committed patrolling members.

Jack Garner  
Vice Captain

## Chief Instructor's Report

The 2010/2011 Lifesaving Season saw an increase in the number of Nippers developing their skill level and gaining their Surf Rescue Certificate (SRC). Due to the high number of participants this season we ran three programs for the SRC; this allowed us to train 46 new SRC's. In the 2011/2012 season, we are endeavouring to run at least two SRC programs, with facilities to run additional programs should there be the need.

The Bronze camp was again very successful with 37 members completing their Bronze medallion assessment. In addition to the Bronze camp, the club also had 11 members complete their Bronze award through Westernport Secondary College, and we again had a number of adults completing their Bronze award throughout the season.

I would like to thank everyone who was involved in the running of all training programs throughout the season. Without your help, we would not have been able to conduct these very successful programs.

**Bronze Camp participants December 2010**

While many members will choose to only gain their Bronze Medallion, I would like to remind members that there are many other awards that they are able to work towards, including first aid based awards and IRB awards. Unfortunately, the number of people gaining additional awards was rather low in 2010/2011, and we would like to see the number of Point Leo members attending training programs increase over the next twelve months.

Members will be able to refer to the club website or the club facebook page during the year for information regarding future courses. By completing additional awards, members are also helping our club from defaulting on patrol.

There will be a few changes occurring in the 2011/2012 patrol season, with the main change seeing all members who hold an IRB award having to complete an in-depth proficiency paper and a practical component at the annual requalification. Once the details of the requalification have been received from Surf Life Saving Australia and Life Saving Victoria they will be circulated to all members holding an IRB award.

Lastly, in order to continue running the Bronze and SRC Camps, the club requires more qualified trainers and assessors. There are courses for Trainers and Assessors coming up later in the year on the Mornington Peninsula, so if you are interested in becoming a trainer or assessor, please let me know.

Again I would like to thank everyone involved in the training and assessing of our Bronze and SRC programs, and I look forward to working with you again in the new season.

Bree Ambry  
Chief Instructor

## Training and Development

### Building Leaders Scholarship

At the beginning of last season, Lachlan Pearse and I were lucky enough to be sponsored by the club and selected to participate in the Building Leaders Scholarship course conducted by LSV. The Scholarship aims to develop leadership skills, and introduce a broad selection of personal development and team-building skills as well as working towards a project of our choice and a Diploma of Management. The scholarship takes place over four allocated weekends in a year. These weekends involve various activities including guest speakers, group tasks, networking opportunities and time to develop and work on our projects.

Both Lochie and I have designed our own projects with the help of mentors and have set various goals in order to help us achieve our desired outcomes. Lochie's project is to develop a Surf Lifesaving Sport Development and Coaching Resource in the form of an iPhone application to assist beginner coaches, instructors and Age Group Managers in developing young athletes from nippers through to cadets. My project is to run a week-long program during Children's week (22 - 29 October) where various community and school groups will participate in life saving activities.

The Building Leaders Scholarship course has been an enjoyable and insightful experience so far and has given us a greater understanding of leadership and what it ultimately entails. We look forward to completing our projects in the coming months.

Rose Anderson

### National Leadership College

I was lucky enough to be selected to attend the 2011 National Leadership College in Sydney over the summer period. It was an incredible opportunity and it involved spending a week with 30 different candidates from around Australia at a Sydney University College.

The week involved a huge number of guest speakers, work shops, and leadership building activities as well as practical application of the skills learned. It was a thoroughly enjoyable and intellectually stimulating week and it imparted upon me a set of skills and qualities that I hope to be able to apply at a club level. I would highly recommend members, if the opportunity arises, to capitalise upon the incredible array of leadership camps and programs that Life Saving Victoria and Surf Life Saving Australia offer.

Jack Patrick Garner  
Vice Club Captain

## First Aid Report

This season we had a general increase in the number of incidents and injuries reported over the season. There was a large increase in the number of foot injuries as well as the number of sprains, strains, dislocations and fractures. Most of these injuries occurred during beach activities, including carnivals. We also had a few major first aids this year which were handled very well by our lifeguards. It was also fabulous to have the help of our medical professionals within the surf club who gave up their time to help out with Nippers and also at the Carnivals. Well done to everyone who performed a first aid this year and just a reminder to everyone to please make the effort to keep the first aid room tidy and hygienic for next season.

### Reported incidents and injuries:

	09/10	10/11	Difference
Face/Head/Eye	8	5	-3
Foot/Toes	4	12	+8
Ankle	2	2	0
Leg	3	4	+1
Hand	3	2	-1
Arm	0	2	+2
Knee	1	1	0
Shoulder	1	3	+2
Torso	2	1	-1

**Activities in which injuries occurred:**

Setting up patrol	1
Nippers	1
Beach activities	26
R & R	1
Water activities	8

**Nature of injury:**

Impact	2
Laceration	9
Sting	3
Sprain/Strain/Dislocation/Fracture	11
Abrasion	1
Respiratory/Asthma	1
Hypothermia	5
Faint	1
Abdominal injury	1
Splinter	1
Eye injury	2

Simone Garner  
First Aid Officer

**IRB Report**

The 2010/2011 season has been a busy year for our IRB crews whose duties have included:

- Patrols
- Nippers
- Carnivals, both at Point Leo and distant locations
- Point Leo Swim Classic

In total 14 drivers and 15 crew have been involved (as recorded in the IRB Log Book).

**DRIVERS:** Chris Gray, Blane Paton, David Russell, Matthew Bunting-Fame, David Gearing, Gary Utri, Andrew Gibson, Clayton McDonald, Mark Aliotti, Luke Treadwell, Michael Treadwell, Ron Griffiths, Jackson Curtis, Nick Woods, Lachlan Pearce (trainee driver)

**CREW:** Jo Davis, Harriet Gibb, Adam Lipszyc, Alex Besson, Victoria Roadnight, Jack Dewhurst, Liam Utri, Sophie Welsh, Will Sullivan, Suzie Warren, Zac Hopkinson, Anthony Brooks, Max Wilkinson, Tom Humphries, Dylan Neal

The maintenance duties were well covered in a timely and professional manner, and provided by Chris Gray and Matt Bunting-Fame, with special comments and support from both Andrew Gibson and Richard Ellis.

The continued support from former IRB Captain Luke Treadwell and Trainers and Assessors Mick Treadwell, Ron Griffiths and Andrew Gibson was much appreciated.

Due to our ongoing commitments to State Carnivals, in particular 7 drivers who attended and worked at Lakes Entrance, our training was sadly neglected, except for the water hours for both our trainee driver and numerous trainee crews.

Following discussions with our Chief Instructor, Bree Ambry, it is hoped that we will be able to run at least one training course either in our own right or in conjunction with other regional clubs in the spring of 2011.

We currently have five IRBs all in good and serviceable order except for a small leak in one boat which will be repaired during the winter months.

We have five motors all of which are in good working order; three relatively new motors and two motors that are more than 9 years old. It is expected that we will replace one motor during the 2011/2012 season with the remaining 1 old motor to be replaced in the following season.

Our awareness of the benefits of IRB racing has been increased with the overwhelming majority of participating drivers at both State and National Titles being involved in IRB racing. We will be raising IRB racing for discussion at the General Committee in the next months.

We sincerely thank all the people who have been involved and supported the IRBs during the past season.

Chris Gray  
IRB Captain

Blane Paton  
IRB Co-ordinator

## Team Manager's Report

The 2011 Australian Championships saw one of the biggest teams the club has sent in many years. Thirty-three competitors made the trip north, along with a number of parents and supporters. It was fantastic to see the new wave of Point Leo competitors make the trip for their first "Aussies" and the amazing results achieved from our seasoned campaigners.

**Aussies Team watching Open Women R & R Final**

The 2011 Victorian Titles were again held at Lakes Entrance coinciding with the juniors, and this made for another great event which displayed the true strength of our club. In the senior section, over sixty competitors travelled to Lakes Entrance. To kick start the weekend it was very pleasing to see the R & R section dominate the state competition and to see some stars of the future in the other sections compete strongly with great success. The future for our club is extremely vibrant given the strength of the clubs junior movement, especially now that we have many more making the transition into the senior ranks.

Behind the scenes, the logistical effort that is required to send gear across the state and country is a huge task. The organisation of accommodation, entries, payments, ensuring tents are on the beach and competitors are on the line, is a massive task that takes a whole team of people to make happen. Thank you to all the hard workers behind the scenes whose work goes largely unnoticed; especially to John Horwood, Kim Williams, Andrew Welsh, Andrew Gibson, Geoff Waters, Kate Stern, Stacey Lethlean, Mark Lethlean and Lachlan Pearse for their super efforts.

**Board Training - Gunnamatta**

Thank you also to all our hard working coaches who spent endless hours on the beach ensuring our competitors were in elite condition for competition, and the sacrifices you made to pass on your expertise at regular training sessions, camps and one off sessions. Specific thanks go to Hayden Rydberg, Haydn Tierney, James Anderson, Ian Knight, Dave Russell, Jon Ford, Matt Bunting-Frame, Khali Gooding, Geoff Waters, Steve Anstee, Tom Aliotti, Travis Cargill, Craig Ross, Michael Scales, Lachlan Pearse and Clayton McDonald. Also a special thank you to Chris Porter (Anglesea SLSC), Cliff Goulding (Half Moon Bay SLSC) and Porky (Collaroy SLSC) for giving up their time to assist our club again this season.

Next season already looks certain to eclipse the highs of this season, as many are now back in training and many new teams look set to put on the orange cap.

On a personal note, this is my last season as Team Manager on the committee. I wish the incumbent the best of luck in the role next season.

### **Victorian State Development Team**

Point Leo members Jess Mourney (Under 14) and Lucy Welsh (Under 14) both represented Victoria at the Southern States Challenge at Penguin in Tasmania in January. The competition is held annually and includes teams from Victoria, South Australia and Tasmania.

The girls did us proud with some amazing individual results:

- Jess - 1st beach sprint, 1st flags, 1st 1km run
- Lucy - 1st board, 2nd Surf Race, 3rd Iron

The girls also made amazing team contributions in the winning Board Relay and Cameron Relay teams and the second placed Surf and Beach Relay teams.

This event has been a great stepping stone for a number of Point Leo members over the years including Zac Richter, Olivia Keppell, Sophie Welsh and Jordan Collins. This is the second year in a row Lucy has made the representative team. Well done girls on your selection and amazing results!

### **Victorian State Team**

Point Leo members Olivia (Under 15) and Hudson Keppell (Under 17) both represented Victoria at the SLISA Interstate Challenge held in Sydney in January. Victoria finished the competition in 4th place overall behind Qld, NSW and WA. The competition this year included both Ocean and Pool events, based on the World Championships model.

Olivia and Hudson competed in the surf race, board rescue and board race. Hudson completed a few pool events with his best results achieved in the tube race with a 4<sup>th</sup> place.

It is a fantastic effort by both members to make a Victorian team at any stage of their career, especially considering Olivia is still an Under 14 competitor. It is an incredible testament to her training, hard work and a great reward to make the team at such a young age. Hudson also has achieved some great results whilst currently competing for Anglesea SLSC. Hudson previously made the state team in 2007 when competing for Point Leo.

Chris Munro  
Team Manager

## **R and R Section Report**

Season 2010/2011 has been another big year in the R & R section. Apart from the big win that I am very proud to be associated with, I am very proud of the achievements of the whole section and all of the fun we had over the season.

We had six teams compete for Point Leo during the season.

### **Under 15A: Coach Geoff Waters**

Hannah McDonald  
Ella Mason  
Yasmine Davis  
Carly Russo  
Ally Duncan

### **Under 15B: Coach Steve Anstee**

Isabel Paton  
Matilda Harrop  
James Lillycraff  
Kate Higgins  
Hannah Carboon

### **Under 17: Coach Khali Williams**

Sarah Lillycraff  
Jack Caton  
Larissa Thurley  
Natalia Benetti  
Sophie Welsh  
Kirsten Davis

### **Under 19: Coach Geoff Waters.**

Ellie Russo  
Lily Hartley  
Emily Ward-Ambler  
Melissa Bird  
Angus Ogilvie-Lee  
Sophie Welsh

**Open Women:** Coach Morgan Lacey and Don Heathcote.  
Edwina Oram  
Morgan Lacey  
Emily Cox  
Amelia Hughes  
Jessica Bird

**Open Women's Gandalf:** Coach Geoff Waters  
Katie Soldani  
Ruby Wyett  
Simone Williams  
Dayna Laurence  
Rose Anderson

The season carnivals were well attended by the R & R section and we saw great success and improvement. There was great rivalry between the Under 17 Point Leo and South Melbourne teams, and also between the Under 19 Point Leo and Anglesea teams.

The Under 15A, Under 17, Under 19 and Open Women's Gandalf teams attended the Manly and Freshwater carnivals, using the seven day break as a training platform for Nationals.

The results were:

Open Women	2 <sup>nd</sup> Manly, 3 <sup>rd</sup> Freshwater
Under 15	2 <sup>nd</sup> Manly, 3 <sup>rd</sup> Freshwater
Under 19	3 <sup>rd</sup> Manly, 4 <sup>th</sup> Freshwater
Under 17	3 <sup>rd</sup> Manly

State Titles again showed the dominance that Point Leo has in the R & R section. Winning the prestigious Geoff Waters Trophy for overall point score at State Titles for the second year running is a highlight for me as it demonstrates the depth of the Point Leo R & R section.

**Point Leo R & R competitors receiving the Geoff Waters Perpetual Trophy State Titles 2011**

Point Leo took out five of a potential six gold medals at the State Titles.

<b>GOLD</b>	Open Women Gandalf, Open Men, Open 6 Person, Under 17 and Under 15A.
<b>BRONZE</b>	Under 19 and Open Women.

**Open Women's Team - Morgan Lacey, Amelia Hughes, Edwina Oram, Emily Cox, Jessica Bird**

The State Titles also demonstrated how much our teams have improved. Morgan's Open Women team (left) improved significantly over the season to obtain Bronze, drilling a six, which was a fantastic result for a first year team. State Titles was also the Under 15B team's second carnival and they showed a lot of improvement.

A few 'extras' were called in from the Point Leo ranks for the State Titles. James Anderson featured in the Open 6 Person and joined with Ian Knight, David Russell, Andrew Barnes and Hayden Rydberg to form an Open Men's team. Kate Sunderland, Natalie Johnstone, Simone Garner and myself also got together on the day to form a third Point Leo Open Women's Team. A lot of fun was had by all. No hammies were pulled, but lots of cobwebs were dusted out!

Three teams, Under 15A, Under 17 and the Open Women's Gandalf, competed at the Aussies and once again the Kurrawa did not disappoint with its significant north sweep and choppy surf. The Open Women's Gandalf team (right), led by Geoff, had a fantastic preparation leading into the finals, gaining valuable experience in the heats. Obviously the result speaks for itself and I hope the girls are aware of how proud the club is of them but also the impact the win will have for the coming seasons. I know, standing there listening to Point Leo being read out in the gold medal winning position was not only enjoyable, it was motivating and reminded me of why we put in all the hard work over the season and how much fun it is to be successful and compete at the Australian Titles. Personally, I would like to congratulate Geoff on his coaching role in the win. All of the

**Open Women's Gandalf R & R Team Simone Williams, Ruby Wyett, Rose Anderson, Dayna Laurence, Katie Soldani** 19

hard work paid off. I would also like to congratulate Simone and Ruby, who are now the only Victorian women to have won three Australian Titles.

**Under 17 R & R Team - Natalia Benetti, Sarah Lillycrapp, Larissa Thurley, Jack Caton, Kirsten Davis**

The Under 17 team (left) also had a fantastic carnival at the Aussies. This was their first trip to the National Titles and between shopping and training they had fun and success! They qualified third into their final, drilling an 11. North Cronulla and Freshwater were the leaders of the pack and we were chasing them. With our new addition of Sophie Welsh as patient the team had worked tirelessly in training to prepare themselves for the final. I am very proud to say that they drilled an 8, their best score all season and finished 5th in their final. It must also be mentioned that Point Leo was still represented in the winning U17 team: Point Leo Life Member Peter Taylor's granddaughter was the second line position in the winning Freshwater team and I congratulate the Taylor family on a great result.

The Under 15 team (right) also competed strongly in both of their heats, however they were unlucky not to qualify for their final. Let's just say there was a lot of hat slamming by one G. Waters! The standard of the Under 15 teams this year was exceptional, with Collaroy winning with a score of two. I hope the Under 15's and the Under 17's saw what I saw standing on the beach when the Open Women won and they use it for motivation next year.

Although this season has only just finished, the pre-season for next year is already starting. We are already planning for a more successful season next year.

R & R teams - thank you for a great season, have a great winter - stay fit and have fun!

Khali Gooding  
Vice President/R & R Captain

**Under 15 R & R Team – Yasmin Davis, Ella Mason, Carly Russo, Ally Duncan and Hannah McDonald**

## Board and Ski Section Report

In last year's annual report Hayden Rydberg spoke of "a great core group of current competitors and by the looks of the Nipper results more to come". It's very pleasing to see that Hayden's vision for 2010/2011 was realised with some great results in board and ski at Nippers, Cadets and Senior level. The spring/summer training program was well attended all season with surf skills being the priority focus at Crunchies, Flinders and Gunnamatta. It is clear that the board skills of those who regularly attended training have improved dramatically. This year we also had a strong focus on encouraging correct paddling technique in the kneeling position and as a result most Cadets are now comfortable training, surfing and competing on their knees! Special thanks to the coaches including Chris Munro, Haydn Tierney, Hayden Rydberg, Travis Cargill Lachlan Pearse and Di Summers.

**Matthew Blair and Jack Riseley  
Board Relay at Point Leo Senior Carnival 2011**

The Aussies was a great experience for all who attended. Everyone put in 100% in difficult conditions. Despite our best efforts at training during the year, most of those who attended Aussies agreed that in

2011/2012 a further increase in intensity of training as well as practice in more challenging surf is required. To this end the coaching team have developed a structured guide to training for the coming season. This, in combination with mentoring of competitors around a training plan, should help the board section rise to the next level of skill and success.

Whilst the base is well and truly set for success in board over the coming years, the ski section is only now beginning to build. Matt Bunting-Frame has done some excellent work over the past year training a dedicated group of ski paddlers like Callum Pearce and Patrick Hough. As further numbers enter Cadets and Seniors we have already started winter training at Martha Cove. The marina is a perfect location to refine technique and progress into chop/wind/wave action as confidence develops. If early numbers are a guide (10-15 attendees so far) we should have a great level of participation in ski events when the season starts. I can only reiterate Hayden's comments from last year's report on the importance of depth in board and ski ranks to maximise success in the team events such as the Board and Ski Relays, Taplin Relay, Cameron Relay and Board Rescues.

After Aussies this year there is a great spirit of cooperation between Victorian clubs to take on those north of the Murray. As such, we will be regularly going over to the West Coast to train with other clubs as well as getting some of the best coaches in the state down to Point Leo for training guidance.

All of the development described above continues to be driven by our outstanding Nippers program. The quality of Cadets coming through is a testament to the training program on board run by Travis Cargill, James Cook, Reid McGowan and Dave Neal. Special thanks also to Andrew Welsh and Ken Robinson who have done an outstanding job managing the boards at Nippers sessions, particularly during the holiday program.

Congratulations to the Board and Ski Award winners for 2010/2011:

- Pat Hough for an outstanding year developing his ski and board skills and some great results particularly in Ironman events
- Bella Ford for 100% effort in all club training as well as fantastic enthusiasm for craft based activities outside of formal training
- Lachlan Robinson (Encouragement Award) who worked really hard on his board and ski skills and showed amazing improvement

**Patrick Hough**

**Bella Ford**

**Lachlan Robinson**

Looking forward to a great year in Board and Ski in 2011/2012!

Jon Ford  
Board and Ski Captain

## Swim Section Report

I am very pleased to report on the progress, participation and interest that members of the Point Leo Surf Lifesaving Club have invested into the club's swim section over the 2010/2011 season. Swimming is an integral part of the Point Leo SLSC, not only to maintain our basic life saving qualifications, but also in the competition arena, specifically upholding our strong and vibrant history in the swim section.

This season I witnessed members, both young and old, progressively develop their swimming experiences and fitness; two goals I planned and hoped to develop in my preliminary term as Swim Captain at the club. At the end of the season I am proud to say that these goals were met and our swimmers have developed an attitude to the water area that will be the basis of their training and competitive goals in the future.

**Dayna Laurence**

The State Titles at Lakes Entrance were a huge success with many Point Leo SLSC memorable moments owing to these accomplished targets. In particular the Under 15 Women dominated the field in the water area and brought home numerous medals in both team and individual events. The Victorian Championships demonstrated that Point Leo SLSC is further increasing their stronghold on the state competition and that the fruits of their own hard work and that of their coaches is beginning to blossom.

I encourage the coaching team at Point Leo SLSC to continue investing the hard work into each athlete and to enjoy seeing our young athletes development in their sport be sustained. I am adamant it will show in the coming years and believe, in the words of Haydn Tierney, to move forward "we must continue to raise the bar and not only strive to achieve our personal goals but continue to accomplish results as a team". This is something I believe Point Leo SLSC does better than any other club in Victoria and that we all hold dear to our hearts.

### Swim Camp

The 2011 Point Leo Swim Camp was held over the week of 10 - 14 January and was a fantastic success. With 23 participants (aged from 13-16) it was a pleasure to watch them swim, develop their technique and fitness and, most rewardingly, their confidence in racing and open water swimming. I believe the results from States and Aussies (as well as the preceding carnivals), especially in the Under 14 and Under 15 areas, are a testimonial to the hard work put in by the participants and their coaches during the training camp. I received positive feedback from parents and participants regarding how the camp was conducted and the enjoyment had by all. I would like to thank and congratulate Emily Cox, Callum Pearse, Patrick Hough, Haydn Tierney and especially Stacey Lethlean and Dave 'Jack' Russell on their extended efforts and help with Swim Camp. It would not be possible to run such a fantastic and worthwhile week without their help.

#### Swim Camp participants:

Ben Ronec	Freya Tulloch
Caleb Gray	Amelia Robinson
Darcy Wilmott	Sophie Welsh
Jack Caton	Annie Ward-Ambler
Jack Riseley	Kate Cassell-Ashton
James Hicks	Emma Gust
James Lillycrapp	Evie Wilkins
Lachlan Robinson	Victoria Roadnight
Mikey McLennan	Olivia Keppell
Thomas Allsopp	Abby Lethlean
Trystan Precht	Bella Ford
Zane Cargill	

### Summer Training

A regular swimming squad trained three mornings a week at Hastings Pelican Park over January. The squad averaged 15-18 members consisting of cadets through to seniors. Haydn Tierney and I coached and set the programs to challenge and develop the fitness levels of our athletes. Overall the arrangement with the Shire pool worked very well and the Point Leo SLSC were able to take advantage of a nearby and hospitable venue. Our young athletes especially enjoyed the early morning training sessions and again their results from the season reflected this. I believe the cadets should be commended for their efforts and their parents even more so for sacrificing sleep on their holidays and driving them to training!

### Hot Morning Swim

The Point Leo Hot Morning Swim was an initiative brought to the club to encourage social swimming and activity. It was aimed at creating a consistent group of members swimming casually on weekends over the holiday period. It was run every Saturday and Sunday morning over January and had a diverse range of people attend with little consistency. I had hoped that this project would build on what I believe could have been a great social activity for Masters. I am open to and ask for suggestions on how to incorporate and encourage more members to participate in the future.

### Club Competition Nights

Club Competition nights were another initiative introduced over the summer period to encourage and develop race practice for our younger members. It was run on Friday afternoons and hosted a range of Surf and Beach events. The competition was a huge success, and allowed our cadets and some of our seniors to experience more race practice and experience before the State Titles. In addition to the skill and knowledge learnt from these sessions, athletes were able to compete for a 2XU voucher to the value of a new wetsuit. The competition was based on point accumulation from all events held. I was proud to announce the winners of the Club Competition at the recent presentation night: Victoria Roadnight and Jack Riseley. Although they may not have won every event, they attended every session and had a go at all events held. These attributes of determination and giving it a go are what make a true champion!

**Victoria  
Roadnight**

**Jack Riseley**

### Swim Captain's Awards

**Abby Lethlean**

The 2010/2011 season saw many excellent results from the Point Leo SLSC, both at States and Aussies, especially from the younger contingent of the competition team. Two standout competitors and the winners of this year's Swim Captain's Awards were Abby Lethlean and Jack Caton. Both were extremely tough competitors at the Victorian State Championships and brought home numerous medals between them. Abby proved a very strong competitor at the Australian Championships, while Jack had some very good belt swims in the R & R section. Their swimming ability is advanced for their age and they are on their way to great things in the years to come. Congratulations to these two very worthy members.

**Jack Caton**

This year the Swim Captain's Encouragement Award went to Evie Wilkins. As a Swim Camp participant, Evie demonstrated determination and willpower to overcome her fear of open water swimming. She took challenges head-on and gave it everything whilst training in the pool to build on her swimming ability over the summer period.

Lachlan Pearse  
Swim Captain

**Evie Wilkins**

### Beach Section Report

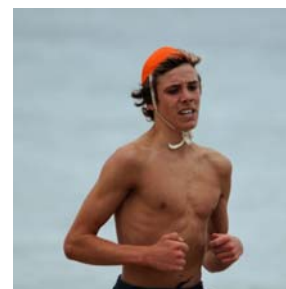

The Point Leo Beach team had a great 2010/2011 season. This year we had a good pre season to help us with the season. Point Leo members consistently placed in the top 8 for each age group in all beach events at all carnivals. We had several new members join the team and a lot of young up and comers who look promising for the future.

The highlight of the season was the performance of our boys and girls in the 2km run. We had several great results during the season and then at the State Titles where Tom McFarlane placed second in the 2km run.

This season's Most Outstanding Beach Competitor Award was awarded to Tom McFarlane. Tom has been a member of the club for a many years now, having come up through the Nipper program. He is a great young runner and we are looking forward to seeing him continue his running next season.

Congratulations to all who represented Point Leo in the Beach section during the season. We had great fun and I look forward to competing with you all again next season.

Tom Aliotti  
Beach Captain

**Tom McFarlane**

## Boat Section Report

The boat section season began in June with some cold Sunday morning sessions and one crew. Two new recruits from Mornington, Simone Schuetz and sweep Phil Lyons, joined Natalie Johnstone, Alex Mantell and Simone Garner to form a women's crew. As this was also Natty and Simmy G's first real season, initially there was a fair amount of technique work to do. Throughout the season we also had help from Rosalie Davis and in the end from Julie Duncan. In what was a very busy season, we rowed five out of the six summer series carnivals as well as three navy series competitions, the ASRL open in Wollongong, the States Titles and a training row at Aussies; altogether a hectic season! At times it was challenging to get all of the crew in the boat three times a week, but somehow it worked with the help of Rosalie and some others, and meant the crew trained with both Phil and Grumbles on a regular basis.

There were some mixed results this season. The women made the finals at Lorne, Point Leo and Fairhaven and narrowly missed out on finals at Ocean Grove and, to their disappointment, the State Titles. The highlights of the season were winning a heat at Point Leo cheered on by a large support crew of Leo clubbies, and also rowing in the three finals.

The trip to Wollongong to row in the ASRL Open was an eye opener for our girls as they raced against crews from all over Australia that were far more experienced and probably just a bit fitter and stronger too. Wollongong had challenging

conditions with a large shore break but was generally quite flat, similar conditions in the end to Lakes Entrance. It was great experience for the crew to compete interstate, regardless of the results.

**Point Leo Women's Boat Crew: Simone Scheutz and Alex Mantell, Simone Garner and Natalie Johnstone, Sweep Phil Lyons**

Between States and Aussies the girls had two team changes. The first was to put Rosalie Davis into the boat in place of Simone Scheutz and a week later it was to replace Rosalie with Julie Duncan, due to Rosalie being one patrol hour short. This meant the crew had a solid two weeks training together before the Aussies. Unfortunately the Aussies campaign was a short one. After spending one and a half days in the car towing the boat to Queensland, the girls had a training accident in the surf which ended their Aussies campaign the day before they were supposed to compete. In conditions that none of the girls had ever rowed in before, they discovered the sheer power of the surf at Kurrawa and rolled the boat. Natty and Simmy G then spent five hours at Tweed Heads Hospital (NSW) getting Simmy G's injuries treated and decided that only a good friend would drive interstate for medical treatment! Hopefully next year the girls will get to compete, but between now and next Aussies they have acknowledged that they have a lot of work to do to improve their surf skills.

Not only did the girls have a great season of training and competing but they had a great social season, including sharing tents at carnivals, drinks after carnivals, and dinners and nights out with the other Victorian crews. The season culminated in the boatie convention at Kurrawa, which was a very festive day celebrating the season of rowing and congratulating those who did well. Our Women's crew had a good first season together. It had its challenges but they will make the girls stronger rowers for next season. Thanks must go to the sweeps Phil and Grumbles (Peter Ford) for all their efforts throughout the season.

## Senior Club Championships

**President Ian Knight starts competitors in the Male Board Race**

The 2011 Club Championships were again a wonderful success with lots of enjoyment had by everyone involved. The annual competition was held on 19 March and, similar to last year, consisted of eight events including a 2km Run, Beach Flags, Beach Sprint, Ski Race, Ironwoman/man, Board Race, Surf Race and Sprint Swim. This series of events made up a Point Leo SLSC “mini-carnival”. To add to the novelty, this year’s championships were themed super heroes. This led to many gruelling battles on the beach and in the water between characters such as the Hulk, Superwomen, Zorro, Batman, Spiderman, the Karate Kid and even Kellogg’s Ironman Champion Matt Poole. Competitors from Under 15 to Masters took part in all events to decide the respective Club Champions. To all the Point Leo SLSC members who took part, congratulations on giving it a go and dressing up! The day was fantastic and hopefully we can build this event to become a pinnacle of Point Leo SLSC Competition. This year’s Age group Club Champions are listed on page 37.

## Masters State Championships

In recent times the club's participation in the State Masters competition has been limited to stalwarts Andrew Gibson and Dave Russell. However with the hugely successful Nippers program, a number of parents have shown interest in the Masters program. This resulted in a greatly increased presence at the State Masters in 2011 at Lorne including the return of former Open Ironman, Clayton MacDonald, and debut appearances from Jon Ford, Mark ‘Barney’ Mounsey, Dana Sawyer, Bruce Mourney and Jo Davis. The club had success in many individual and team events and came away with a team total of 25 medals. Masters hopefuls have already started training on ski and with the expanding training program at the club we look forward to taking on Mount Martha for numbers of competitors and overall team success in 2012. All results are listed on page 42.

**Clayton McDonald and David ‘Jack’ Russell**

## Junior Report

Once again, Point Leo SLSC Nippers had an awesome season!

Our program continues to evolve. Each year, new elements are introduced that ensure we have the most progressive and effective program. It is amazing to see just how far we have come over the journey.

A bit of semantics, but we are now referring to our Program as the **Junior Surf Lifesaving Program (JSLP)** rather than the “Holiday” Program. This is because we want to position and promote our program as an activity based education program rather than something “kids do” in the holidays. Our goals remain constant and focused. Our main aims are to develop basic beach and surf skills and raise awareness of safety within the beach environment. This is provided in a fun way promoting a healthy and active lifestyle. The JSLP has several pathways for Nippers to move. It can lead to competitive involvement, to Water Safety and to the development of lifesaving skills. Ultimately we want our Nippers to continue to be involved in a capacity of patrolling and for some competition. Point Leo SLSC is a very competitively orientated club amongst the

junior ranks. Our focus however, has been to keep a “balance” between the skills and the sport. We strive to maintain that balance during the JSLP.

Point Leo SLSC is a club that embraces all levels of competitive involvement, not just the “best” or the elite. Our Competition Program is now stronger than ever with the introduction of training from October. The commitment to training has had a huge impact on our club in terms of competitive success but also in a sense of belonging to the club. No longer is Nippers just something you do to fill in time over the summer break. At Point Leo SLSC, you can now be serious about surf lifesaving as a sport. The additional training has also provided a pathway for junior competitors to enter the ranks of seniors. Thanks to Jon Ford, Chris Munro and their many helpers for their time and devotion to developing a strong training program.

## JSLP Program

Things worth noting this year include:

- Over the past few years, Point Leo SLSC made a commitment to support the continued growth and development of the Nipper program. This has meant that numbers have grown quite substantially yet it has been managed growth in order to deliver a quality and safe program. Whilst it was agreed that it was time to consolidate numbers, we did in fact increase the numbers of Nippers by over 50. In Under 7, 8 and 9 Nippers were capped at 30 male and 30 female. In Under 10, 11, 12, 13 and 14, numbers were capped at 32 Male and 32 Female. This increase was to try to accommodate as many as possible of those “desperate” to join the ranks of Point Leo SLSC to develop surf lifesaving skills. Nipper membership is now 456. Sadly, there are some that still missed out as some Age Groups were over subscribed. There are, however, spaces in other Age Groups so theoretically we could accommodate over 500 and we are hoping to achieve this over the next few years.
- A special thanks to Kim Williams who worked tirelessly on Nipper Registrations. Once again, Kim was inundated with emails and applications to join our program. This is an incredibly time consuming and difficult task and Kim does a great job maintaining her patience!!
- The organisational structure introduced last year continues to provide a more efficient and effective management process. It has allowed for more information and training of Activity Leaders and Age Managers. It has meant that the workload is distributed and more minds are continually striving for improvements in our program. Dianne Summers once again has taken on both the Administration and Activity Manager roles and has done an amazing job. (As she is also doing Cadets, she has been very busy!). She engaged the help of Therese Neal to assist with the Administration Role. Gavin Taylor, with the assistance of Duncan Fraser-Smith, took on management of the Activity Leaders and both have been incredible. Gavin also took on the Competition Manager role and has been instrumental in streamlining processes here. Andrew Welsh has been a very welcome addition to our Management Team. On an operational level, he has been responsible for the purchase, repair and transport of boards to Carnivals. He has also provided great direction and insight into decision making and in the running of the program. An absolutely massive thanks goes to Di, Gavin, Duncan and Andrew. Our program continues to develop and improve because of your commitment and dedication.
- This was the third season that Cubs and Lions were split into different two sessions. The Cubs include the Under 7, Under 8, Under 9 and Under 10. The Lions include the Under 11, Under 12, Under 13 and Under 14. The split sessions continue to work extremely well. The beach and water areas also look fantastic with the addition of flags highlighting the various areas.
- Water Safety continues to be a challenge but the appointment of David Buntine as Water Safety Officer has alleviated many of the issues we have experienced in the past. I thank David so much as rather than volunteering, he was dragged into the role by a very persuasive Gavin Taylor. David, to his credit, took ownership of the role and did a terrific job. Water Safety is crucial to the success and the safety of a Nipper program. We will continually strive for improvements in this area.

- Big thanks also to Blane Paton for managing the IRB Water Safety for both sessions. Blane, once again, did a great job. His ever expanding team of drivers and crew were amazing out there. His fearless team can be found in the IRB section of the report.

- Huge thanks to all those who provided Water Safety for our program. This includes the Surf Rescue Certificate cadets (right), “Bronzies” and parents with bronzes. There are too many to mention but you guys are so important. We would not be able to operate without the safe environment which you provide.

**SRC Camp Participants**

- A goal of JSLP is to develop our Surf Education program and it is getting stronger every year. I thank Wilga Kotteck, Kimberley Lipszyc and Amy Dewhurst for this as well as their assistant Romy Lipszyc (who was prodded and poked in the name of first aid!). The surf education component will continue to be a focus for the next season. A growing number of Nippers are choosing the path to patrolling and water safety which is fantastic. We will ensure that the needs of this group are catered for by striving to provide further education and first aid elements within the JSLP sessions.
- This year we finally enticed someone to take on the Social Coordinator role. Many thanks to Penelope Ward-Ambler who embraced this position and organised some fabulous welcome evenings at the Club. She, with Lisa Fraser Smith, also ran a very successful and fun Disco night.
- The **Junior Club Championships** were run on our final JSLP day. This day was run like a mini carnival to give those new Nippers an opportunity to experience the carnival atmosphere in a familiar, relaxed and fun environment (on their beach with their mates). The Nippers got to participate in a wade, board, sprint, flags, swim and Iron race. The results from each event were aggregated to give an overall girl and boy club champion for each age group. A list of the Junior Club Champions can be found on page 38. The day was a HUGE success and many thanks to Gavin Taylor who organised this day. It was great to see so many Nippers having fun whilst experiencing competition.
- This program is a parent operated program and I am convinced that we have the most enthusiastic, capable and highly motivated and involved parents. That is why our program is so sensational.
- Our Age Managers are truly incredible. They take care of their own group of kids and not only organise but nurture, encourage and motivate them through the JSLP and in most cases the Competition Program. The assistants are also to be thanked for their strong support of the Age Managers and for taking over when required.
- We also have the best and most skilled Activity Leaders around. Thank you all for your dedication and contribution in delivering a sensational Nipper program.
- Thanks to Jenny Burgess and Annette Precht for taking on the Uniform shop with such skill and patience.
- This year, we introduced a roster for the parents who had not taken on a major role. The roster covered BBQ, Beach Set Up and Clean up. All in all, the parents rose to the occasion and were fantastic in contributing where they could.
- Once again I extend my gratitude to the amazing BBQ team of Steve Roadnight, Richard Ellis and their many assistants. Not only do they provide much needed sustenance but they raised over \$7,400 which is a fabulous effort.

- Also thanks to Tina Bedford who not only provides the best coffee and Iced Chocolates on the Peninsula for us but also donated \$2,530 to Point Leo SLSC. Great work!
- Thanks also to the leadership of our Club Captains Caleb Grey and Lucy Welsh and our Vice Captains Lachlan Robinson and Natalie Dimitrakis. You guys are great role models. I congratulate all of you for your wonderful season and hope to see you back helping out next year.
- And finally congratulations to all the inspirational Nippers who participated in the program with so much enthusiasm and energy. As the program progressed, it was fabulous to see Nippers develop skill and confidence in and out of the water. All Nippers face their own personal challenges and it is great to see Nippers take them on. I encourage all Nippers (with the guidance of their parents) to set their own personal goals for the 2012 season. You guys are awesome in your attitudes and achievements.

I also wish to thank Ian Knight, Haydn Tierney and the committee for their ongoing support for our Nipper program. Over the years, I have watched the club become one. I have said it before but Point Leo SLSC has something quite unique. There is a real sense of belonging. Friendships are forged and each season strengthened. It seems that all involved with Point Leo SLSC look longingly towards summer and their association with the club. They all embrace the season with such exuberance, when, finally, the season comes to a close, there is much sadness (and some relief!) that it has all ended for another year. This is what memories are made of and we as a club have something very special.

Julia O'Shaughnessy  
Junior Activities Co-ordinator

### Junior Competition Team

Whilst the focus of Point Leo Nippers is participation, all Nippers enrolled in the JSLP are also given the opportunity to compete for Point Leo at Junior Carnivals. All nippers irrespective of their individual abilities are encouraged to join the competition team. This season, 240 juniors registered to continue with training and competition beyond the JSLP. This represents a significant increase on last year and continues an established trend of growth in competition numbers. Whilst the increased number of nippers enrolled in this year's JSLP contributed to this expansion there are several other potential reasons, including:

- High retention rate of Nippers from last year to this year.
- Excellent professional coaching provided by dedicated and experienced club members.
- Emphasis on fun and participation.
- Support from committed and enthusiastic Nipper parents.

### Carnival Review

In total Point Leo Nippers competed in 5 carnivals including the Regional Qualifying Carnival and the State Championships at Lakes Entrance.

A team of 120 Nippers attended our first carnival at Cosy Corner in January. This is an extraordinary number considering 3 years ago our team at Cosy Corner totalled approximately 30 kids. Naturally we competed strongly across all age groups in what became blistering weather conditions (beach flag events were eventually cancelled because the sand was too hot).

Our second carnival at Elwood took place in mild weather conditions in late January. As Elwood is a small beach a staggered start was employed with the older age groups starting later in the morning. Approximately 150 Point Leo kids competed against a mixture of bay and surf clubs. Once again Point Leo Nippers acquitted themselves well with numerous individual and team successes. The staggered start times appeared to work with most age groups finishing their competition with minimal delays.

The Regional Qualifying Carnival was shifted at the last minute from Mount Martha to Point Leo due to the poor water quality in the bay. With less than 24 hours notice, the club organised work parties to set-up for the carnival as well as notifying every Nipper family of the change of venue. A remarkable achievement made

possible by the hard work and organisational skills of club members. More than 200 Point Leo Nippers competed to qualify teams for States. Excellent results were achieved with most age groups qualifying two teams or more for each event.

The final carnival before States was held at Point Leo in late February. Over 1,000 Nippers from all over the State registered for the carnival with approximately 200 from Point Leo attending. Unfortunately the weather deteriorated throughout the morning and the carnival was eventually cancelled with some age group events uncompleted. However, strong results were recorded by Point Leo Nippers in very challenging conditions.

The Junior State Championships were held at Lakes Entrance for the second year in a row. Our largest ever States team of just over 180 Nippers attended this carnival. Many remarkable results were achieved in all age groups with a vast number of Nippers winning multiple medals. In total 42 team medals and 36 individual medals were won by Point Leo Nippers. Point Leo was announced as State Junior Champions for the third consecutive year.

It was also a very proud moment for the club when three of our under 14 competitors, Jordan Collins, Olivia Keppell and Caleb Gray, received LSV State Competitor Awards for season 2010/2011. Jordan was awarded for her outstanding performances in female beach events, Olivia for female water events and Caleb for male beach and water events. In addition Olivia Keppell and Caleb Gray were announced as joint winners of the Fred Westfield Medal for the Junior Athlete of the Year. This was a fitting finish to their Nipper season for all three athletes who have worked hard for their success.

**Olivia Keppell**

**Caleb Gray**

**Jordan Collins**

### **Future Challenges**

The increased numbers of Nippers competing for Point Leo presents many challenges that need to be addressed. This year an Equipment Levy was introduced as part of the Nipper membership fees. The funds raised from this levy enabled the purchase of a significant number of new boards for the season. The continuation of this Levy will enable the continued repair and upgrading of Nippers equipment.

An ongoing issue is our requirement to provide sufficient water safety and equipment to cover our carnival obligations. The contribution that parents and club members make to fulfil these obligations is invaluable and their efforts deserve special recognition. Our challenge is to encourage more parents to become suitably qualified so that our increased water safety requirement is easily met.

Board transport has become problematic, as the club trailer is no longer suitable to transport the number of boards needed for carnivals. Discussions on replacing or upgrading the trailer are ongoing and are aimed at meeting our current and future needs. Many thanks to the individual families that assisted with board transport over the course of the season.

### **Acknowledgements**

The involvement and support of Nipper parents is crucial to the success of Point Leo Nippers. Particular mention should be made of the tireless efforts of Gavin Taylor in managing the competition team in a thoroughly professional manner. His organisational skills and attention to detail ensured the smooth running of the competition program. The support provided by Julia O'Shaughnessy, Dianne Summers and Duncan Fraser-Smith should also be acknowledged. Finally a big thank-you to all the parents and club members who assisted with the myriad of jobs associated with completing another successful season.

Andrew Welsh

### **Nipper BBQ**

The season was off to a bad start with our snag supplier of three years announcing that, as he had received a multi-million dollar offer for his factory in Carlton, he was going to take the money and retire somewhere out in the Pacific. I promptly ordered 500 kilos of snags to see us through until I could find another supplier. Some of you may not know, but the sausages used are pre cooked so we never have to worry about raw meat going out - most important when you know the volumes we can get through.

The total raised this year by the BBQ team was \$7,483-50.

It was great to see more parents stepping up to help this year. We had many of the same old faces but with the roster system, some fresh faces too. Please, to the new parents and old, we welcome the help. Unfortunately we appreciate that you like to get the kids down to the beach and settled but our busy time is really the setting up and preparing the hot plate, cutting up and preparing the bread. This is at the same time as the kids arrive so if some of you can come and help early and some later that would be great. It was also good to see the cadets getting involved selling muffins. I hope this continues and if you have any other ideas that you would like to promote, come and talk to us.

As always, many thanks to Dick Ellis for all his help in both cooking and slicing onions. It was also great to see all his efforts recognised with the presentation of the Dick Catterick award by the Club President at the Awards night. Unfortunately Dick could not attend as he was having some reinforcement in his hips ready for next year. Thanks also to Alf for always being there to help wherever needed, Max for being Max and Gibbo for all the spare parts.

Steve Roadnight

## **Cadets**

**Cadets attending Point Leo Annual Bronze Camp**

The retention of members in the Under 14 to Under 19 age groups is a difficult task for all Victorian Life Saving Clubs. Point Leo SLSC has been no exception and this year the Club undertook a targeted initiative to tackle this issue. We view it as essential to ensure our youth remain engaged and committed to all aspects of club life.

During the 2010/2011 season a structured cadet program was offered to the cadet age group, including the Under 14 Nipper group. This commenced with a cadet launch afternoon in December to introduce cadets to the opportunities for involvement in various club programs over summer. Cadets were also able to meet senior

members who would be involved in the program in support and training roles and to offer ideas that they would like to see implemented.

Social media is an important part of youth communication, hence a Point Leo SLSC Cadet facebook page was developed by one of the senior cadet members with the support of the Cadet Team. The facebook page provided a form of communication amongst the youth membership and also provided a direct link between the Club and its youth membership, rather than relying on communication via parents. Information about club activities and competition training schedules were linked to the facebook page, along with a Social Media Policy that was ratified by the Club Committee.

A Point Leo SLSC Reward and Recognition program based on the LSV Youth Initiative Program (YIPS) was introduced in the form of a rewards passport for the u15 to u17 age groups. The concept is quite simple - it is a reward and recognition program that operates in a similar process to 'Frequent Flyer' points. The cadets collect points for being involved in all facets of lifesaving at the Club. This includes competition and training, gaining lifesaving awards, assisting with water safety and aspects of the Nipper's program, attending patrols, being involved in club social events and undertaking fundraising initiatives. Cadets are able to work towards Bronze, Silver and Gold rewards, requiring increasingly higher points accumulation for the relevant award level. All levels also have a mandatory patrol hour requirement, ensuring that our youth membership is committed to the core business of lifesaving. This year, our first Bronze level award recipient was Will Sullivan who commenced the season by completing his Bronze medallion and went on to provide assistance to the Nipper program throughout the season, attend some training sessions, provide water safety at junior carnivals, assist with the fundraising raffle and enjoy social activities at the club. A great example of youth participation! Five of our Under 15 cadet members were also accepted into the LSV Youth Development camp run in April 2011, focusing on leadership skills that can be utilised to further enhance our Club Youth programs.

Participation in fundraising events was strongly encouraged with the introduction of muffin baking and a raffle during selected Nipper sessions, raising approximately \$1300. Cadets also participated in the campground and road side tin shakes.

Cadets were able to attend board and swim training camps as well as regular training sessions and club nights throughout the season. These programs were led by the club coaches and were very well attended by cadets and had a positive flow on to our Senior Competition results and social connection across a wide age range.

In the Under 14 area, 2010/2011 saw a large group of members complete their SRC at the club, with 50 candidates attending either a 2 day training program or overnight camp before completing the award. As a result, water safety was in abundance at the CUBS Nipper sessions and supporting our young members completing the Junior swim at the Point Leo Swim Classic on Boxing Day. Similarly, patrols were well attended by SRC members throughout the summer season.

Dianne Summers, Stacey Lethlean, Kate Stern

**Cadets with ironman Ky Hurst at Nutrigrain Ironman round held at Portsea**

## **Clubhouse Report**

A major project this year was the introduction of a computer monitored security and entry system and a rationalisation of the keys issued. This has made my job a little less complicated as I only need one key to access most areas of the building with better security during the off season. The system has been designed to allow expansion in the future as the need arises, even up to video surveillance. I'm sure some members would appreciate this function as we store valuable equipment in the equipment area.

A large investment has been made upgrading the three phase electrical system with an outside power point available to Wombat Alley. This may not sound very exciting, but we'll appreciate the larger, faster coffee machine that Tina has been able to purchase for next year. She tells me she has gone to a six cup at a time machine. Just remember, Tina, mine is black and mean.

The building maintenance will continue through the winter with some work needing to be completed and other work not even started yet. Most of this work we will have to sub out as we have a shortage of tradesmen in the club. We always need carpenters and plumbers so if you have one in the family please let me know.

The Club generates a lot of waste. We must put on record our thanks to Rangers Ray and Tony and the Foreshore Committee, who take all our landfill waste and recycling. It is very important that we all contribute by segregating recycling as much as possible.

The Gymnasium operates from the Caretaker's flat in the off-season, but is mothballed when the Caretaker is living in. Future plans will incorporate a dedicated Gym that can operate all year.

Again, the live-in caretaker worked well this year and I hope that Ian and Vicki keep this up and maybe other members can take up the position in February next year.

Steve Roadnight  
House Administrator

## Point Leo Swim Classic

The Point Leo Swim Classic is a major fundraiser for the Club and an important day on our calendar. The weather this year was about as 'Melbourne' as it could get. The day dawned bright, sunny and still. By noon, a howling, sleety westerly had competitors ducking for cover. The weather discouraged quite a few swimmers who turned up on the day, took one look at the water and decided discretion was the better part of valour.

We now run four separate events on the day:

- Paton Estate Agents 300m Swim (Nippers and novice swimmers)
- Watersun Homes 4km Beach Run
- John Marshall Surf Race (400m)
- Point Leo Swim Classic (1200m)

Growth in the Nipper, Novice Swim and Beach Run continued from the previous year.

Thanks to the many club members who organise and assist with this event.

Thanks to our Sponsors:

- |                               |                           |

| • Watersun Homes              | • Balnarring and District |
| • Eastcoast Swimming Pools    | Community Bank            |

Please support these sponsors who contribute so much to the success of this fund-raising event.

Results for all the events of the day appear on page 43.

## Gary Tierney Foundation

### **A Legacy of which we can all be Proud.**

It is fitting that the first year of operation of the Gary Tierney Foundation has been bold, aspirational and successful beyond expectation. "Fitting" because the man in whose name this foundation has been established was a person of vision and action. Gary Tierney made things happen.

And so it has been a pleasure and an honour for all of us on the Foundation Board to carry on that tradition in a small, but important, way.

The late Gary Tierney joined the Point Leo Surf Life Saving Club in 1964 as a junior member and retained a passion for the club until his untimely death in November 2009. A champion surf swimmer, Gary served for many years on the Point Leo committee, holding various positions including Club President. Behind the scenes, Gary also generously provided significant financial support to the club and individual members, as well as fulfilling an important mentoring role.

To perpetuate Gary's memory the club established the Gary Tierney Foundation Fund in 2010. A separate Advisory Board administers the Foundation under a legally constituted governance charter and investments are restricted to those approved under the Trustee Act. The Board includes two past Presidents of the Point Leo SLSC, members of the Tierney family and club members with appropriate legal, investment and commercial expertise.

The changes to the Club's Constitution were made at the Annual General Meeting on 14 August 2010. In less than 12 months, the Foundation has already become well established. With the benefit of several generous donations having been made, including from the Tierney family and the Club itself, the Foundation had achieved a balance of in excess of \$80,000 by June 2011. The Advisory Board has set a target for capital of the Fund of \$200,000. The Board aims to grow the capital base and to leave this intact, drawing only on the income that can be generated from this securely invested amount. This will ensure that the Foundation has an enduring benefit for decades to come.

The Foundation's aim is to provide financial support to enable younger members of the Club to fulfill their potential in surf lifesaving. Grants will recognize and assist individuals who demonstrate the best of lifesaving – integrity, leadership and loyalty – and who have the potential to make an ongoing contribution to the Club. The Board has established guidelines to assist it in ensuring that Grants will be applied to deserving recipients who will benefit from the Foundation's support.

### **Inaugural Grant Presentation**

On 15 January 2011 almost 100 members of the Point Leo SLSC were present at the clubhouse for the presentation of the first Gary Tierney Foundation Fund Grant. Louise Tierney made the formal award to the inaugural Grant recipient, Lachlan Pearse. Louise outlined Lochie's impressive progress with the club since joining in 2006, particularly in the competitive, patrol and fundraising areas. He had already gained a silver medal at National level and numerous medals at state titles and at local and NSW carnivals. Within the club, Lochie has served as a Patrol Captain, Swim Captain, 2010 holder of the President's Trophy (Junior) and has participated in the SLSC Building Leaders Scholarship Program.

**Inaugural Presentation – Haydn Tierney, Lachlan Pearse, Louise Tierney and Mark Tierney**

Many thanks to the following people for their donations to the Gary Tierney Foundation:

Adam Francis	Eastcoast Swimming Pools	Karen, John & Patrick Hough	Richard Batchelor
Alan Warby	Eddie Kidd	Kate Colman	Richard Everist
Alf Treadwell	Eric Magee	Ken Robinson & Dianne Summers	Richard N Ellis
Andrew Gibson	Garry Randall	Lynne Datnow	Rob & Holly Woodhouse
Annette Precht	Garry Rydberg	Mark & Christie Tierney	Rob Stirling
Anthony Williams	Geoff James	Max Jeffrey	Robert Harper
Bankett Pty Ltd	Geoff Waters	Michael Caraher	Ron & Chris Murray
Ben Marshall	Graeme Johns	Paton Estate Agent Pty Ltd	Roslyn Isherwood

David Buntine	John Horwood	Richard & Jane Baillieu	Yuille Holdings (L Tierney)
Don Roberts	John Jones		
Douglas Woolley	John Silver		

Tom Mollenkopf  
Gary Tierney Foundation Board Chairman

## Point Leo SLSC Bobbas

The Bobbas have had an active year since the publication of last year's Annual Report. In July, September and December 2010 Bobbas luncheons were held in the Presidents Room at Kooyong Lawn Tennis Club. Numbers attending continue to grow with almost 40 at the September luncheon with a highlight being the attendance of Garry "Butch" Rydberg who was able to re-organise his international duties with our national water polo teams in order to be there.

At our pre-Christmas luncheon we had Tom Mollenkopf along – he was probably the youngest in attendance apart from Morgan Ford, son of Grumbles, and Peter Randall, son of past club President Garry. Many thanks to Max, Alf and Chopper in assisting with the organisation of these popular luncheons.

In February this year Julia and Peter Merrigan and Brian Horwood combined to organise our second annual Golf Day at the Flinders Golf Club. Early weather conditions were a bit shaky but everything went well. This is an event that we must continue to hold.

Probably the highlight event of the year was the Bobbas and Partners luncheon held at our clubhouse on Sunday, May 1<sup>st</sup> this year. We had almost 70 along and that number included the 5 Open Women's R & R National Gold Medallists who were our special guests, along with the club's Team Manager, Chris Munro. Grumbles hosted Karen and Chad from the Flinders Hotel, and Mark and Rowan from the Navy who are involved in supporting the Surf Boat Marathon to be held on Sunday, October 23<sup>rd</sup> later in the year.

Also in attendance were Damien Flouch, Bomber Murray, Gary Richardson (down from Brisbane), Peter Francis and Geoff "Blab" Waters – all Hall of Fame members.

The luncheon was prepared by Bobbas and partners and because our chief cook, Alf and chief food preparer Anne were away in Perth, there was a fair bit of early panic but this was overcome with assistance from Marc Aliotti, Tom Mollenkopf and Dick Ellis (all past presidents), Larry and Andrew Gibson, Rhonda Horwood, Kate and Peter Garner and Kim Williams and Bree Ambry at Dude's Bar.

It was voted a successful day, one to be repeated, and at the end of the day the Bobbas were able to donate \$700 to the Gary Tierney Foundation.

Please remember that anyone from the club is welcome to attend our luncheons and if you are interested please contact John Horwood through the club.

John Horwood  
Bobbas Convener.

## President's Trophies

Two President's Trophies are presented annually, one Junior and one Senior. They are the highest awards that the Club can bestow on one of its members. The Trophies are awarded on the basis of the acceptance of the duties of a member and the provision of leadership in the Club and Life Saving Victoria activities, competitive performance, fostering of team spirit and personal conduct and demeanour.

### President's Trophy - Senior – Chris Munro

Chris joined the Point Leo committee in 2008/2009 and won this award back then. It is to his credit that he is again the winner in 2010/2011.

Chris is one of those members who make it happen with a minimum of fuss but with a maximum of input.

Chris has taken on the Team Manager/Club Coach role over the past few seasons and this has resulted in enormous growth in the number of members who participate in competition and club training. Chris sat down a few years ago with the late and great Gary Tierney who simply said to Chris, "Draw up a plan and you will make it happen from there". Chris did this and

as a result the club has full a proper coaching programs and training schedules at all times. He has delegated a number of roles to competent and capable people to execute his plan and along the way seamlessly team manages one of the largest contingents of competitors in Victoria.

Chris also finds time to assist with applications for club grants and a myriad of other issues to assist the club with. As stated previously in the club annual report 2008/2009 and again most evident this season, *“he does his duties with a sincere and caring attitude”*.

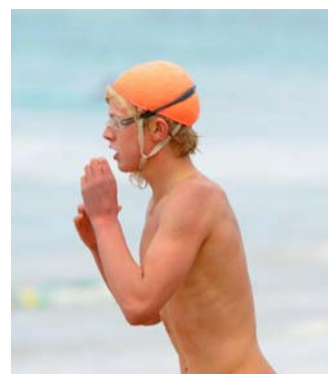

Well done Chris.

### **President’s Trophy - Junior – Patrick Hough**

Over the past few seasons I have observed many young members coming through the ranks who display all the qualities and skills you like to see in our developing juniors.

One member of that large group is Patrick Hough. Pat is one of those members who is pretty quiet and quite humble. However, once you watch and observe Pat in operation, you see a member who commits to his lifesaving duties in a professional and methodical manner. Pat relates well to all and sundry around Leo and is a committed team player.

Pat has attended to all patrol duties, attended the Point Leo Swim Camp this year and is prepared to help and assist younger members and Nippers in their development and skills.

I observed Pat compete at the States at Lakes Entrance this year in numerous events (mainly team) and other carnivals and never give up. Pat is the type of member who wears the club colours proudly and is fast becoming an elite athlete. He is an inspiration to himself, his mates and the club and he will continue to grow into a fine member of Point Leo, the community and his family.

The club’s future is in good hands with young members like Pat.

### **Dick Catterick Trophy – Dick Ellis**

This annual award is presented in memory of the late Dick Catterick who was the clubhouse supervisor at ‘The Willards’ (the old clubhouse). The award recognizes a Club member who has made an outstanding contribution to the club during the season.

This award goes to Dick Ellis

A bit of history re Dick Ellis:

In 1954 Dick Ellis was a member of Sorrento-Portsea SLSC and along with another club member, Alan Forster, had often talked about forming a new club.

After looking at quite a few locations Point Leo was chosen and in 1955 Dick and Alan co-founded the Point Leo SLSC with the first meeting of the club being held at Shoreham on 1 April 1955.

Dick, who at the time was one of the strongest pool swimmers in Victoria, was the initial club captain with Ron Anstee, father of current Club Vic-President Steve, as the vice captain.

Dick was involved in every aspect of club life – getting the first bronze squad organised, choosing the site for the clubhouse and commencing building works, transporting competitors to carnivals, organising patrols and so on. In those days only 2 active members were over 21.

In 1959 Dick became Chief Instructor of the club and in this role, with the assistance of junior club members, played a big part in the reformation of the Lakes Entrance SLSC.

In 2003/2004 after an invitation from Club Life Member Al Buxton, Dick became re-involved in club activities assisting with Nippers BBQ.

Dick attends every possible club function where the BBQ is needed. It is estimated in this season alone that Dick contributed to cooking and turning well over 10,000 sausages (Info supplied by Steve Roadnight!). Since his return in 2003 what we do know is that Dick has assisted in feeding many a hungry nipper, parent, patrol member and anyone else who needs a feed at the club.

The club is blessed to have volunteers like Dick around to support it and it is even more blessed to have one of the co-founders and initial club captain from 1955 still volunteering many hours of help some 56 years on.

Congratulations Dick Ellis!

## Supporters, Sponsors and Grants

Over the 2010/2011 season a Sponsorship sub-committee, headed by Emily Cox, was formed to strengthen the sponsorship potential and build on relationships with existing sponsors of the Point Leo SLSC. It is pleasing that due to the on-going work of the sub-committee, the Point Leo SLSC has built relationships with many new and existing organisations and local businesses to form a strong sponsorship base. Our sponsors, big and small, have generously provided financial or other goods and services to support the local volunteer service and sporting endeavours of the Point Leo SLSC. In return, our premier Surf Club hopes to provide exposure to all our sponsors and further develop its relationships with our sponsors and the wider community.

Two other accomplishments the Sponsorship Sub-committee achieved this season were the creation and development of a generic sponsorship proposal and the creation of a Sponsorship Board acknowledging our sponsors. The board can be seen at the entrance to the clubhouse.

Point Leo Surf Life Saving Club offers a range of sponsorship options and our Sponsorship Sub-committee are excited to work with potential sponsors to find a package that is most beneficial towards achieving their business objectives by providing optimum exposure and return for their sponsorship spend. These packages are outlined in our Sponsorship Proposal. Individual packages can be developed to suit the individual needs of businesses.

The Point Leo Surf Life Saving Club appreciates the support of the following sponsors and donors. We truly value your support and hope to give in return as much exposure to your business as we can.

2XU	Motorolla
Ashcombe Maze	Paton Estate Agents Pty Ltd
